**PAGE 1****1**

Aarav and Ishwari were best friends.

**2**

Every evening they played in the beautiful garden near their home.

**3**

One day, while chasing butterflies, they noticed something unusual.

**4**

A tiny shining light floated gently under an old banyan tree.

PAGE 2

The light slowly
became brighter.

But it wasn't
hurting their eyes.

Instead...

They felt peaceful.

Happy.

Safe.

The little light softly said,

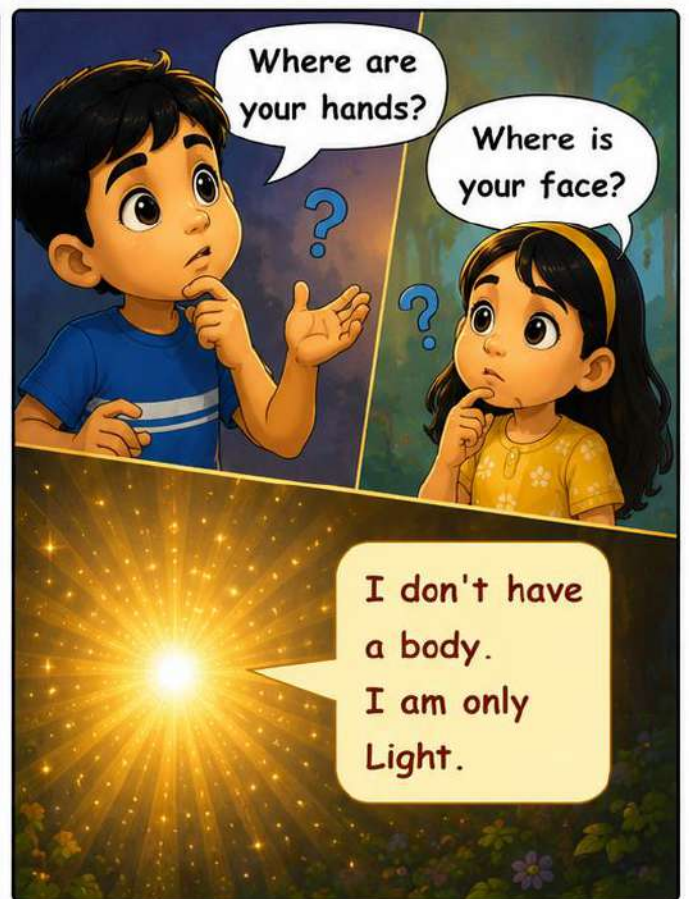

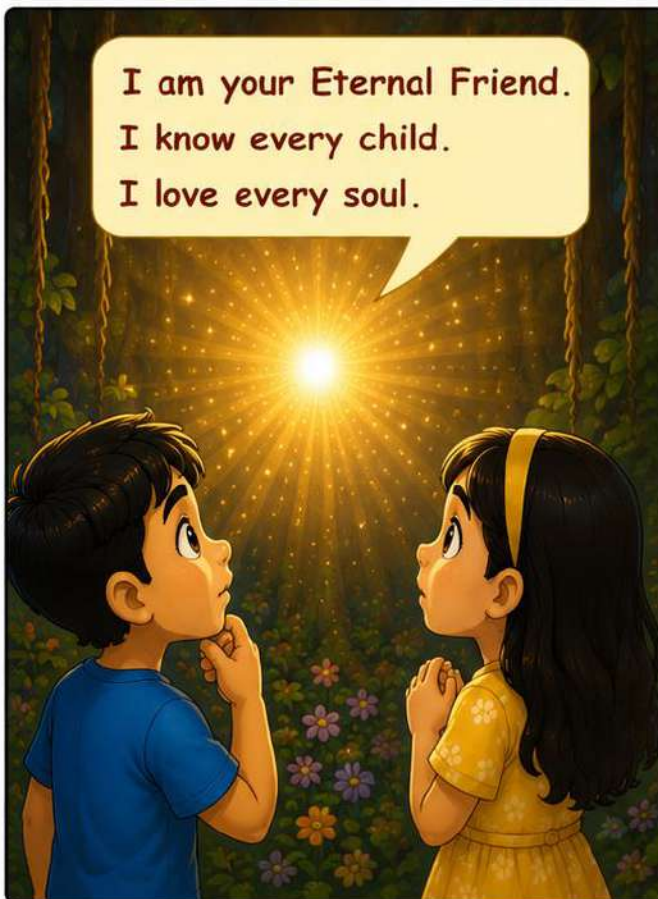

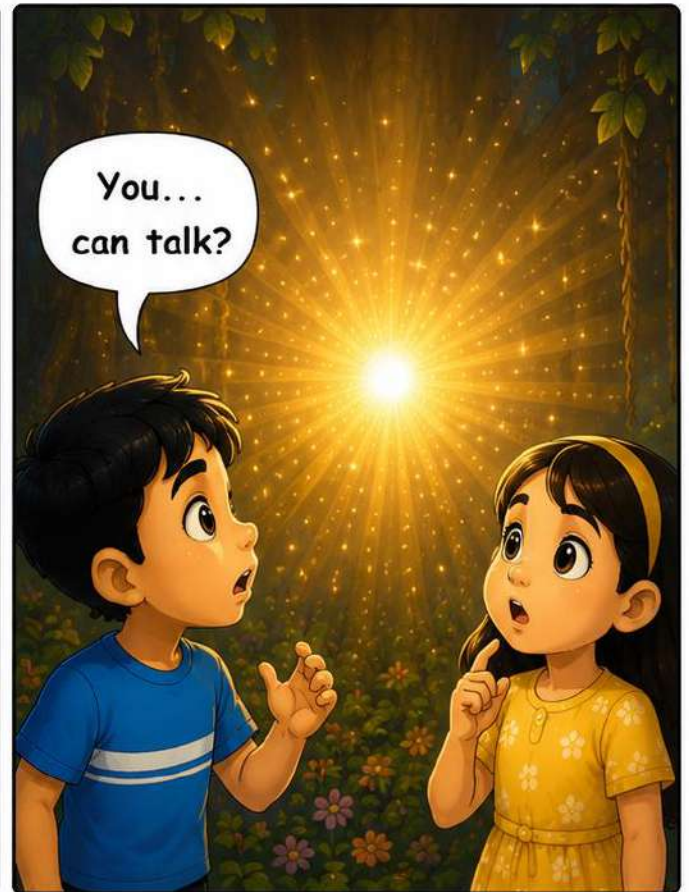

Hello, my
dear children.

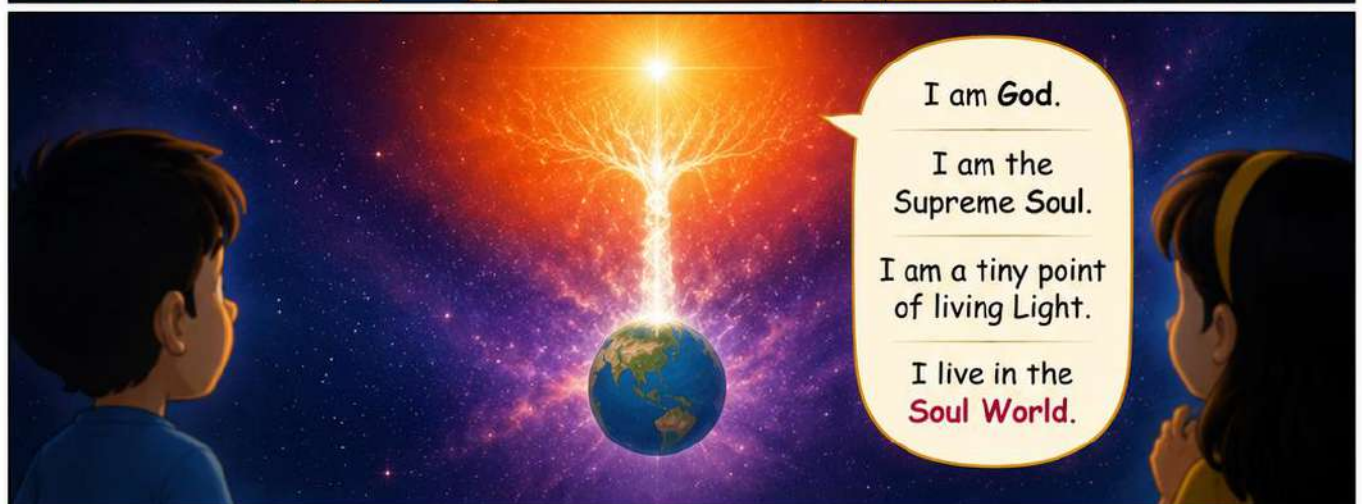

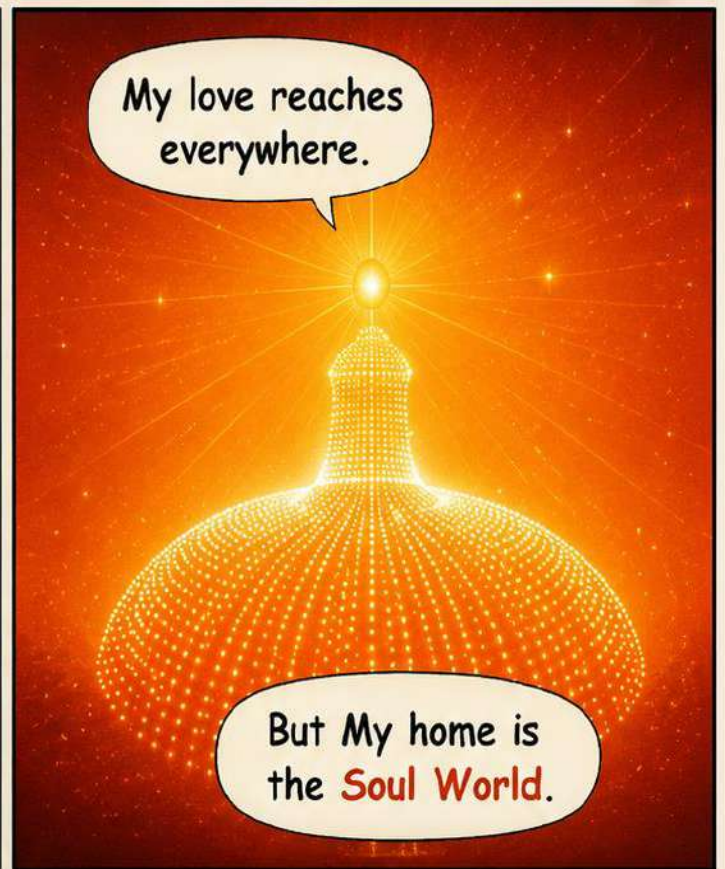

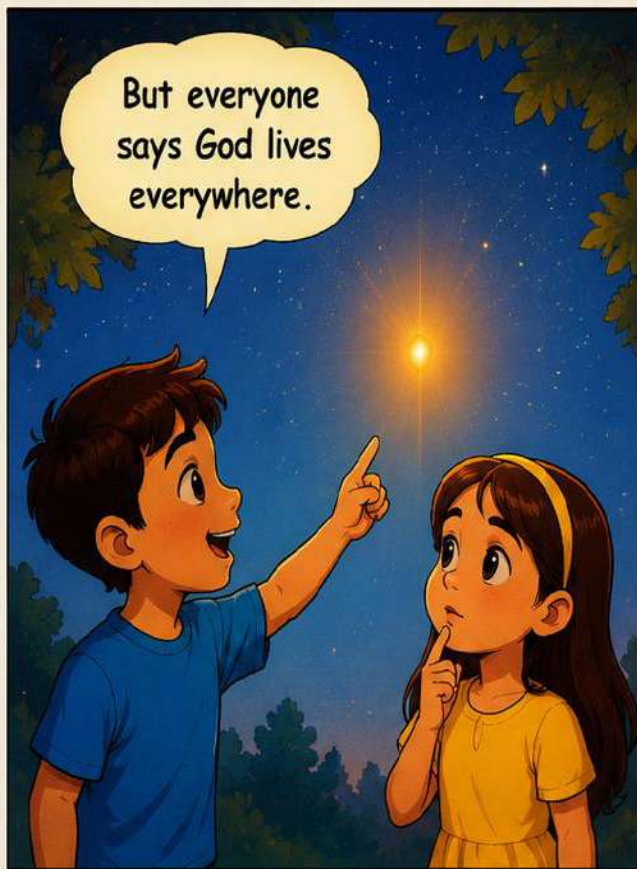

Both jumped
in surprise.

PAGE 3

**PAGE 6**

Both children looked at each other.

So...
If You are a **tiny light**...
What are **we**?

God smiled.

That is the **greatest question**.

