

LORD OF IMMORTALITY

What visions you must see! You who are not distracted by the small things in life that are to do with the body.

You who are not distracted by the small things in life that are to do with the body.

With no mouth to feed, no form to clothe, no shelter to find, it is as if your seeing must be simply a moving pattern of qualities.

It is as if your seeing must be simply a moving pattern of qualities.

When I see a mountain, what do you see? When I see a tree, what do you see? When I see a face what do you see? I should like to see with your eyes, to see the clear line between love and attraction, the difference between arrogance and intelligence. I should like to see to the depth of a person just as you do, to the heart of a scene as you do.

For that, I travel up and away from this house to which I call you. I find your perspective, your high position and look dawn on the earth from where you are. It is like standing on my head. It is easy. And to do it makes me strong because it stops me getting caught in the detail of my own life.

This also happens when I see disaster. Mass violence shakes me out of petty intensity. But I would prefer to sail towards the unlimited than be shocked into it.
