### **Gita Taught By GOD To The Fittest Of Men**

**PRELUDE :** GITA is the **WIDELY** known, read, recited, written, spoken or commented, translated, published and most interpreted scripture in this world. Sadly, it is the **MOST MIS-INTERPRETED ONE TOO**. The aim and objective of the project TATTVA GITA is to convey the TATTVA revealed by GOD in GITA in easily comprehensible and accurate manner. This is exclusively intended for those DISCERNING RIGHT THINKERS AND TRUTH SEEKERS who possess a burning desire or a deep passion to realise the highest spiritual knowledge / wisdom revealed by GOD directly to today's humankind by none other than GOD Himself in the form of 574 verses superscribed as "Shri Bhagavan Uvacha" in Gita.

### **Tattvajnaanis Pass It On To The Obedient**

No wonder GOD declares with absolute authority and abundant clarity in two highly thought provoking verses [4:34-35] that one should approach only a **TATTVA JNAANI** with utmost reverence and honest questioning with pure intentions to grasp the TATTVA revealed in Gita. [*".....upadekshyantite jnaanam jnaaninah TATTVA darsinah" 4:34*] and only after realising the above truth, all the confusion generated within the minds and intellects of such truth seekers on ONENESS OF HUMANKIND and ONENESS OF GOD will be completely erased and one will be able to show love and respect uniformly towards fellow human beings treating them as children of ONE GOD in the true spirit of universal brotherhood and vasudhaiva kutumbakam [*".....yena bhootanyaseshena drakshyasi aatmani athomayi" 4:35*] [This truth is reconfirmed in several verses viz. 5:18, 6:9, 6:29-32 etc.].

## **God Is Realised With Tattva By 'One In a Million'**

However, GOD reveals in verse **7:3** with absolute authority and abundant clarity that the above TRUTH is realised **based on TATTVA**, only by a MICROSCOPIC minority or a MINISCULE group from over 7.5 billion human beings, dwelling on this planet at this juncture. *"Out of thousands, only one will strive to seek the truth about GOD and out of several such truth seekers, only one will eventually realise GOD as mentioned above"* [**"maam vetthi TATTVATAH"**]. The focus on realising the highest spiritual truths / wisdom revealed by GOD in GITA based on TATTVA [instead of on the basis of INTERPRETATIONS] is authoritatively reiterated in as many as 16 verses in Gita [**2:16, 3:28, 4:9, 4:34, 5:8, 6:21, 7:3, 9:24, 10:7, 10:15, 11:54, 13:1, 13:11, 18:1, 18:22 & 18:55**].

That means the entire humankind on this planet comprises of 3 groups viz. the **massive** ignorant group, the **limited** seekers group and finally the **tiny** group which eventually realises GOD based on TATTVA. The first two groups are those who possess TAMASIC and RAJASIC [**static** and **mutative** knowledge] whereas the **dwarfish** third group bearing a deep passion or a burning desire to realise the highest SPIRITUAL TRUTHS is designated as **SATTVIC (sentient)** [**18:20-22**]. The revelation in verse **18:22** on what truly constitutes TAMASIC knowledge is highly significant to be noted by the TRUTH seekers. The knowledge that is **illogical** or **irrational, devoid of TRUTH** and **trivial** [baseless or worthless] by which one thinks that this visible mortal BODY is the sum and substance of life is described as of **TAMASIC** nature.

## **Unfolding Of Deep Gita Secrets Alone Paves The Way**

Thus, it is evident that today's humankind has grossly failed to realise the highest spiritual truths revealed by GOD in Gita. This is attributable to the unintentional lapse of the learned to awaken their minds and intellects bestowed by God only on His special and unique creation designated as "human beings" from out of 84 lac living species dwelling on this planet at the present juncture. **What could be the reasons for the failure?** This is squarely due to their miserable failure to

explore the deep mysteries revealed by GOD in Gita and nothing else.

**GITA** declares in verses **10:10 / 15:20** with **Supreme** authority and **Conspicuous** clarity that one's INTELLECT is awakened only by UNLOCKING the deep MYSTERIES in GITA and not by any other means. That there are mysteries in Gita are revealed in the scripture itself in as many as 8 verses which bear the words "*guhya*" or "*rahasya*" [**4:3, 9:1, 9:2, 10:38, 15:20, 18:63, 18:64 & 18:68**].

