	<h3>Safety through Spiritual Life-Skills</h3> <p>A Road Safety Initiative of the Brahma Kumaris synchronized with the UN Decade of Action for Road Safety</p>
<p>There are not many roads, there is a single road that extends across the length and breadth of our vast planet. Each of us is responsible for a segment of that road. The road safety decisions that we make or do not make, ultimately have the power to affect the lives of people everywhere. We are one road – one world - Rochelle Sobel, President, Association for Safe International Road Travel, USA</p>	<p>The chance of dying in a road traffic crash depends on where you live</p>  <p>Road traffic fatalities per 100 000 population</p> <p>Source: Global status report on road safety 2013 www.who.int/violence_injury_prevention/road_safety_status</p>
<p>Spiritual Skill to practice today... EYE CONTACT: Roads are public places that allow for the co-existence of human beings. In order to anticipate the intentions and movements of others eye contact is necessary. In spiritual language this is called the vision of love. It is only a vision of love, a systemic vision, which allows one to take in the whole in a glance and to act responsibly. There is natural harmony in a loving connection.</p>	
<p>Positive Affirmations for today; read these thoughts slowly and <i>feel</i> the difference.</p>	<p>Cooperating for Safety ... along life's journey</p> <p>I am in the lap of Mother Earth All of us travelers are one family ... each one is gifted with different abilities When I cooperate with others I experience the richness of life ... I am rich enough ... I can surely give a little space ... a little patience ... an offer of help ... to fellow travelers who need it Some are tired ... some are sad ... some are worried ... some are just child-like Whenever I can ... I love to be of help ... With mutual help we can all be safe... let me take the first step..... Click here to listen and experience these affirmations through an audio track.</p>
<p>Video for today: Flicker Flicker traffic light.... Be a Savior to the boys....</p>	<p>Once upon a time in a faraway land, where people were happy, going to school was fun and crashes were very rare. Three friends came together with wonder in their heart, unity in their voice and a vision to work towards. Do you have a moment to hear it from them? Watch this video here</p>