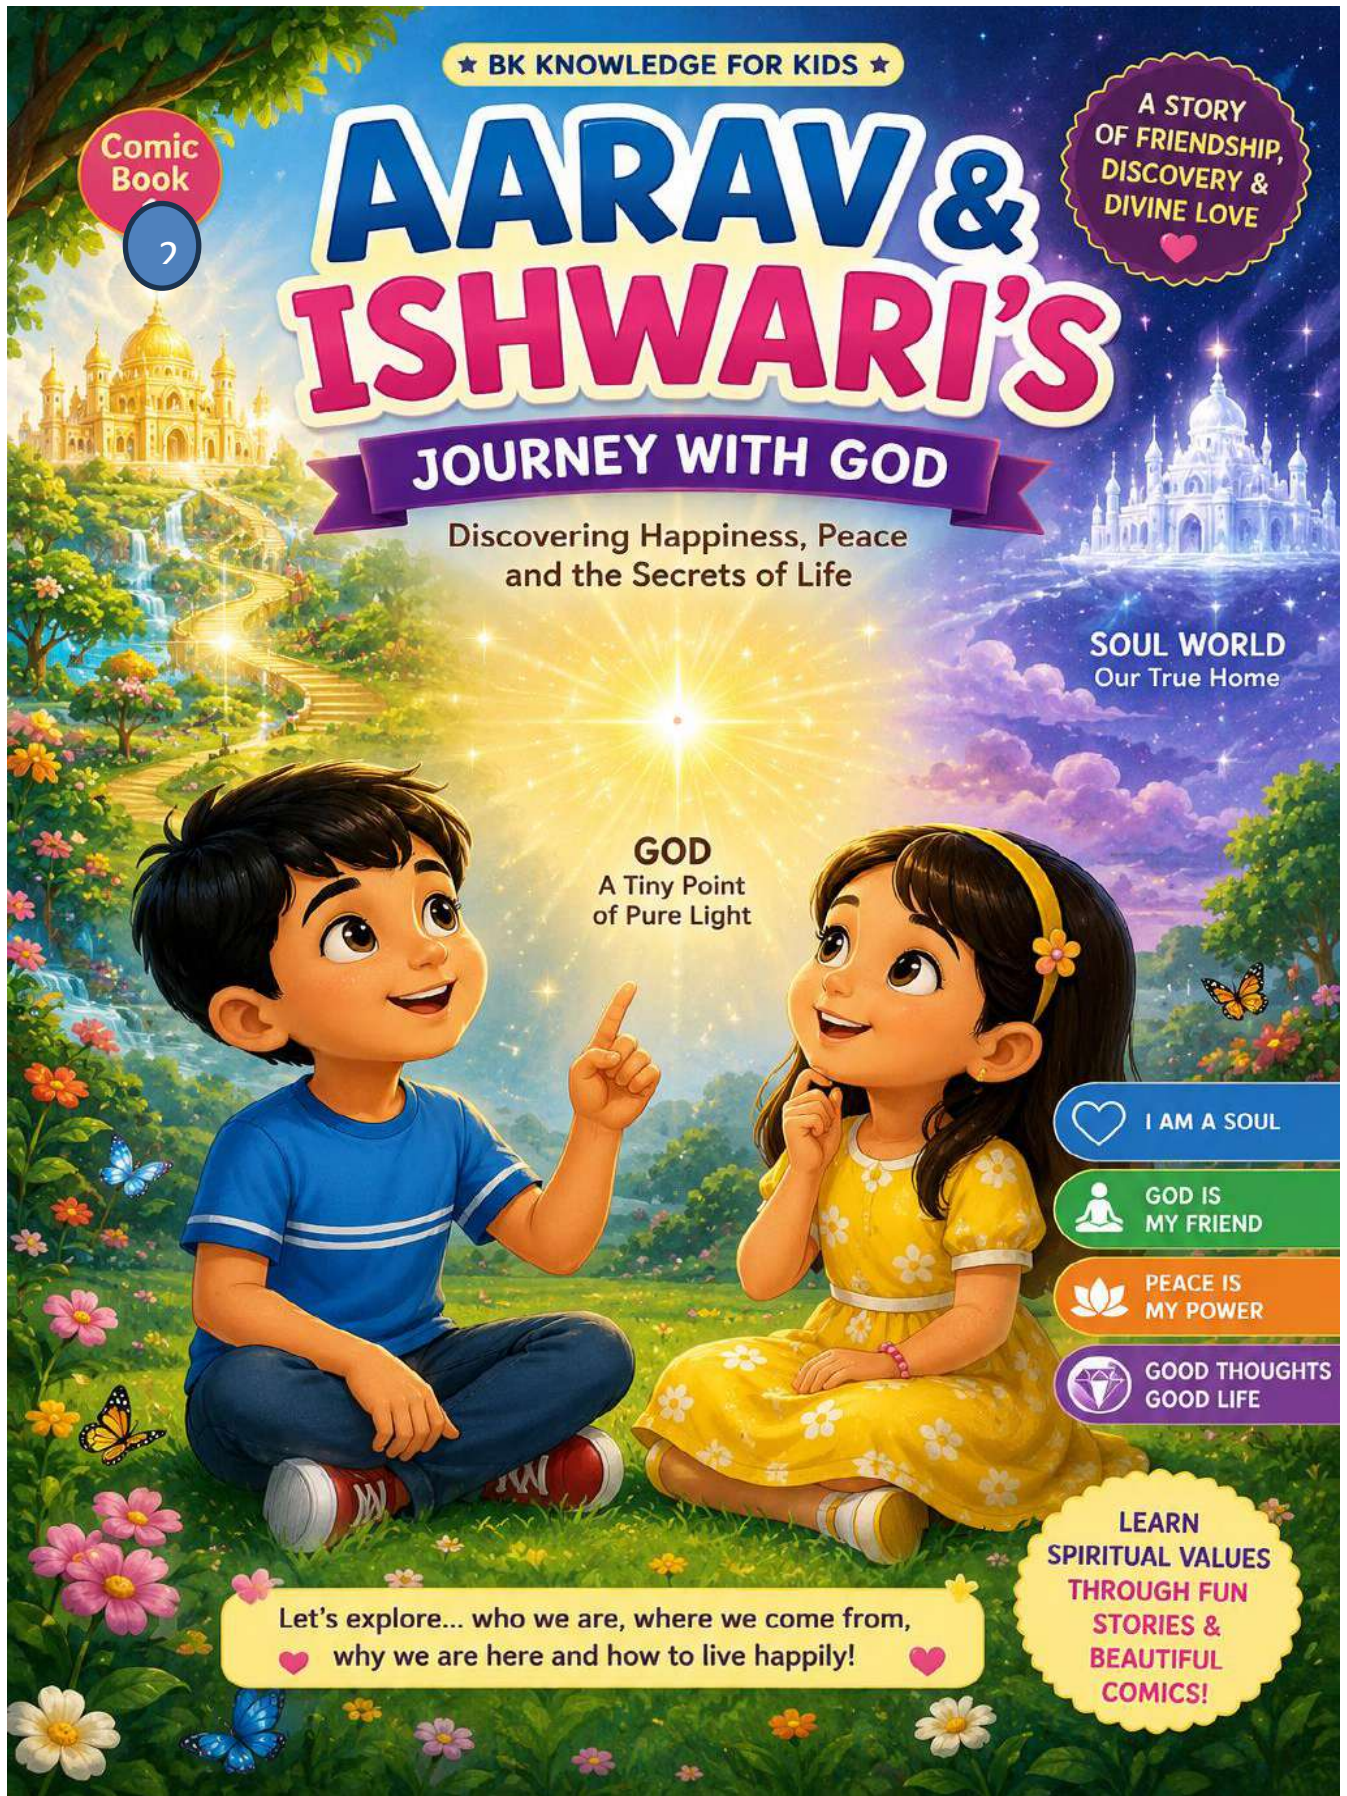

We shall discover it together...

...tomorrow.

The little light slowly disappeared.

Aarav and Ishwari couldn't wait for the next evening.

TO BE CONTINUED...

**PAGE 1**

The next evening,
Aarav and Ishwari hurried
back to the old banyan tree.

The tiny point of light
was already waiting
for them.

Welcome back,
my dear children.

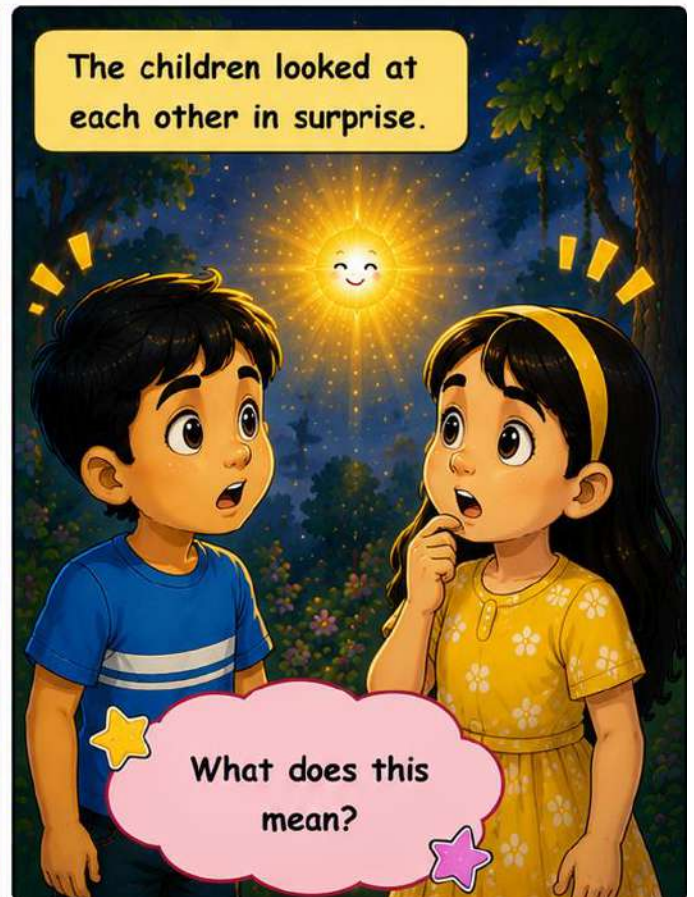

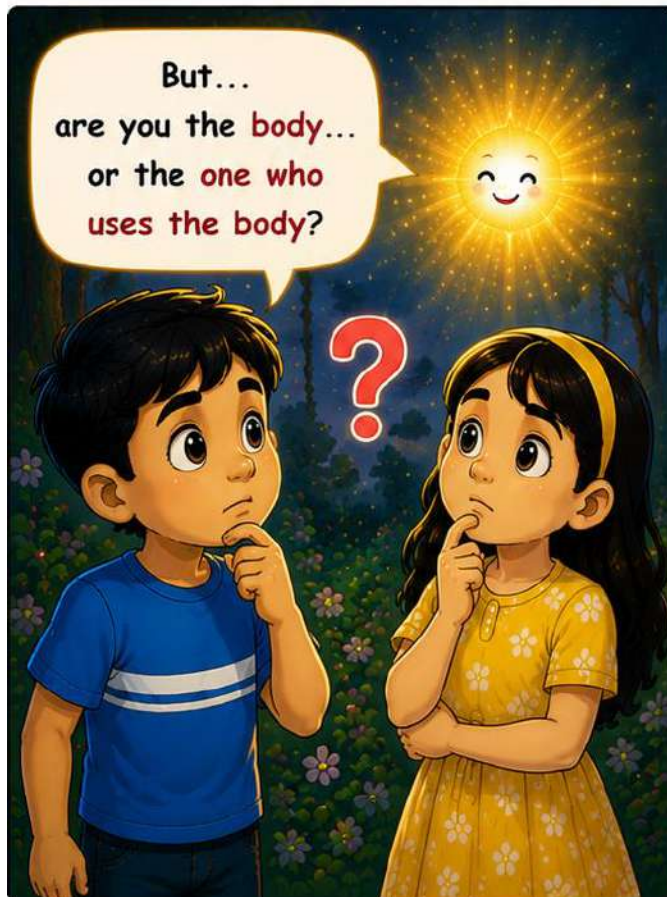

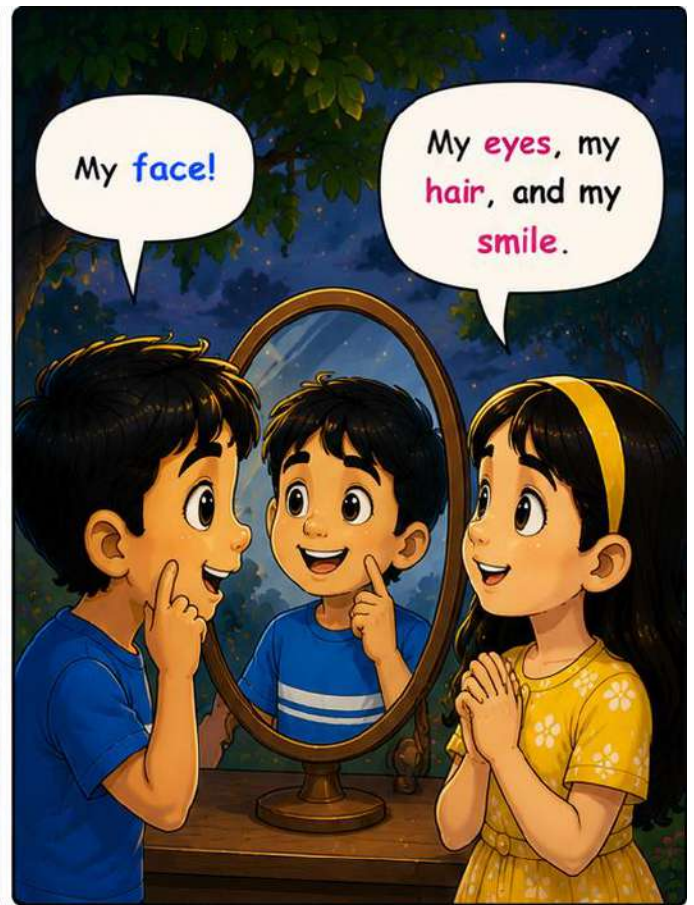

You promised
to tell us
who we
really are!

Today, you
will discover
your greatest
secret.

PAGE 2

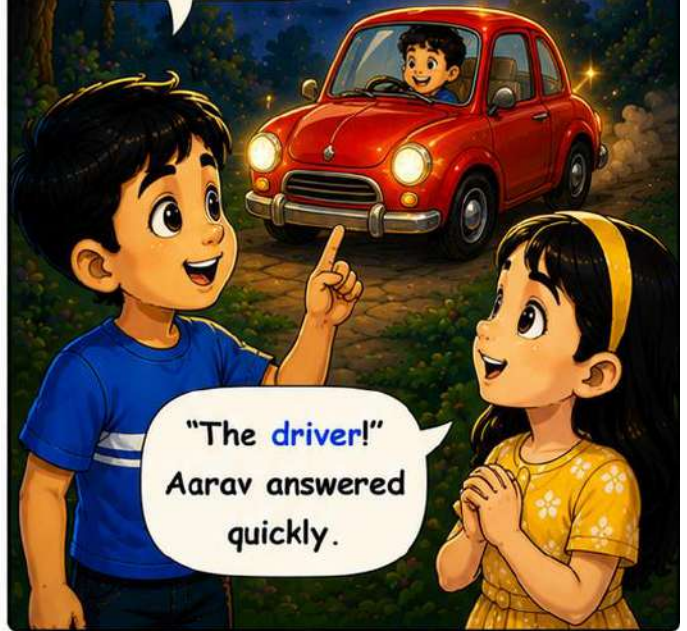

PAGE 3

A beautiful little car appeared like magic.

God asked,

"Who makes the **car** move?"

"The **driver**!"
Aarav answered quickly.

"The **car** cannot move by **itself**."

???

God smiled.

"In the same way... your **body** is like a **car**."

"And **YOU** are the **driver**."

**PAGE 4**

A tiny golden star of light appeared in the center of Aarav's forehead.

The same tiny light appeared in Ishwari's forehead.

"What is that?"
Ishwari whispered.

I am a **soul**, a tiny point of
living light.

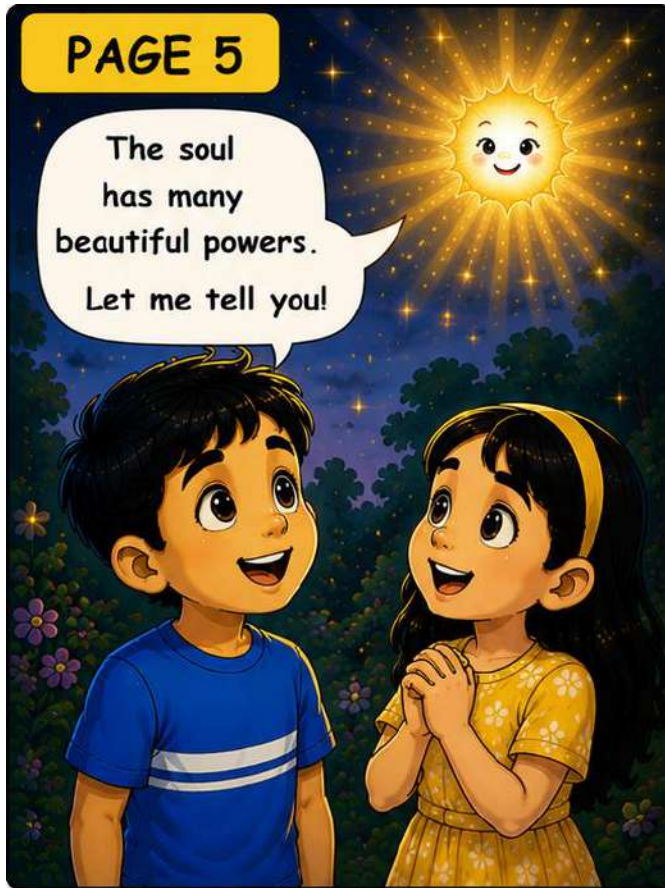

God replied,

That is **you**.
You are not the body.
You are a **soul**...
a tiny point of
living light.