**GITA** declares in verses **10:10 / 15:20** with supreme authority and conspicuous clarity that one's INTELLECT is awakened only by UNLOCKING the deep MYSTERIES in GITA and not by any other means. That there are mysteries in Gita are revealed in the scripture itself in as many as 8 verses which bear the words "*guhya*" or "*rahasya*" [**4:3, 9:1, 9:2, 10:38, 15:20, 18:63, 18:64 & 18:68**].

**WHAT TRULY CONSTITUTES "SHRIMATH" OF GOD REVEALED IN GITA"?**

**And**

**WHAT IS THE AIM & OBJECTIVE OF THE PROJECT "TATTVA GITA"?**

Only **GITA** provides comprehensive answers to the **THREE** vital questions posed by the true devotees in the famous verse "*asatooma sadgamayaa, tamasooma jyotirgamayaa, mrityormaa amritanga mayaa, om santihi, santihi, santihi*" [verse 1:3:28 of "*Brihadaaranyaka Upanishad*"] [*"O God! I am in a world of **untruth**, lead me to a world of **truth**; I am in utter **darkness** representing ignorance of true spiritual knowledge / wisdom, O God! Shed on me **DIVINE light** and **insight** to remove the darkness and realise the true spiritual knowledge / wisdom and thirdly O God! Grant me the knowledge of the existence of the **immortal entity** (SOUL) within the **mortal entity** (BODY)"]].*

One must have absolute clarity as to what truly constitutes GITA. The general perception about GITA is that it was revealed by GOD to one ARJUNA on the battlefield of KURUKSHETRA when he refused to fight a VIOLENT WAR. This fundamental misconception about GITA led the humanity in general and Hindus in particular to reject the GITA teachings

LOCK, STOCK and BARREL on the ground that they are not intended for them.

How then, are we to reconcile with the fundamental TRUTH that the teachings revealed in GITA are actually meant for the entire humankind comprising of over 7.5 billion human beings dwelling on this planet at this point of time irrespective of their body-bound labels of caste, creed, nationality, sex, age, language, colour, economic / social status and even RELIGION?

GITA reveals this TRUTH with absolute authority and abundant clarity evidenced in as many as **150** verses which contained five crisp expressions viz. VISWA, JAGAT, LOKA, IHA and SARVA evidencing the UNIVERSAL APPLICABILITY of the teachings. The truth seekers must note that the entire humanity [irrespective of their religious affiliations] reposes faith in the divine sayings reflecting universal character such as "Lokaah Samasthaah Sukhino Bhavantu"; "Sarve Janaah Sukhino Bhavantu"; "Universal Brotherhood"; "Vasudhaiva Kutumbakam" etc. in tune with the revelations on universal applicability of God's teachings in GITA. IGNORANCE OF THIS SIMPLE BUT **STUNNING** TRUTH IS THE PRIME CAUSE FOR THE PRESENT DAY CHAOTIC SOCIETY.

Besides the revelation in verse **7:3** that the SPIRITUAL TRUTHS revealed in GITA [about the true nature of the SELF and GOD and the mysteries surrounding the COSMIC TIME CYCLE] will eventually be realised only by a MINISCULE group [out of the 7.5 billion people], GITA unlocks yet another MYSTERY in verse **7:19** [which still remains unexplored] that the present birth is the LAST ONE in the ongoing cosmic time cycle and this TRUTH is also grasped only by the RAREST OF RARE among the present day humankind evidenced by the words "**sah mahaatmaa sudurlabhah**".

The answer to the above fundamental question "WHAT TRULY CONSTITUTES GOD'S **SHRIMATH** REVEALED IN GITA?" is quite simple. The word **SHRIMATH** in the title of the SCRIPTURE represents the highest / holiest directions / advices of GOD to HIS unique creation [comprising of over 7.5 billion human beings including you and me] in **574** verses superscribed as "Shri

*Bhagavan Uvacha*". Hence, **SHRIMATH constitutes the true, accurate and complete spiritual knowledge and wisdom revealed by GOD in 574 verses beginning with "Shri Bhagavan Uvacha" in GITA and nothing else.** This truth revealed by GOD with absolute authority and abundant clarity must be noted by the TRUTH SEEKERS within the revelations in verses **7:3 / 7:19** discussed above.

