

Drill Brahmin, Angel, Deity

Brahmin

Self-sovereigns of the confluence age, beyond all types of sorrow.

Have a right to the confluence-aged Brahmin world which is free from sorrow.

Embodiment of constant happiness.

All the relationships with the Father.

All the elevated treasures and the wealth of gyan is attained.

Never cross the line of the code of conduct, stay within the boundary.

Happiness in a jungle and fortune of renunciation.

Experience the life of a prince in a beggary life.

Beggars, not even the body belongs to them.

Experience the dry mountains of Madhuban to be a world of happiness.

Experience the world has changed, they are like a lotus.

No waves of sorrow of physical illness, of wasteful upheaval in the mind.

All workers of the kingdom under their order. The carefree emperor holds the court daily, check the activities of the workers.

Angel

The angelic souls is the embodiment of all the attainments.

The angel is constantly swinging in the swing of happiness.

Attaining infinite treasures at every second, in every breath and every thought.

Experiencing the ascending stage constantly.

The angel sees treasures everywhere.

Deeply loving with every soul, eternal relationships of brotherhood.

Good wishes and pure feelings for every soul.

Unlimited relationships, knowledge and attitude.

The angel has the spiritual knowledge, she knows the part of every soul.

The angel is detached and loving.

There is concentration of the intellect

Trikaldarshi, no questions, no surprises. "Nothing new".

Deity

Deities are double-crowned. They never worship anyone.

They do not remember anyone.

They give one another regard.

They have no advisers.

Full and prosperous. Masters of all the attainments.

Study is like a play or game.

Not lacking anything. Exchange of love.

Full of all the divine virtues, 16 celestial degrees pure, completely viceless.

Their original eternal dharma is extremely elevated.

Deities are constantly happy.

The deities used to rule over the whole world.