**PAGE 5**

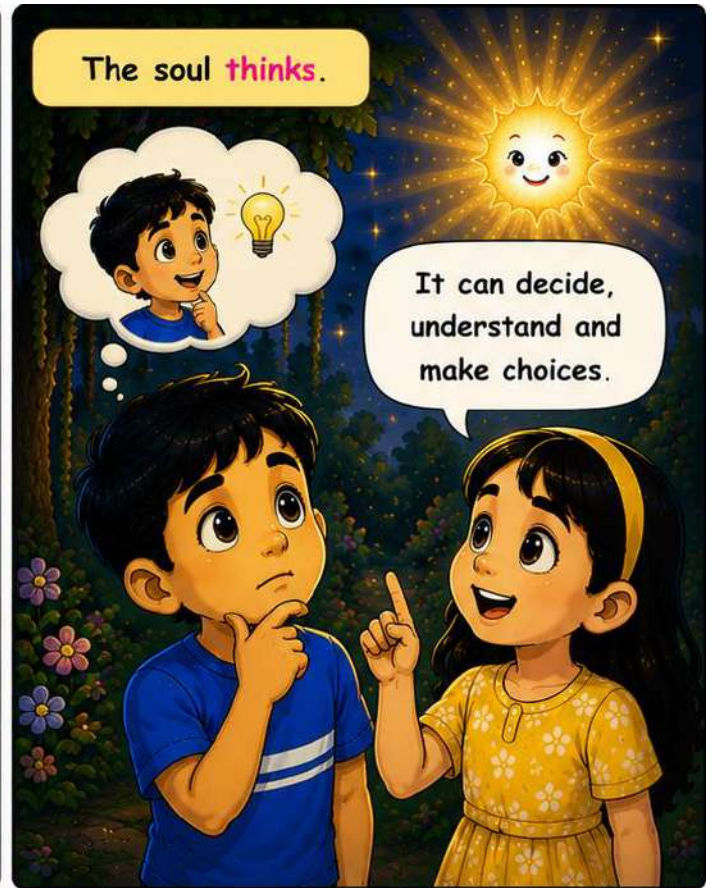

The soul
has many
beautiful powers.
Let me tell you!

The soul **thinks**.

It can decide,
understand and
make choices.

The soul **feels**.

It feels happiness,
love, sadness and
many emotions.

The soul **remembers**.

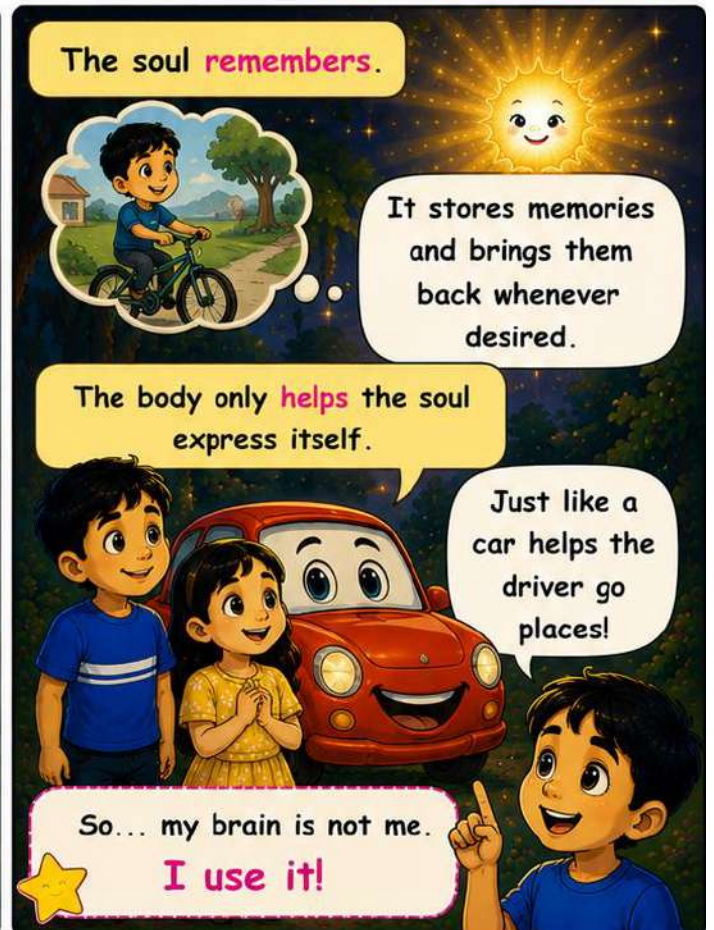

It stores memories
and brings them
back whenever
desired.

The body only **helps** the soul
express itself.

Just like a
car helps the
driver go
places!

So... my brain is not me.

I use it!

**PAGE 6**

The children closed their eyes and imagined themselves as tiny stars of light.

They felt peaceful... light... and happy.

God softly said,

"Whenever you remember that you are a soul... **peace** becomes natural."

Aarav smiled.

I finally **know** who I am.

Ishwari nodded.

And I want to **remember** this every day.

The tiny light **sparkled** brightly.

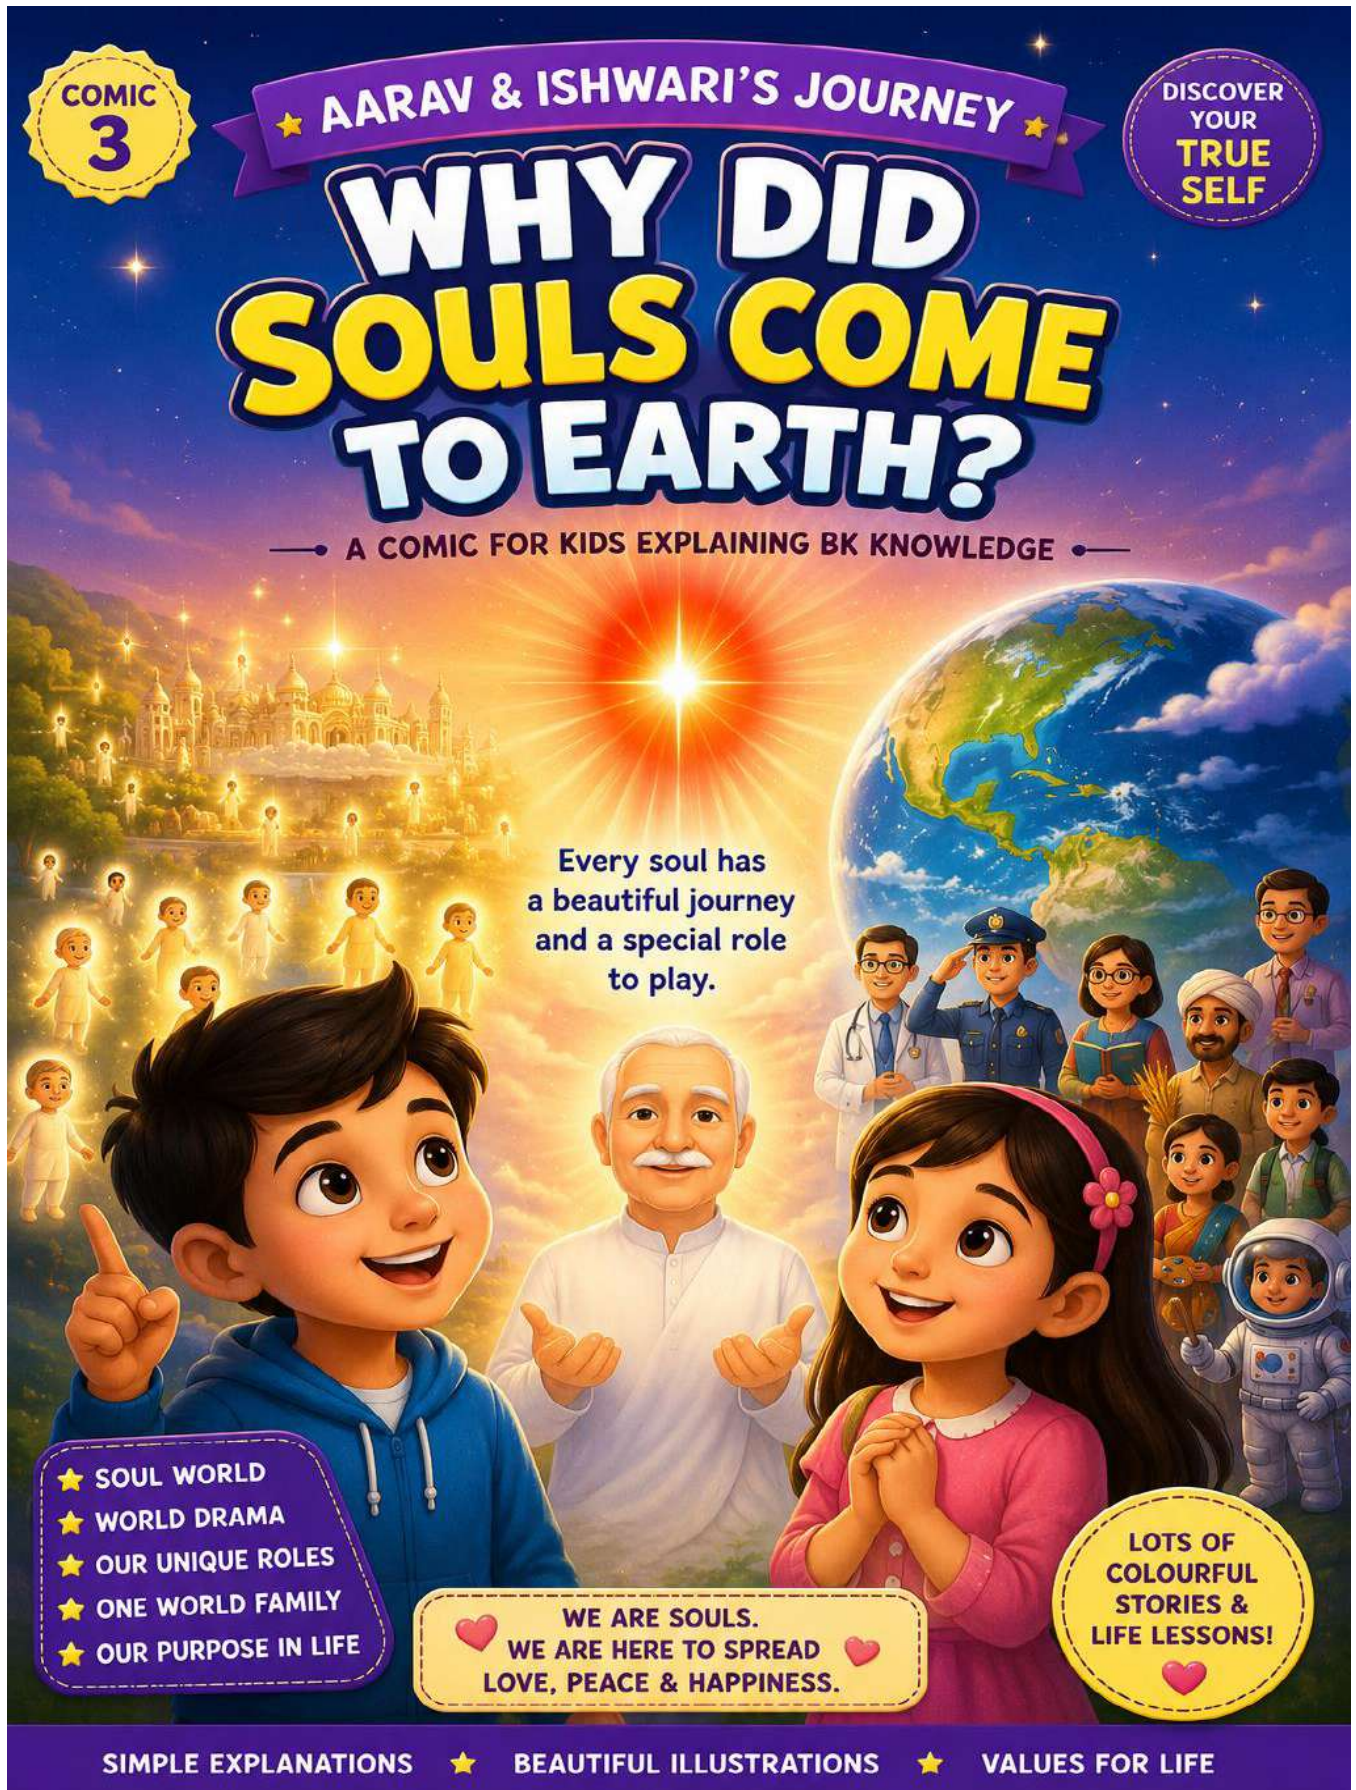

Tomorrow... I will tell you why souls come to Earth.

To Be Continued...

MORAL

The real "I" is the soul, not the body.

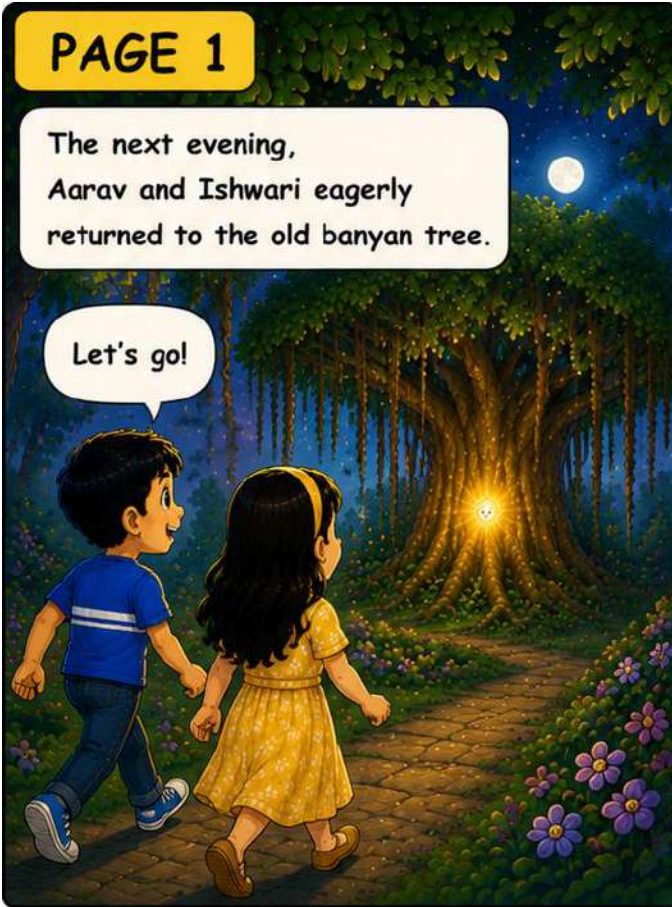

**PAGE 1**

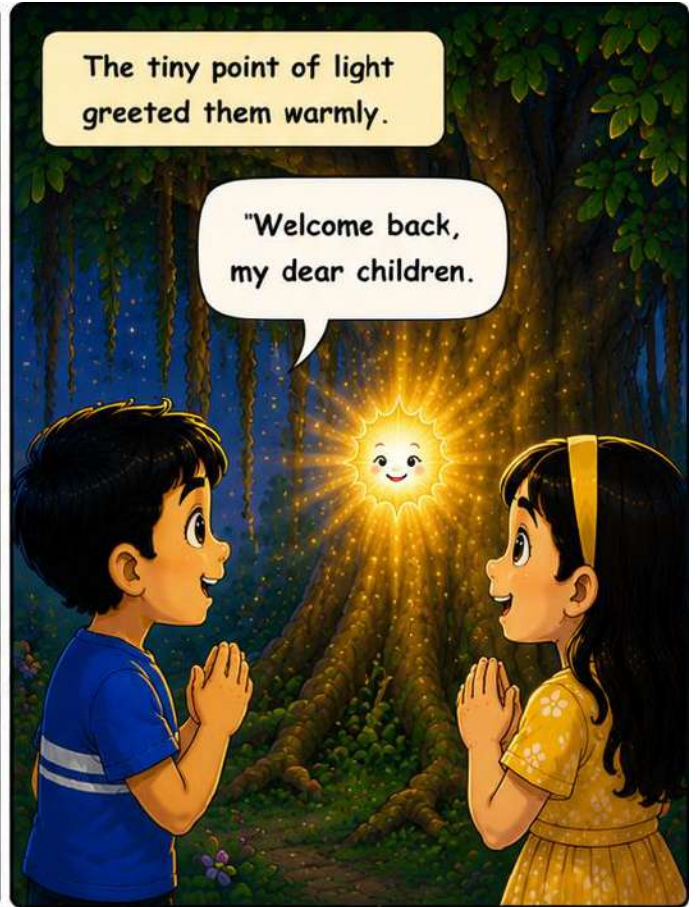

The next evening,
Aarav and Ishwari eagerly
returned to the old banyan tree.