**WHAT TRULY CONSTITUTES TATTVA?** TATTVA means TRUTH coupled with SOUND LOGIC and simple COMMON SENSE and by no means based on BLIND FAITH. Needless to mention that GITA does not lend any support to the concept of BLIND FAITH. It is possible to come to grips with the TATTVA revealed by GOD in the verses depending on the exact meaning of the words that comprise the **574** verses and not through commentaries. The truth seekers must understand that no human being on this planet has the authority or the knowledge or the capacity to interpret GOD's language. No wonder, the interpreters [rejecting the TATTVA revealed by GOD in the verses] present an entirely different story from GITA to the present day humankind in general and Hindus in particular which by any means cannot be accepted as GITA revealed by GOD in the form of 574 verses captioned "Shri Bhagavan Uvacha".

Thus, there is no alternative path or means available to the present day humankind to realise the TATTVA revealed by GOD directly in Gita, not to speak of a belief system based entirely on BLIND FAITH and varying modes of interpretations. The true spiritual knowledge and wisdom revealed directly by GOD in GITA however, can easily be grasped on the basis of TATTVA [TRUTH] by diligent application of the two subtle faculties of MIND and INTELLECT specially gifted by GOD to HUMAN BEINGS alone from out of 84 lac living species [*Aren't we invariably utilising the two faculties even to decide petty issues of this mundane world?*].

THE **TATTVA GITA** PROJECT IS INTENDED PURELY TO SERVE THE ABOVE HIGHEST, HOLIEST AND NOBLEST OBJECTIVE AND NOTHING ELSE.

## **TIPS FOR UNDERSTANDING TATTVA IN GITA:**

In order to understand the ULTIMATE SPIRITUAL TRUTHS revealed by GOD through GITA, one must learn to deeply delve into each and every verse to churn out the **tattva** in Gita. We suggest the discerning right thinkers and truth seekers to buy one good GITA book for reference for cross checking. Highly subsidised books are available in GITA PRESS [Gorakhpur] book stalls. For those whose mother tongue is TELUGU, they can buy book no. **772** which discusses every verse under four heads [*actual verse, method of pronouncing the verse, word-to-word meanings and the essence conveyed by the verse*]. For those who wish to understand GITA in HINDI language, they need to buy two books [**17 & 502**] to find the above details. All others may buy books in their preferred language or the English version containing the above details from GITA PRESS book stalls.

**GUIDELINES FOR SHARING THE GITA EPISODES TO NEAR AND DEAR:** All are free to share the episodes but with two conditions, firstly the contents should not be edited and secondly, the episodes should be shared sequentially [starting from EPISODE ONE], one episode at a time for better appreciation of the subject as the TATTVA in GITA is being discussed TOPIC-WISE and not chapter / verse – wise as commonly found in GITA books.

In this connection, we draw the attention of our readers, particularly the discerning right thinkers and truth seekers amongst them to two verses [**18:68-69**] which highlight the benefits of sharing GITA mysteries to the ignorant humankind.

The true import of the above TWO verses is as follows:

**18:68** *"Endowed with deep faith in ME, those who pass on these DEEP SECRETS [PARAMAM GUHYAM] to MY DEVOTEES are very DEAR to ME".*

**18:69** *"There is NO DOUBT in this assertion of MINE"; NO OTHER PERSON shall do a more pleasing service to ME and no one on this planet shall be more DEAR to ME than the one who shares the deep mysteries with the ignorant humankind".*

**Now, what are you waiting for?** Lots of DIVINE BLESSINGS are in store for you. Please share the highest DIVINE SECRETS to your near and dear ones who are ignorant of the ultimate spiritual truths about SELF, GOD and COSMIC TIME CYCLE. Such new members may also be recommended for joining the TATTVA GITA WhatsApp group by sharing their contact details directly on WhatsApp no. **7702789592**.

**UNIQUENESS OF GITA** : SHRIMAD BHAGAVAD GITA is the highest and the holiest of all religious or spiritual scriptures that are available to the humankind on this planet at the present juncture. In every episode, we will be discussing the "UNIQUENESS" of Gita from different dimensions to enable the RIGHT THINKERS / TRUTH SEEKERS to realise the ultimate SPIRITUAL truths taught directly by GOD in the form of 574 verses titled "*Shri Bhagavan Uvacha*" in Gita. This helps to make their lives constantly blissful, peaceful, loveful, powerful, knowledgeable, healthy and DIVINE. The emphasis is on the word "*constantly*" which is missing now a days.