Let's go!

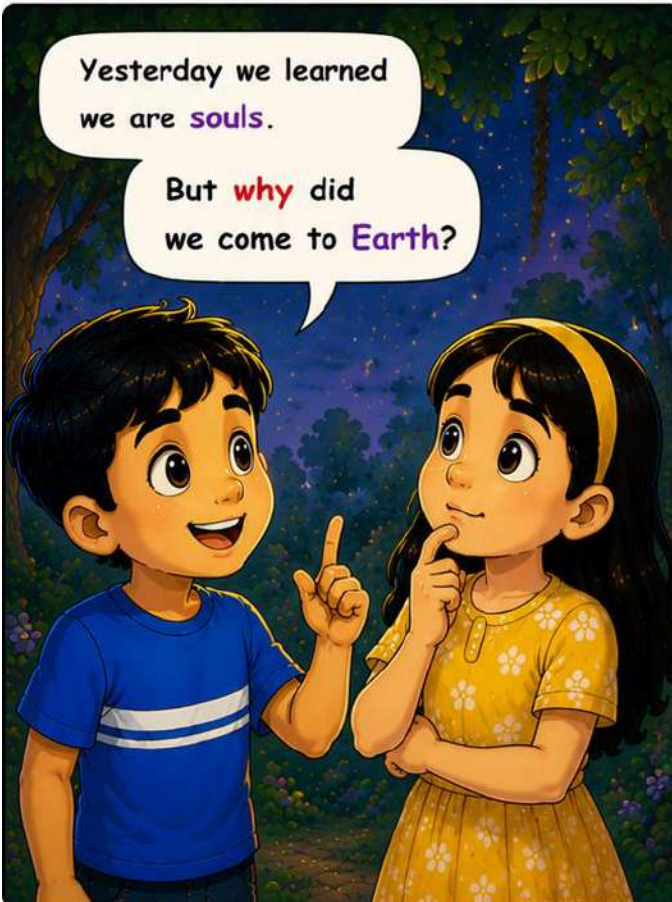

The tiny point of light
greeted them warmly.

"Welcome back,
my dear children.

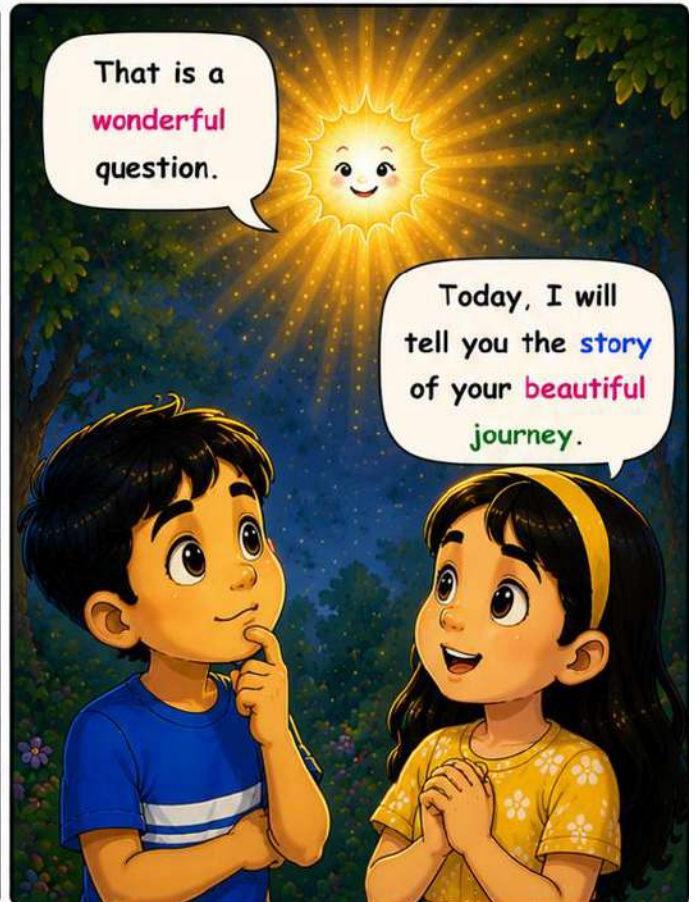

Yesterday we learned
we are **souls**.

But **why** did
we come to **Earth**?

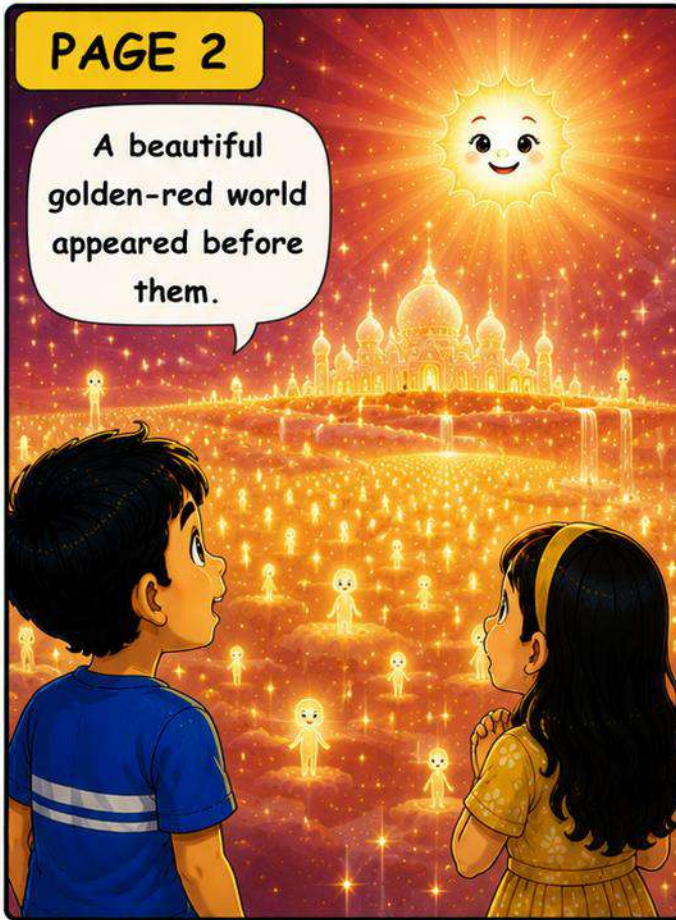

That is a
wonderful
question.

Today, I will
tell you the **story**
of your **beautiful**
journey.

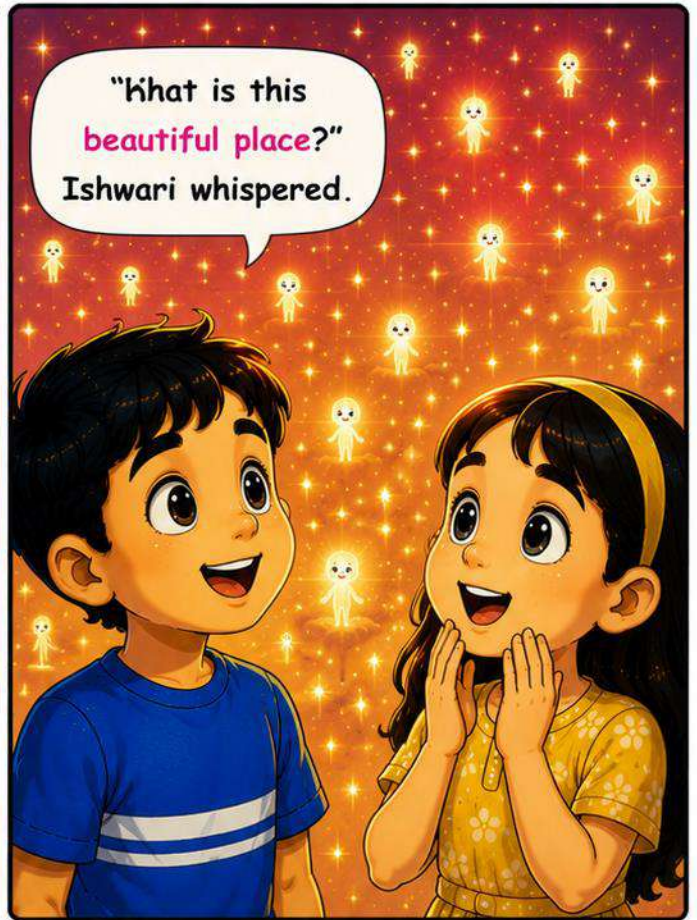

**PAGE 2**

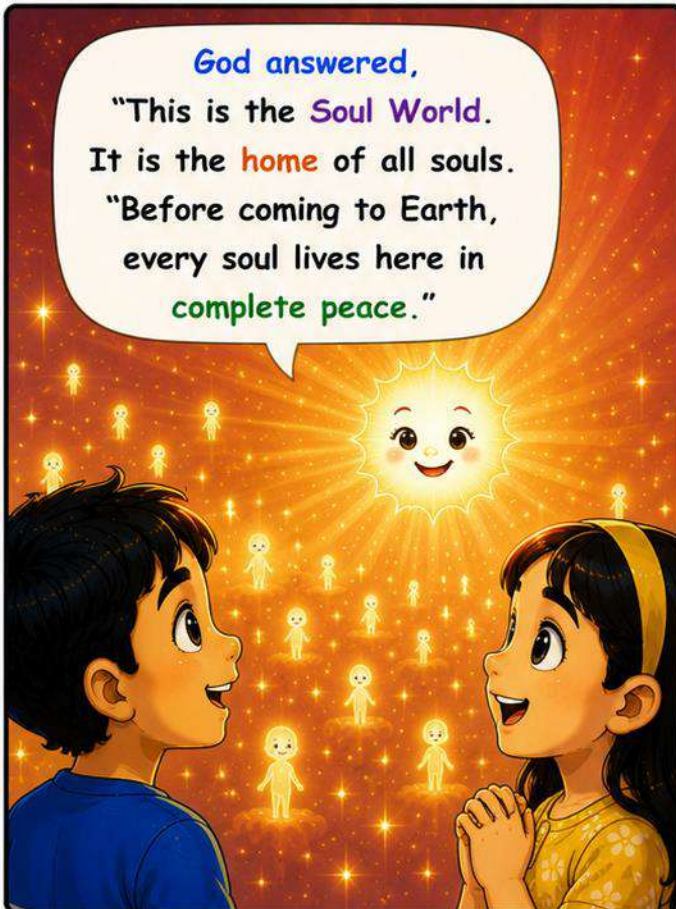

A beautiful golden-red world appeared before them.

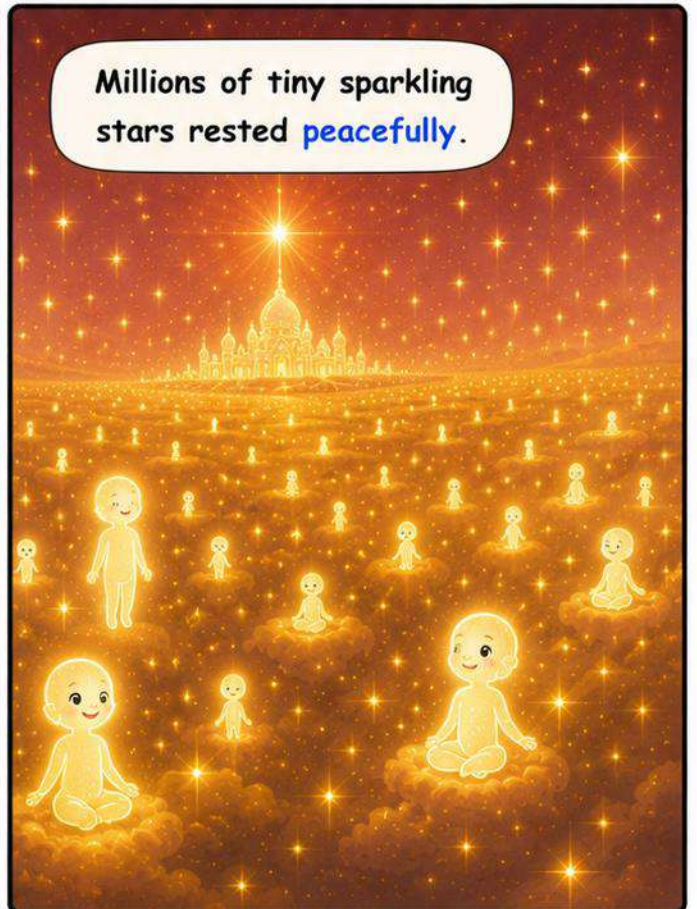

"What is this beautiful place?"
Ishwari whispered.

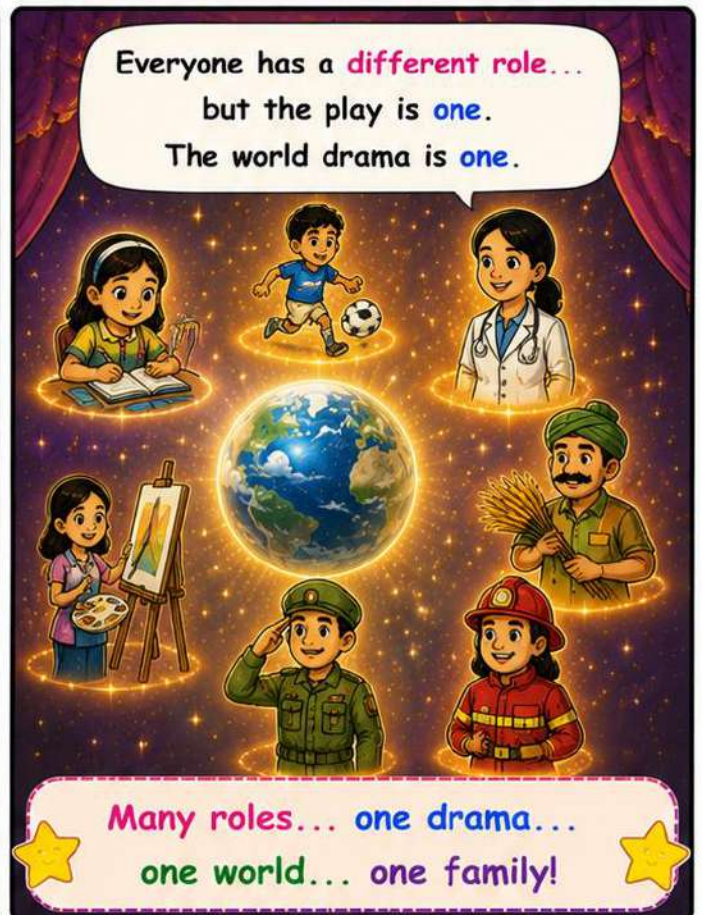

God answered,
"This is the Soul World.
It is the home of all souls.
"Before coming to Earth,
every soul lives here in
complete peace."

Millions of tiny sparkling stars rested peacefully.

PAGE 4

The children saw
different people
across the world.

A baby.

A teacher.

A doctor.

A farmer.

An artist.

A scientist.