In this episode, we will focus our discussions on the eminence or prominence of GITA over all other religious scriptures that exist on this planet.

The following important aspects shed light on the **UNIQUENESS** of **GITA** vis-à-vis other religious scriptures, ignored by the present day humanity in general and Hindus in particular despite their faithfulness to Gita as their religious scripture.

(i) On the positive side one must realise the truth that GITA is the only scripture in this world which is *well known, widely read, reverentially recited, largely spoken, variously commented, interestingly translated, carefully published and intellectually interpreted* of all the religious / spiritual scriptures, be of any religion, available on this planet. However, on the negative side, SHRIMAD BHAGAVAD GITA is the only scripture where direct revelations by GOD in the form of 574 verses with the prefix "*Shri Bhagavan Uvacha*" are

grossly undermined and entirely diluted due to **MIS-INTERPRETATION** of the revelations.

(ii) There is no scripture on this planet other than GITA which encompasses the entire humankind comprising of over 7.5 billion human beings dwelling on the planet at the present time, irrespective of their caste, creed, varna, colour, sex, age, language, nationality, region or even RELIGION [*Gita being universal scripture, reckoning the same as scripture of just one religion without adducing any cogent reasons is a **mountainous historical blunder***]. GITA is the only scripture which provides 'down to earth' practical solutions to all the present day problems faced by the entire humankind both at the individual and the global levels and not of just Hindus.

(iii) There are proofs in abundance in history that GITA teachings made a deep and positive impact in the lives of many eminent personalities [*like Mahatma Gandhi, Balagangadhara Tilak, Rabindranath Tagore, Ramakrishna Paramahansa, Swamy Vivekananda, APJ Abdul Kalam etc.*] as acknowledged by them openly.

(iv) Of all the religious or spiritual scriptures on this planet, only GITA is eulogised as "Sarva Sastra Mayi Siromani" meaning the MOTHER and the CREST JEWEL of all the religious scriptures proving that every other religious scripture on this planet is the offshoot of GITA. Hence, GITA is worshipped as GITA MAATHA by installing a DEVI [DEITY] statue in thousands of unique temples designated as GITA MANDIRS found all over the country [*Such an honour is not conferred on any other religious scripture*].

(v) GITA is the only scripture which reveals with authority and clarity the true, accurate and complete KNOWLEDGE on ONENESS of HUMANKIND and ONENESS of GOD. No wonder, the divine slogans of "*Universal Brotherhood*" and "*Vasudhaiva Kutumbakam*" emerge only from GITA.

(vi) Gita revelations entirely focus on character building, imbibing of divine VIRTUES and powers and on complete cleansing of VICIES. The universally accepted slogans [*"If*

*character is lost everything is lost; if health is lost something is lost; and if wealth is lost nothing is lost”] are reflections of GITA.*

(vii) There is no religious scripture on this planet, be of any religion, except GITA which contains the word “GOD” in the very title of the scripture itself viz. SHRIMAD **BHAGAVAD** GITA.

(viii) Have we ever known BIRTHDAY of a RELIGIOUS SCRIPTURE [*be of any religion*] being celebrated? The exception again is GITA. Every year on a specified predetermined day, the BIRTHDAY of GITA scripture is celebrated on a grand scale as **GITA JAYANTI**, particularly in India. In the year 2020, it was celebrated on CHRISTMAS DAY [25<sup>th</sup> December] and in 2021, it will occur on **14<sup>th</sup> December 2021**.

### **An Ounce of Practice is Superior To a Ton Of Theory**

(ix) GITA is the only scripture whose teachings are meant for practical application to uplift the day to day lives of the humankind towards positivity [**3:21, 3:31/32; 4:40, 9:2**] and not for limiting merely to reading, reciting or listening to the verses, more annoyingly playing the audios at the events of death of one’s near and dear.

(x) Another most important uniqueness is that only the revelations in GITA have the power to awaken the TWO subtle faculties of MIND and INTELLECT [*uniquely conferred by GOD on human beings from out of 84 lac living species dwelling on this planet at the present juncture*]. However, the concept of BLIND FAITH is the direct result of the failure of the humanity at the present juncture to ignite the faculties [mind / intellect] which in spiritual parlance are described as “MANO-NETRA, BUDDHI-NETRA, JNAANA-NETRA, AATMA-NETRA or the THIRD EYE [*of DIVINE WISDOM*]”.

(xi) Study of GITA answers the fundamental QUESTION “**Who am I?**” totally based entirely on TRUTH. Significantly, this truth is observed even in the present day religious scriptures. For eg. “*Know Thyself; Love Thy Neighbour as Thyself*”

**[Bible]**, "Khud Ko Jaano – Khuda Ko Jaan Sakte" **[Quran]**, "Self-Realisation Leads To God-Realisation" **[Hindus]** etc.

(xii) LAST BUT NOT THE LEAST, we are aware that all the problems faced by the humankind at the present juncture are attributable to tensions, stresses or pressures and distractions concerning MIND. Everyone irrespective of the religious faith refers to PEACE OF **MIND** and never talk of PEACE OF BODY. We are aware of W.H.O. definition on PERFECT HEALTH [not just physical wellbeing but predominantly of psychological, SPIRITUAL and social wellbeing]. The medical experts attribute more than 70-80% of the present day chronic ailments [like diabetes, high BP, cancer, heart attacks, brain strokes, kidney failure etc.] as directly related to the STRESS of the MIND and hence call such diseases as entirely **PSYCHO-SOMATIC**. In the present day world, DEPRESSION [100% linked to weak **MENTAL** state] has become a pandemic and reckoned as the second biggest health hazard next to heart disease in the world. Our country stands **FIRST** in the number of depression cases.

### **Gita Is 'Cure-all' For Mental Ills**

Now, the fundamental question that arises in the minds at least of the discerning right thinkers and truth seekers is "Is there any religious scripture on this planet at the present juncture which empowers the **MIND** towards positivity and provide **ONE STOP SOLUTION** to the present day humanity to get rid of their problems in toto that result from a poor **MENTAL** condition"? There is no scripture which addresses this problem of the present day humankind, be of any religion except "**SHRIMAD BHAGAVAD GITA**".

The entire focus of GITA teachings is to instil positivity into the MINDS and INTELLECTS of the humankind. In fact, the essence of GITA is revealed by GOD just in three words "**MANN-MANAA-BHAVA**" [9:34 / 18:65]. There are at least **23** verses which speak of connecting to GOD through the MIND and not through the BODY [3:30; 5:26; 5:28; 6:10; 6:12; 6:14; 6:15; 6:18; 6:25; 7:30; 8:7; 8:8; 9:34; 10:9; 12:2; 12:7; 12:8; 12:9; 12:11; 12:14; 18:57; 18:58; 18:65].

No wonder, **GITA** in verse **12:14** declares with absolute authority and abundant clarity that '**of all the devotees, those who surrender their "MINDS and INTELLECTS" to GOD are most dear to HIM**".

How come only GITA is **UNIQUE** in so many respects? Can anyone guess? This is because only GITA contains the direct spoken words of **GOD** in the form of **574** verses with the prefix "**Shri Bhagavan Uvacha**" emphasising the existence of **ONE UNIVERSAL GOD** for the entire humanity.

The above fundamental TRUTH on **ONENESS OF GOD** for the entire humankind revealed by GOD in GITA is reaffirmed by powerful divine sayings in various religious scriptures as well. For eg. GOD is eulogised as the One Supreme Father and Mother by the words "**Tvameva Mataacha Pitaa Tvameva**" [HINDUS]; "**Heavenly GOD Father**" [CHRISTIANS]; "**Ek OMKAR**" [SIKHS]; "**ALLAH O' AKBAR**" [MUSLIMS] etc.

This is the **UNIQUENESS** or **PRE-EMINENCE** of **GITA** teachings.

**PRELUDE TO TATTVA GITA EPISODE NO.1:** Considering the importance of realising the TRUE SELF, we are commissioning the project **TATTVA GITA** with discussions on "*What truly constitutes the SELF*" under the title **SELF REALISATION** as TOPIC NO. 1. Let's begin our discussions with the first verse in chapter 13 [**Ksetra Ksetrajna Vibhaga Yoga**] in GITA.