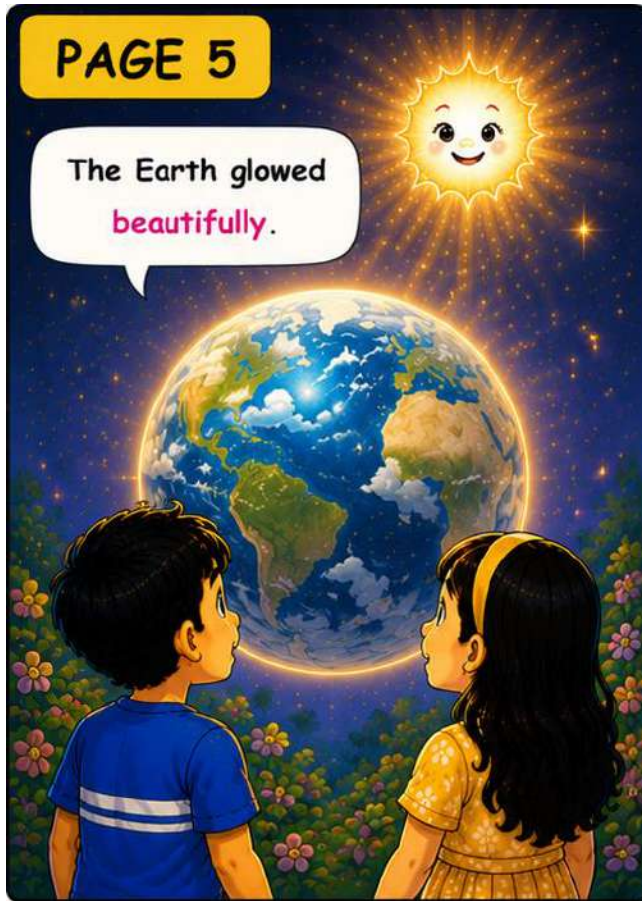

Just as actors wear
different costumes....
souls take different bodies.

But inside...
every one
is a soul.

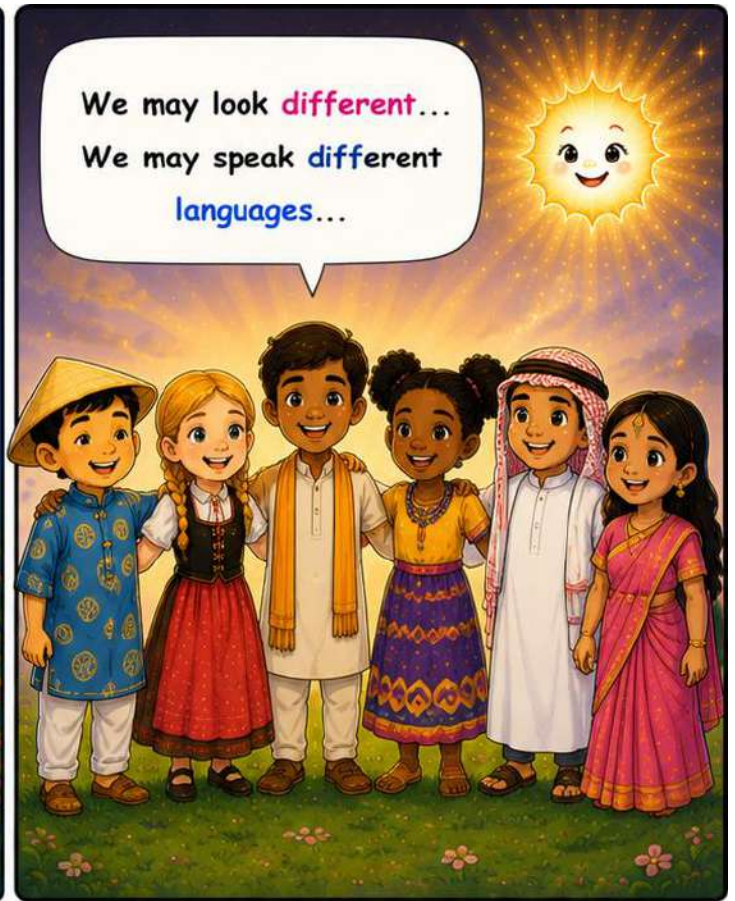

PAGE 5

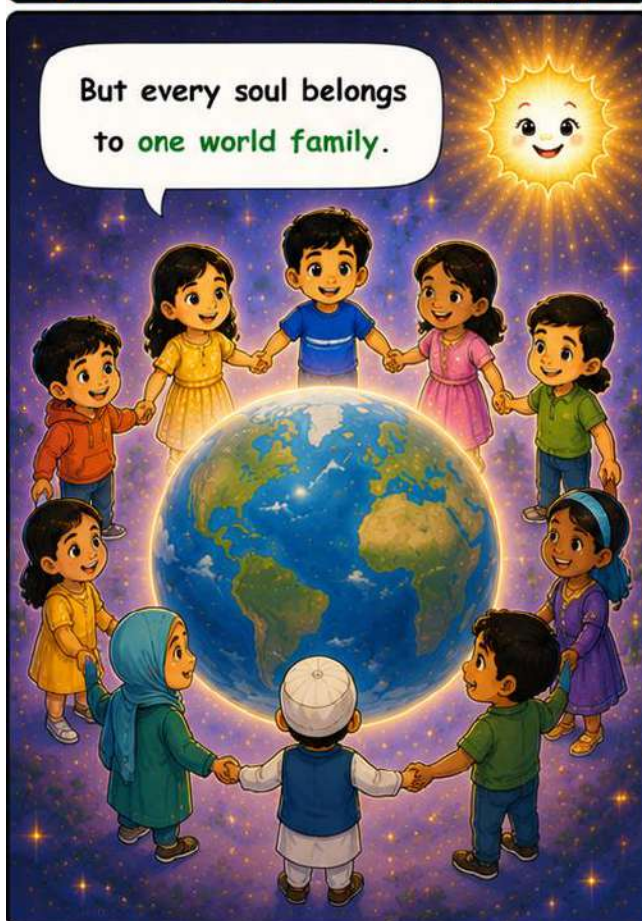

The Earth glowed
beautifully.

We may look **different**...
We may speak **different**
languages...

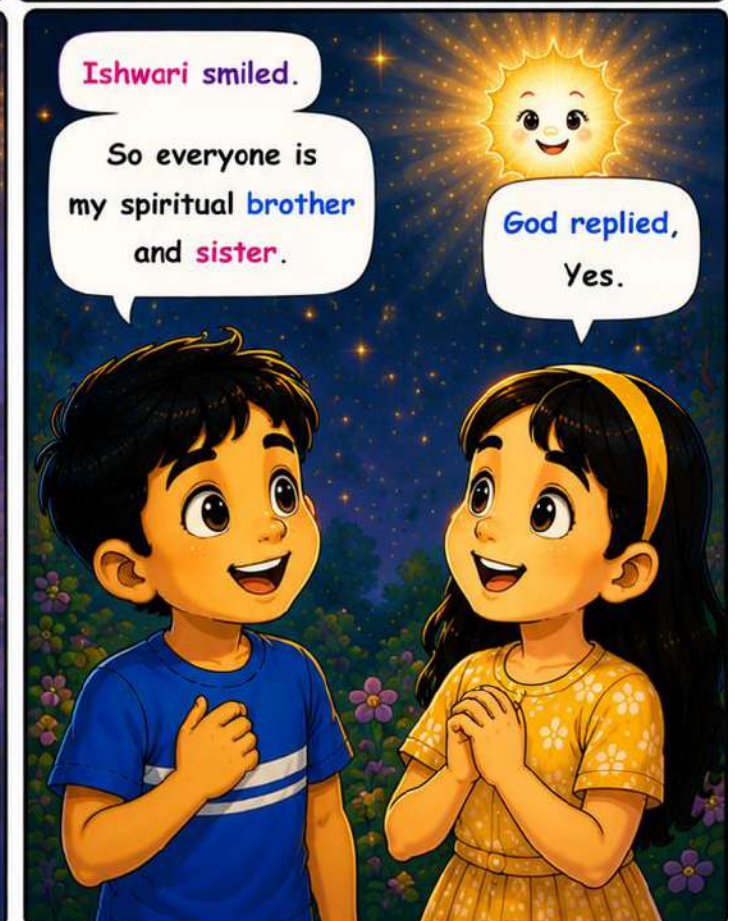

But every soul belongs
to **one world family**.

Ishwari smiled.

So everyone is
my spiritual **brother**
and **sister**.

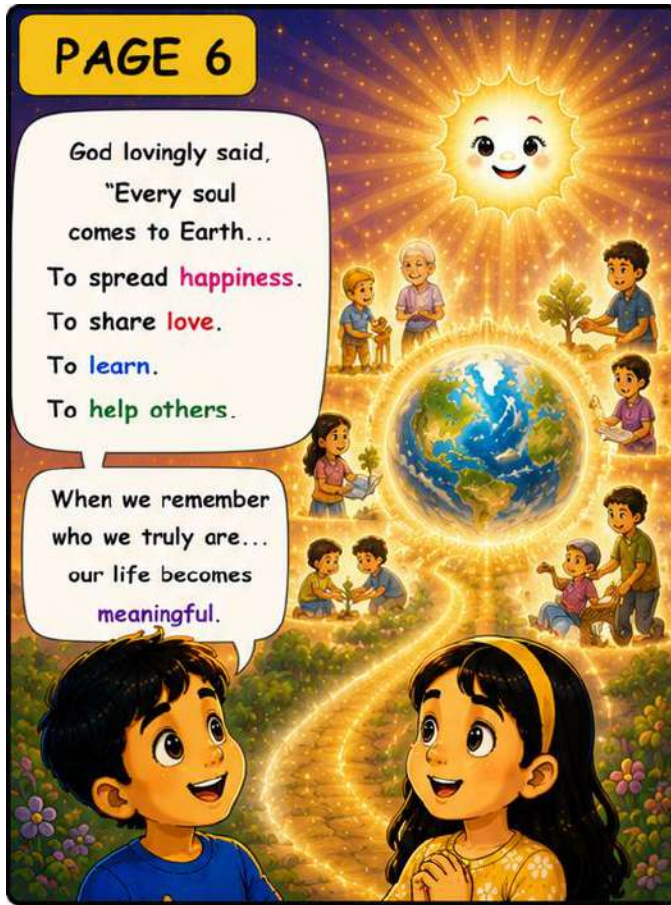

God replied,
Yes.

**PAGE 6**

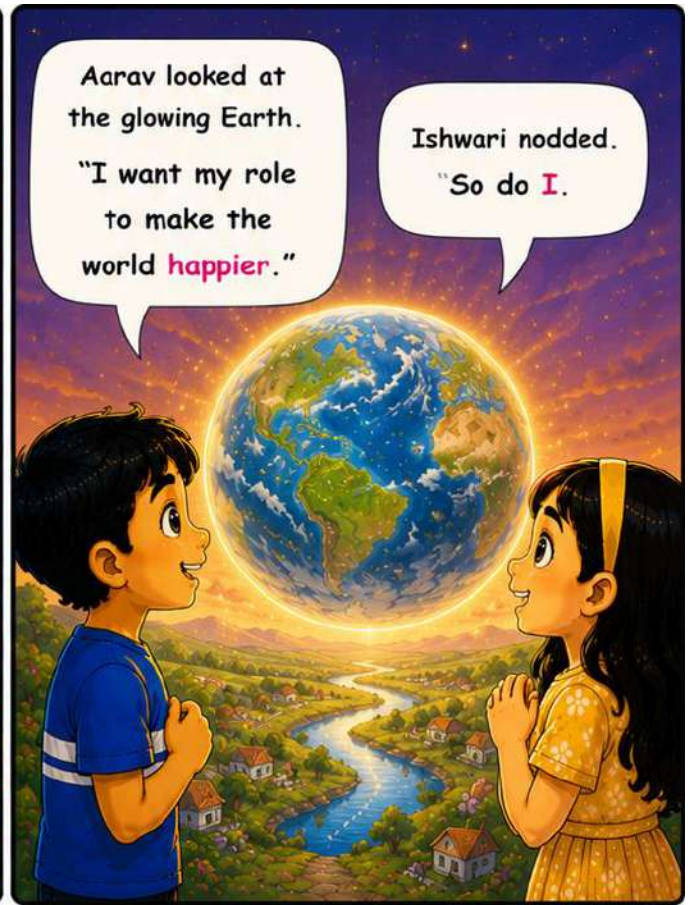

God lovingly said,
"Every soul
comes to Earth...
To spread **happiness**.
To share **love**.
To **learn**.
To **help others**.

When we remember
who we truly are...
our life becomes
meaningful.

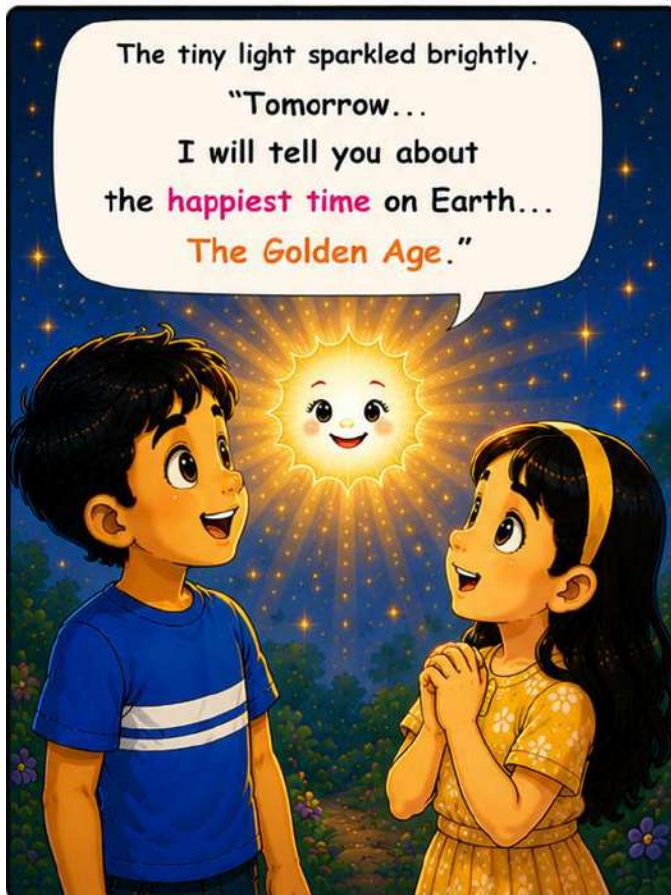

Aarav looked at
the glowing Earth.
"I want my role
to make the
world **happier**."

Ishwari nodded.
"So do **I**."

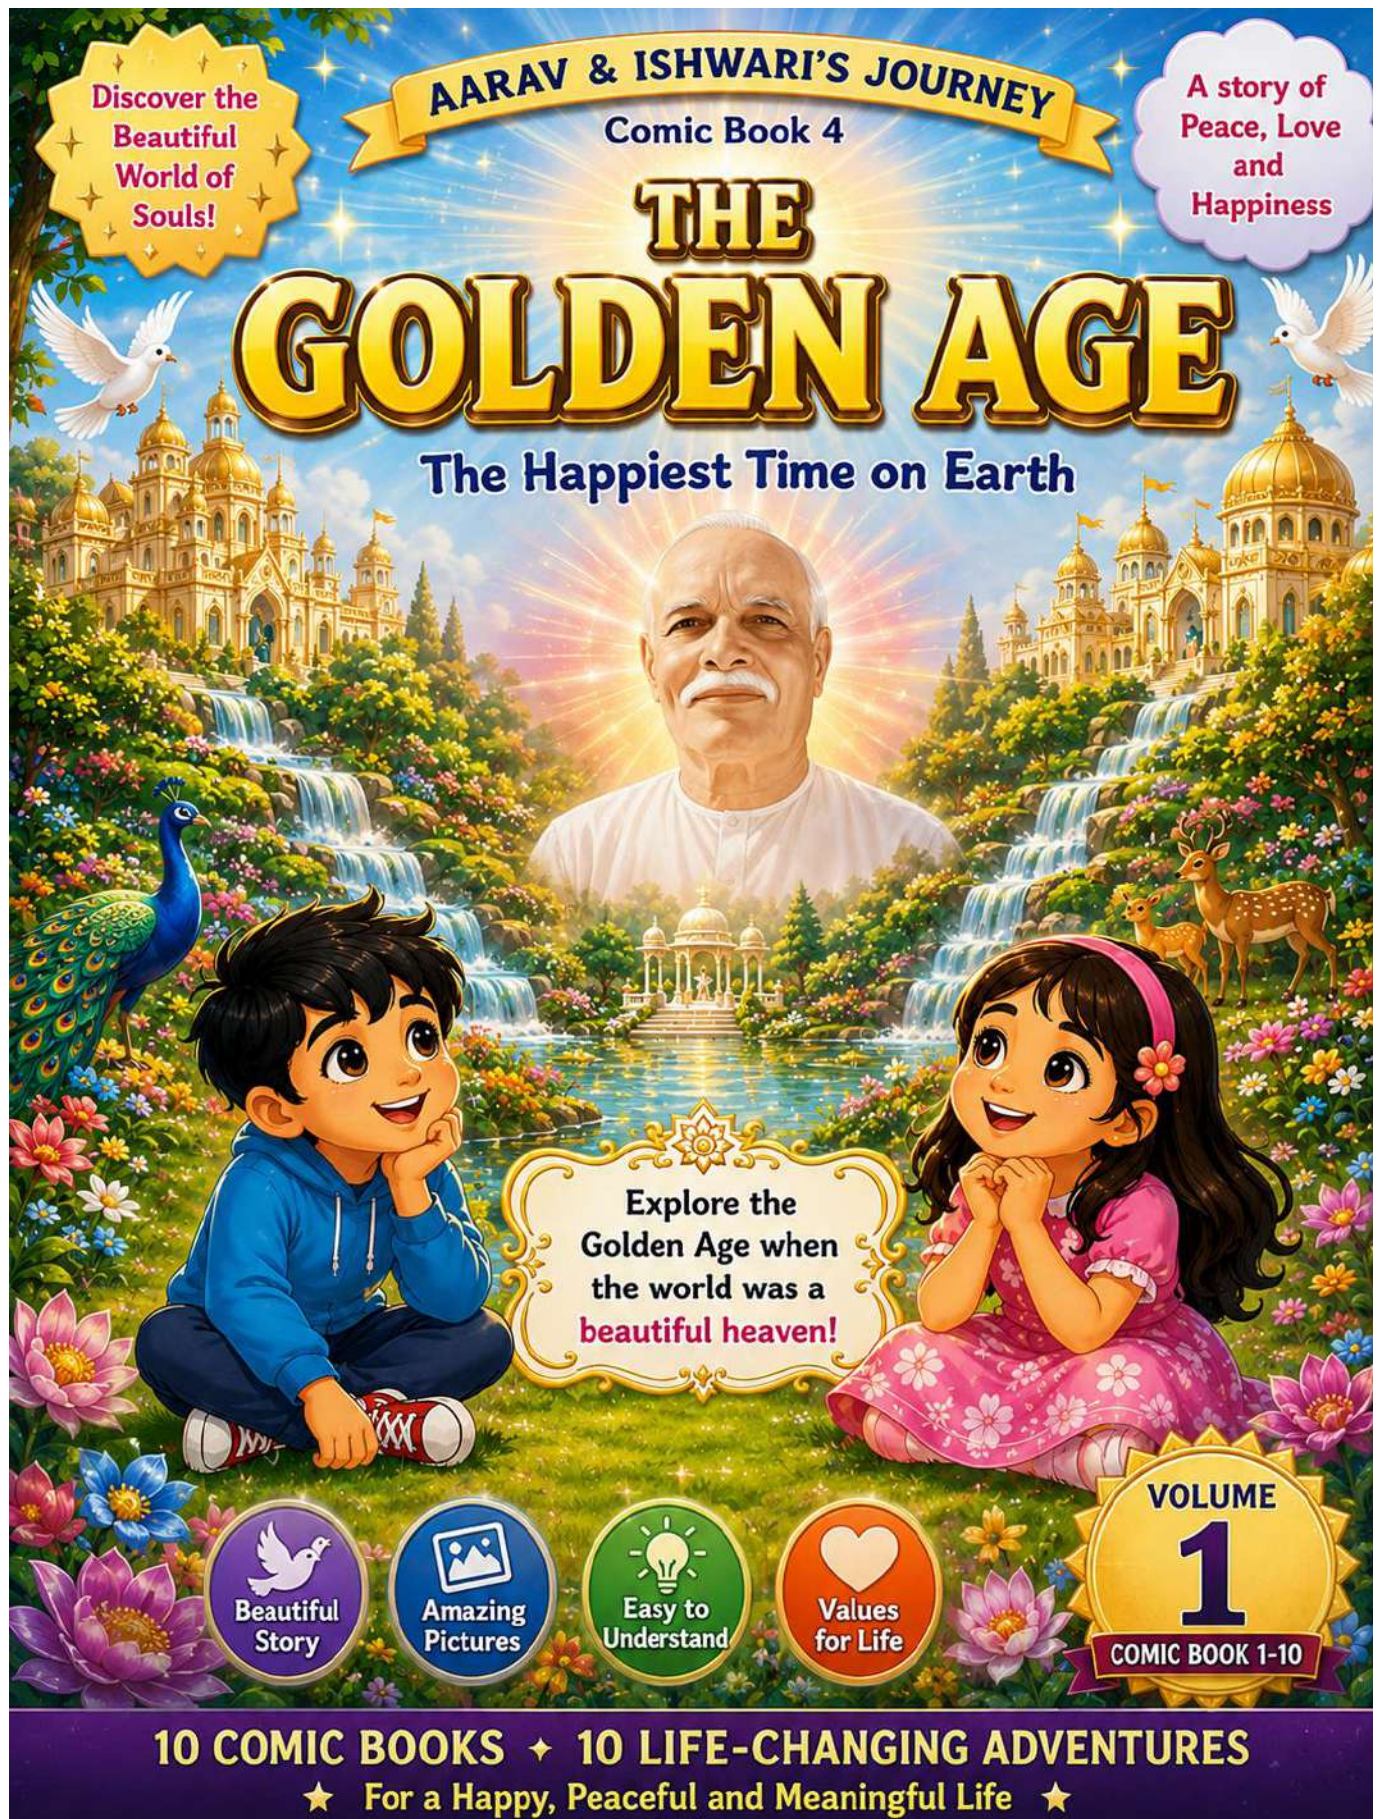

The tiny light sparkled brightly.
"Tomorrow...
I will tell you about
the **happiest time** on Earth...
The Golden Age."

To Be Continued...

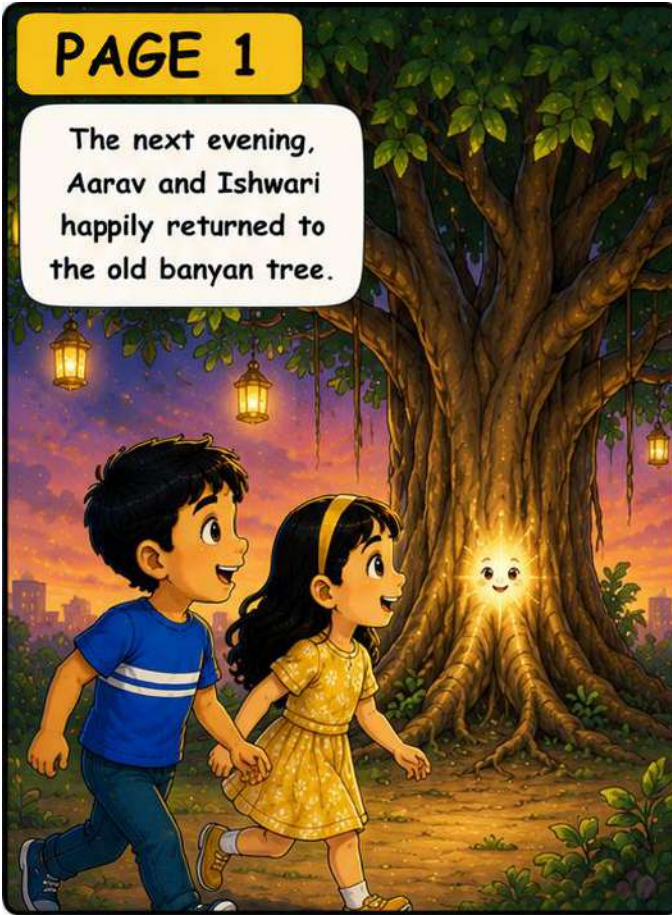

**MORAL**

Every soul has a **unique role**,
and every role is **valuable**.

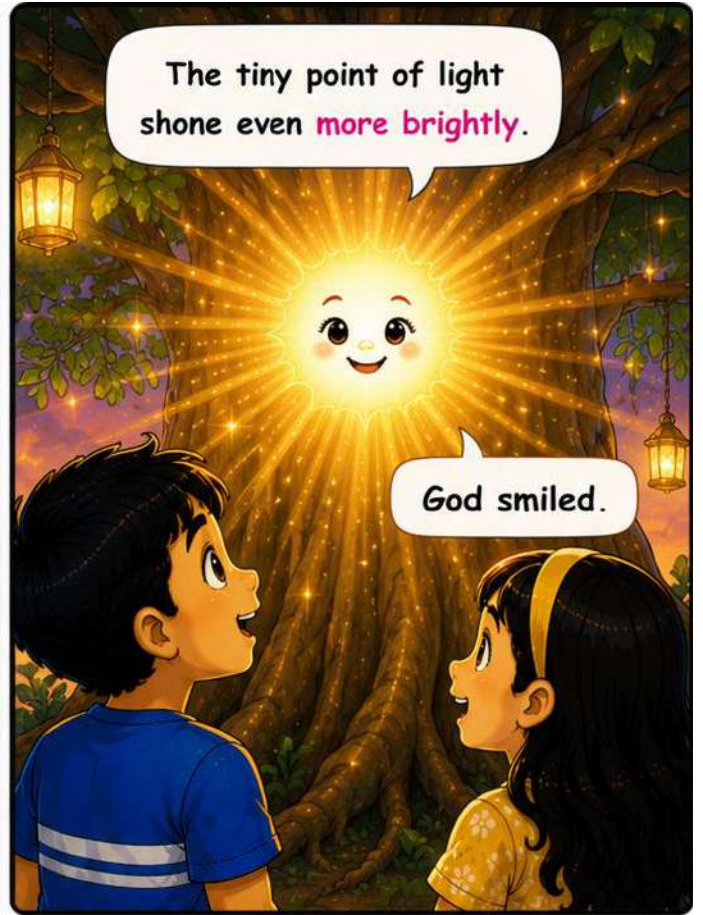

**PAGE 1**

The next evening,
Aarav and Ishwari
happily returned to
the old banyan tree.

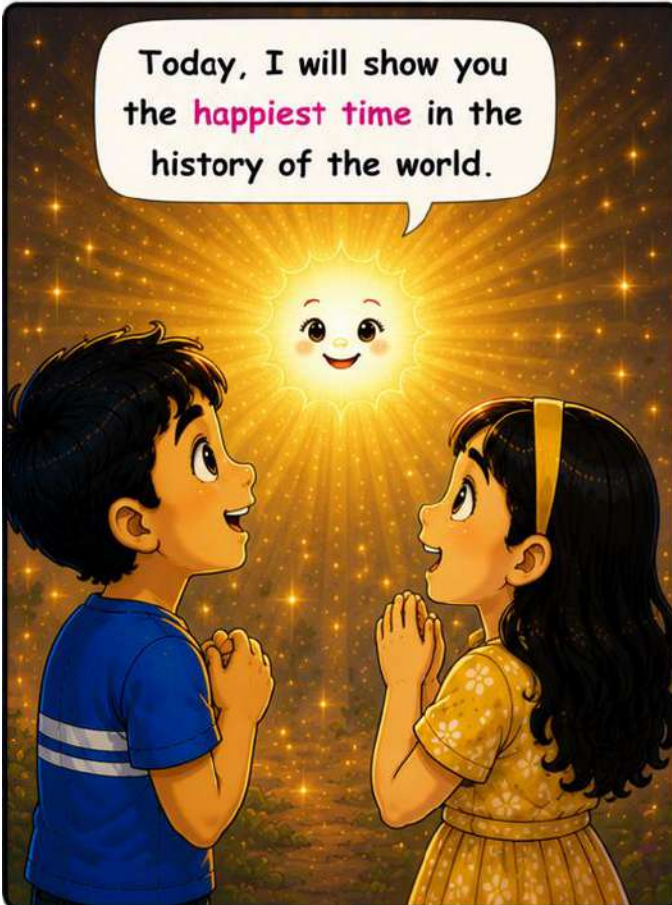

The tiny point of light
shone even **more brightly**.

God smiled.

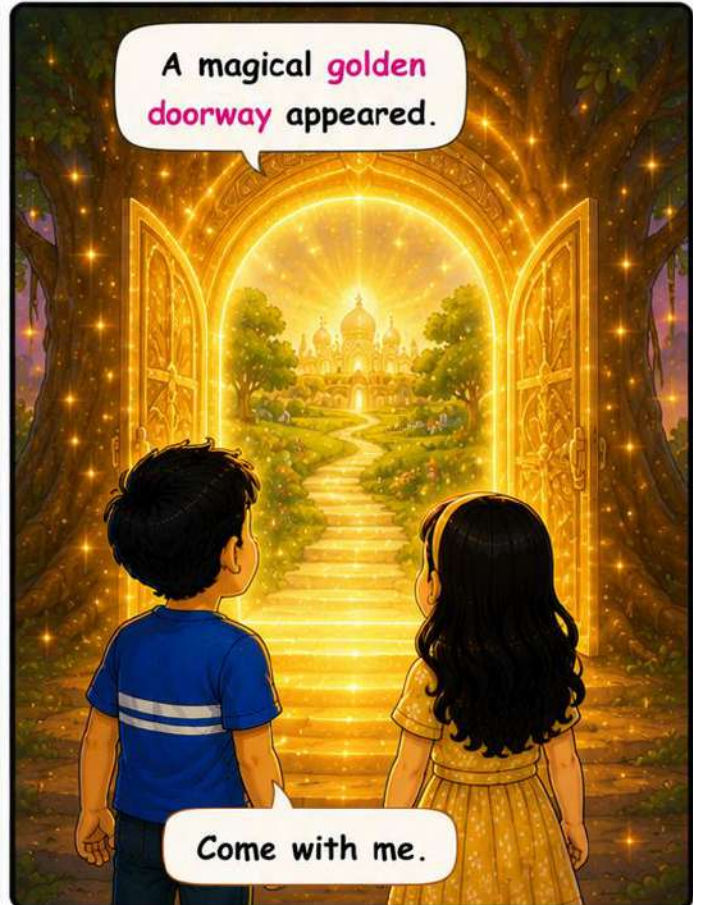

Today, I will show you
the **happiest time** in the
history of the world.