The verse and the word-to-word meaning are as follows:

### **Bhagavad Gita Verse 1, Chapter 13**

**Kounteya ! fertile 'Field'**  
**Is this body 'called'**  
**One with its knowledge sound**  
**Is known as 'knower of Field'.**

*idam sareeram kaunteya kshetramityabhidheeyate |  
etadyo vetti tam prahuh kshetrajna iti tadvidah ||*

This visible perishable physical BODY is compared to a FIELD and the invisible, imperishable, eternal SOUL is described as the OWNER of the FIELD. One who realises this distinction is alone is designated as the KNOWER of the FIELD by those who have knowledge of BOTH based on TATTVA [TRUTH / LOGIC].

idam : this

sareeram : body

kaunteya : Arjuna

kshetram : field

iti : in this manner

abhidheeyate : described as

etat : it

yah : whoever

vetti : knows

tam : he

prahuh : is called as

kshetrajna : knower or owner of the field

iti : in this manner

tadvidah : by the knowers of truth of BOTH [of the body and soul]

## **SIMPLE AND LOGICAL EXPLANATION OF THE TATTVA REVEALED IN THE ABOVE VERSE:**

The entire humanity comprising over 7.5 billion human beings dwelling on this planet at the present juncture are endowed by GOD with two special and unique faculties viz. Mind and Intellect, the thinking and discriminating faculties which are invariably applied in every petty mundane activity in the present day materialistic world. It is amazing that the humankind has chosen to put them ON HOLD the matters relating to the SPIRITUAL awakening which is the KEY pre-requisite to realise higher spiritual truths viz. understanding the true SELF, the One Universal God, the Cosmic Time Cycle etc.

This important verse reveals the fundamental truth that the human beings comprise of two entities viz. the visible mortal BODY and the eternal SOUL. In callous IGNORANCE of this UNIVERSAL LAW, the present day humanity in general and Hindus in particular, reckon the visible perishable BODY as the true SELF instead of the eternal SOUL which in fact constitutes the true SELF. Besides, the eternal SOUL is the owner as well as controller of the perishable BODY.

Here, GOD is educating HIS human creation that those who have realised the true SELF by understanding the fundamental truth that BODY and OWNER of the BODY are two distinct entities are designated as the KNOWERS of TATTVA or TRUTH [*"tadvidah"*]. They describe the physical BODY as **kshetra** [FIELD] and the eternal SOUL as the **kshetrajna** [OWNER OF THE FIELD] and the one who realises this truth alone is called **kshetrajna**. As owner of the FIELD always says *"this is my field"* and not *"I am the field"*, the knower of TATTVA [TRUTH] also says *"this BODY is mine"* and not *"I am the BODY"*. We always speak *"my BODY is aching"*; *"my stomach is paining"*; *"stones in my kidneys"* etc. and not *"I am the BODY"*; *"I am the STOMACH"*; *"I am the KIDNEYS"* etc.

This verse reveals the fundamental truth [TATTVA] that both the BODY and the SOUL [the owner of the BODY] are two independent entities. The SOUL is the owner of the BODY.

We can give any number of examples to evidence the independent status of both the entities.

The SOUL is the DIAMOND while the BODY is the external box.

The SOUL is the BIRD while the BODY is the cage.

The SOUL is the invisible ELECTRICITY while the BODY is the visible external plastic covering.

The SOUL is the driver while the BODY is the CAR.

The SOUL is the SIM while the BODY is the MOBILE.

The SOUL is the DEITY installed in the temple while the BODY is the temple premises.

The SOUL is the SOFTWARE while the BODY is the HARDWARE.

The SOUL is the resident in the house while the BODY is the HOUSE.

**In short SOUL is the Software, BODY is the Hardware.**

But, we forgot this fundamental truth and behave like "*I am the BODY*" **24/7** ignoring the true SELF which is the SOUL and not the BODY as assumed even by the intellectuals.

**THIS IS THE TAKEAWAY OR THE TATTVA REVEALED BY GOD IN THE ABOVE VERSE.**

In our long journey, in order to come to grips with the ESSENCE of GITA teachings revealed by GOD through 574 verses captioned "*Shri Bhagavan Uvacha*", we will take up another verse to reinforce the above TRUTH revealed in GITA with absolute authority and abundant clarity that the eternal SOUL and not the perishable BODY constitutes the TRUE SELF, in the next episode.

**TATTVA GITA TEAM**