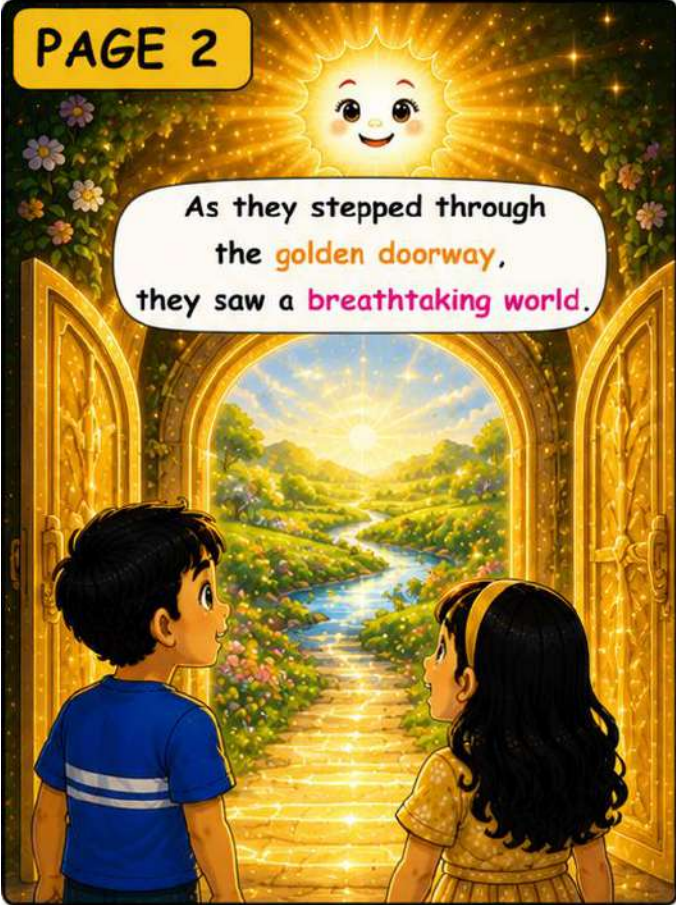

A magical **golden doorway** appeared.

Come with me.

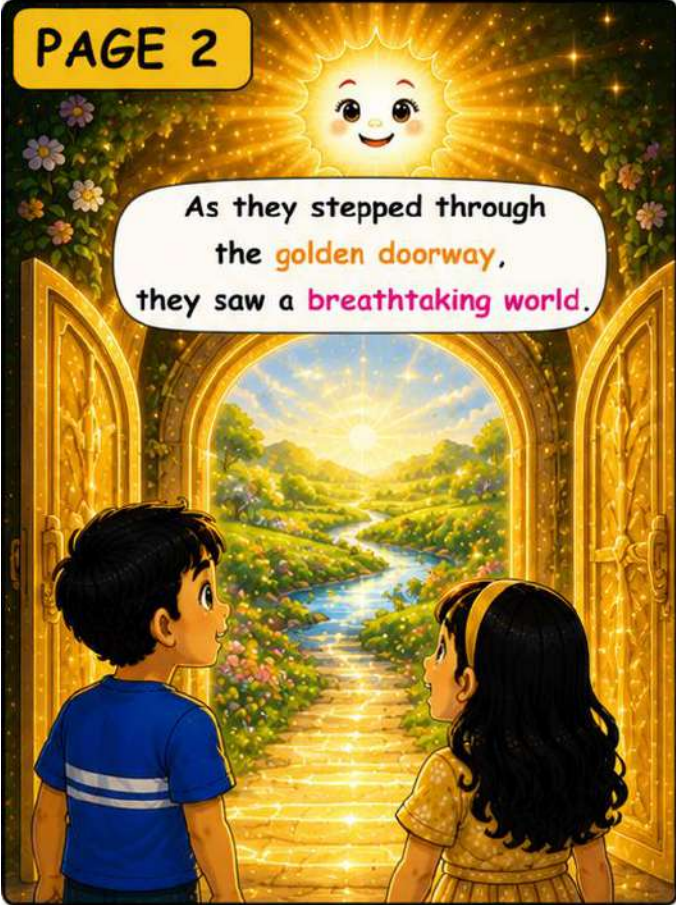

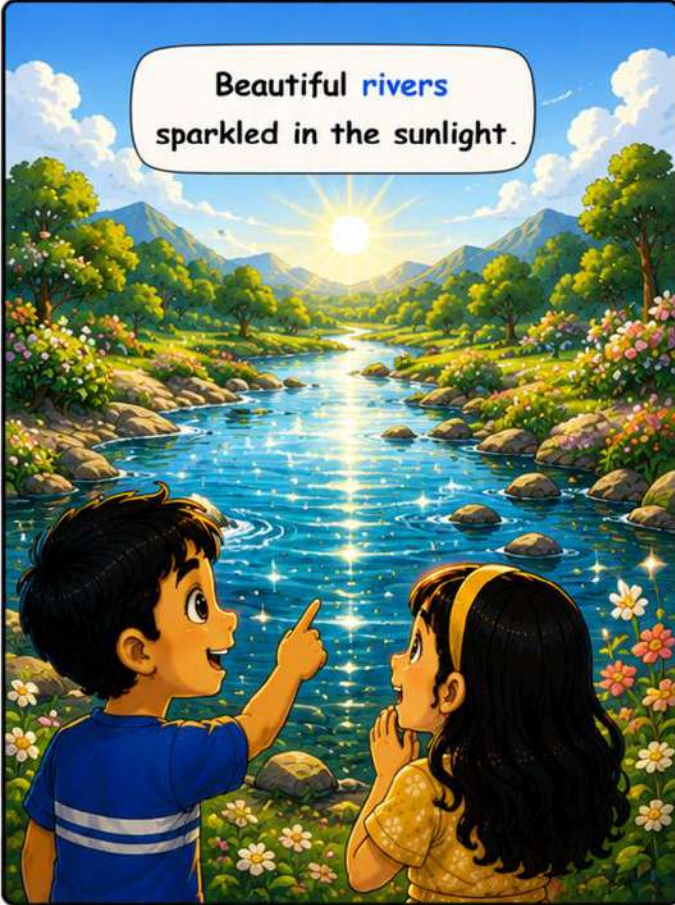

PAGE 2

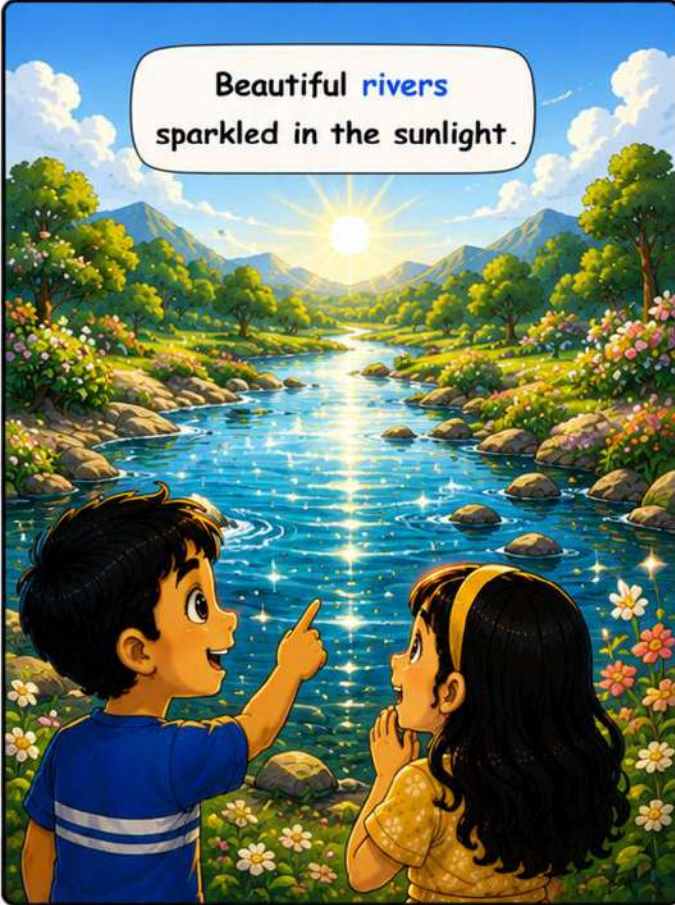

As they stepped through
the golden doorway,
they saw a breathtaking world.

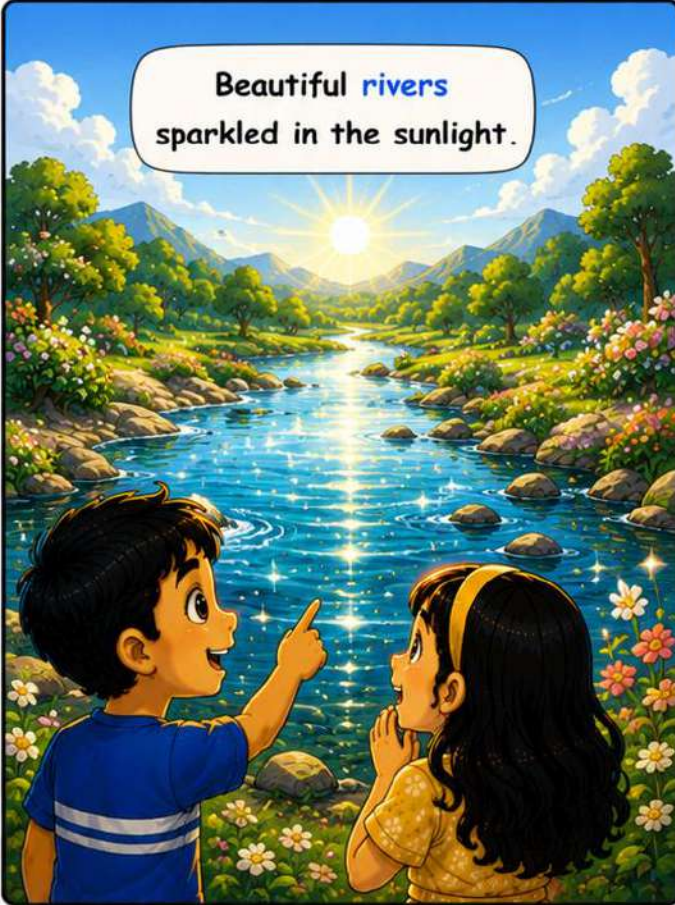

Beautiful rivers
sparkled in the sunlight.

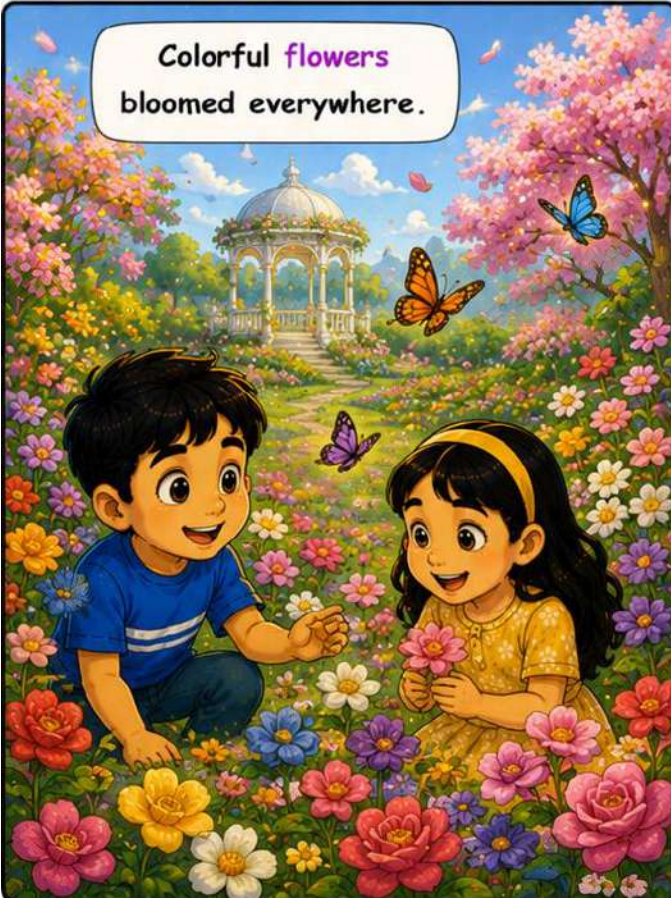

Colorful flowers
bloomed everywhere.

Birds sang
sweet songs.

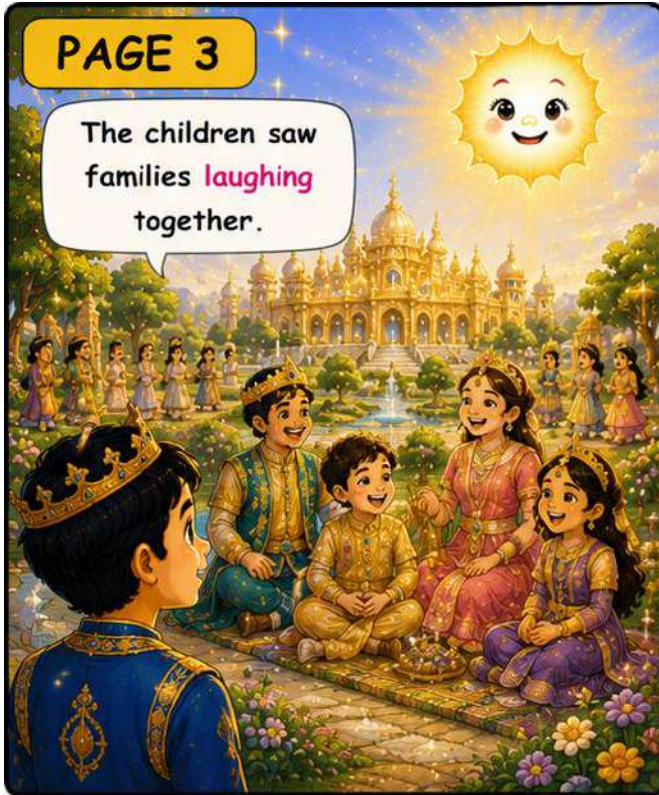

Every face was smiling.

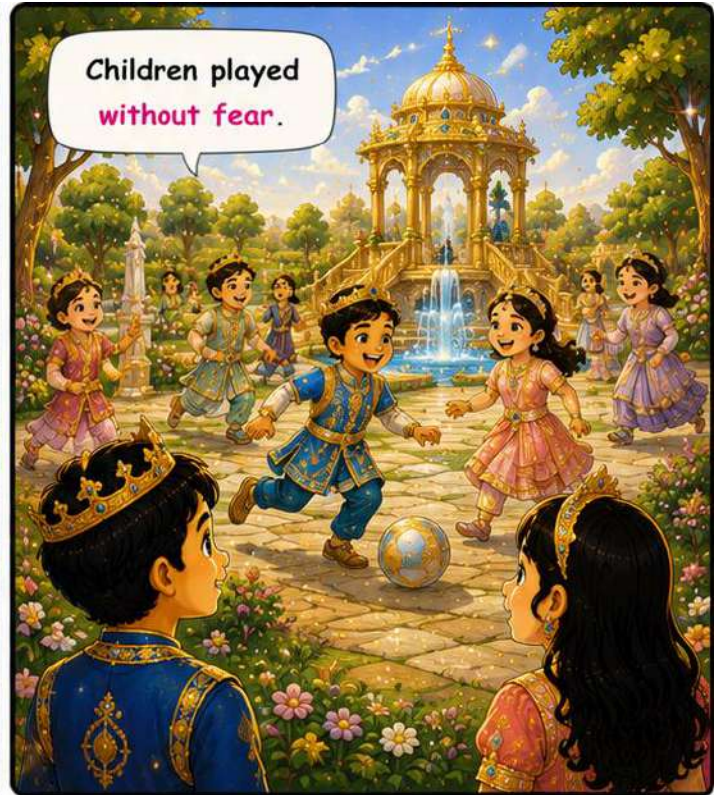

**PAGE 3**

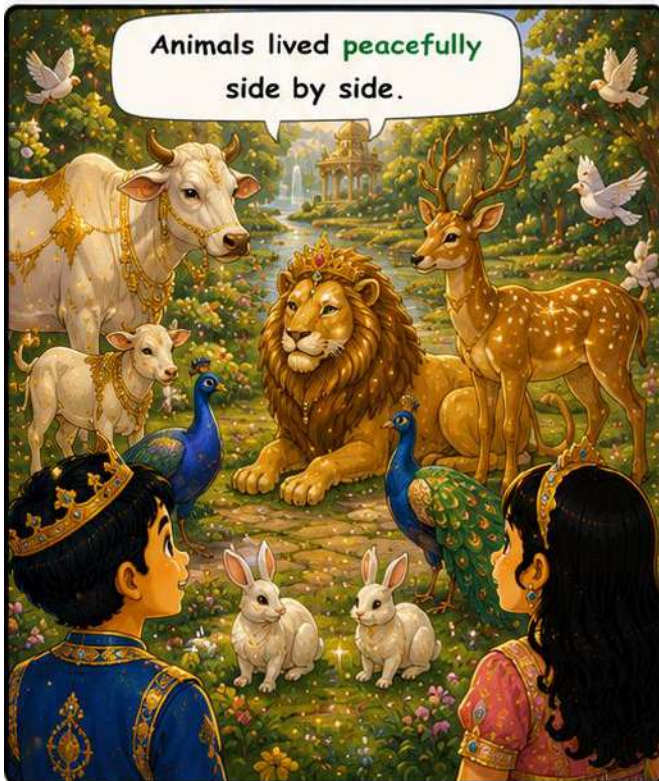

The children saw families **laughing** together.

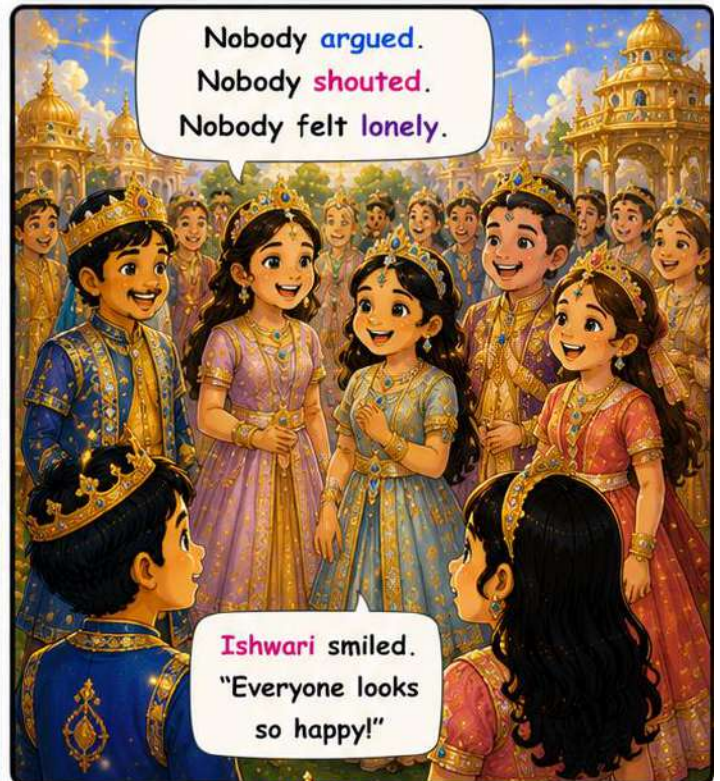

Children played **without fear**.

Animals lived **peacefully** side by side.

Nobody **argued**.
Nobody **shouted**.
Nobody felt **lonely**.

Ishwari smiled.
"Everyone looks so happy!"

God answered,
"Because every soul remembered its **true nature**."

Everyone was kind, pure and happy, because they knew...
They were the **true masters (maliks)** of this universe.

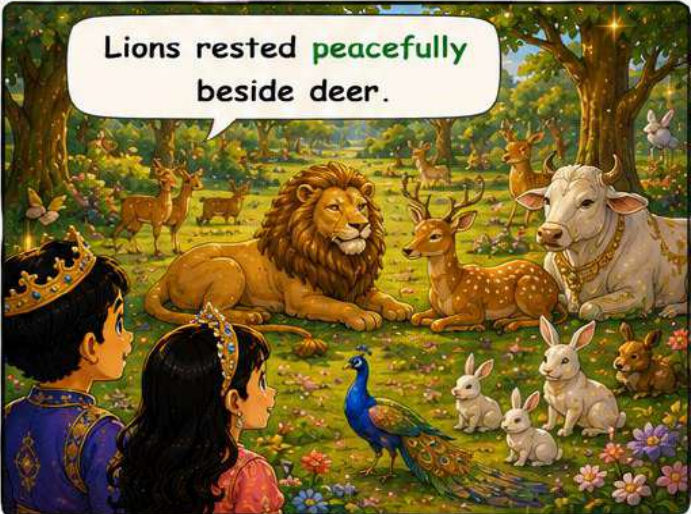

PAGE 4

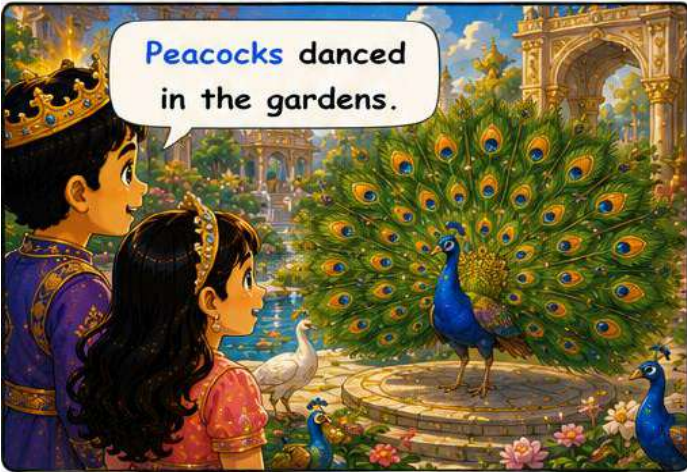

Tall green forests stretched for miles.

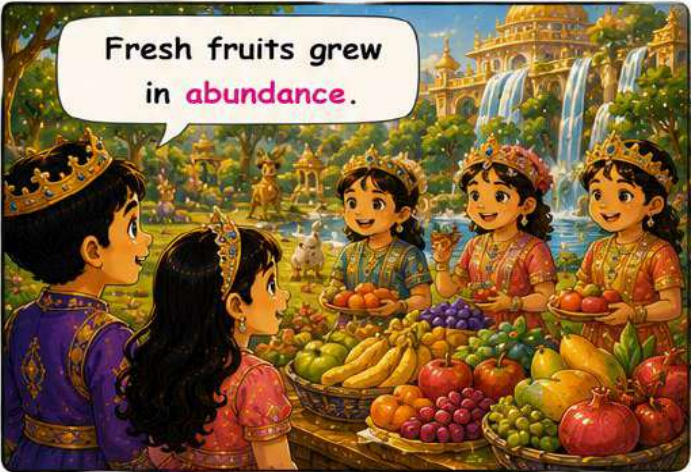

Crystal-clear lakes reflected the blue sky.

Lions rested peacefully beside deer.

Peacocks danced in the gardens.

Fresh fruits grew in abundance.

Aarav asked,
"Did people
protect nature?"

GOD SMILED.
"When hearts are pure,
nature also stays pure."

PAGE 5

The children looked around carefully.

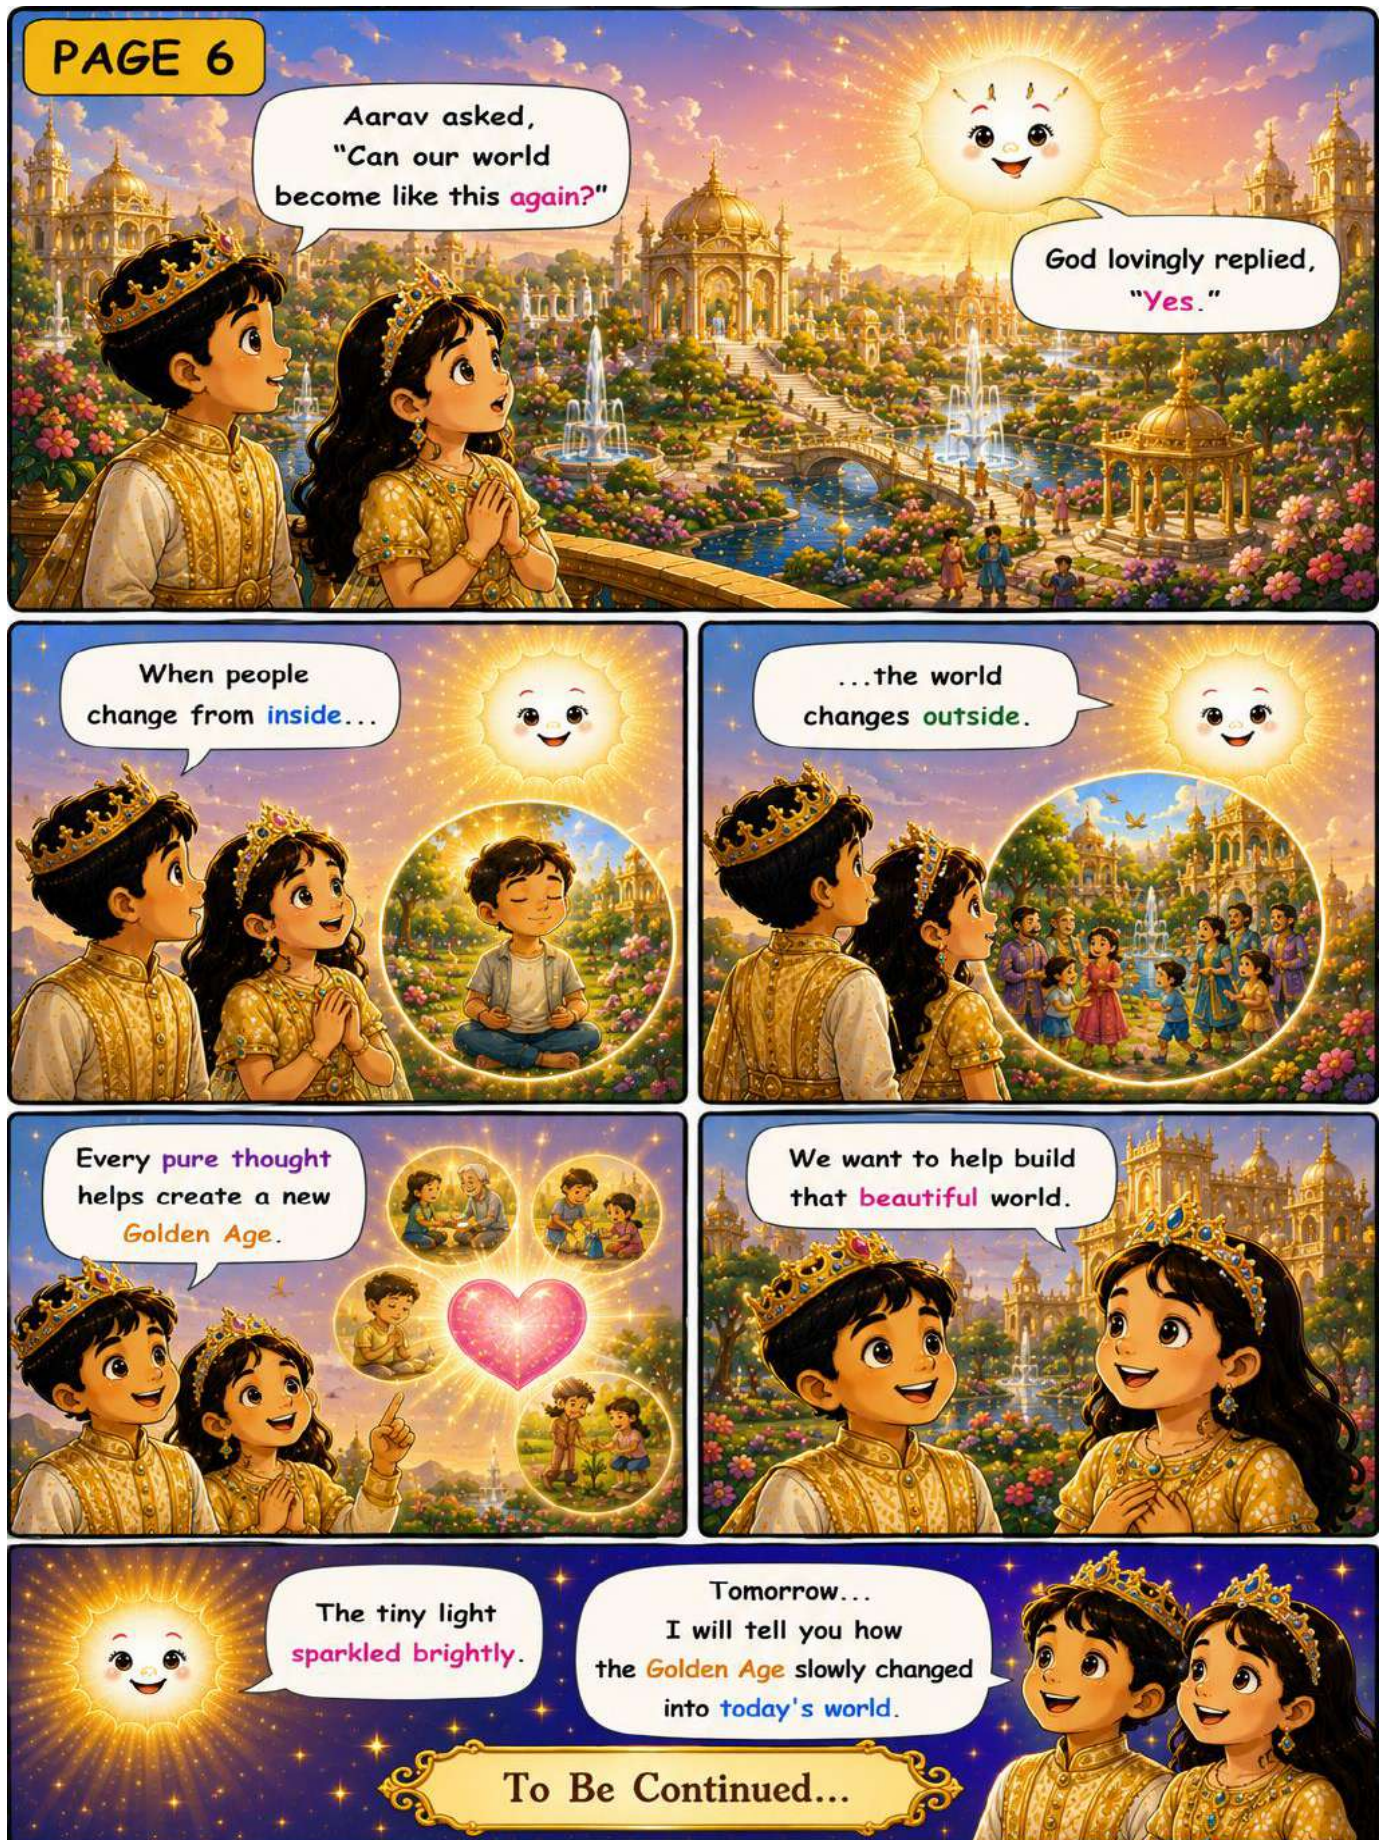

There were **no hospitals**.
No pollution.
No wars.
No sadness.

People were
healthy, **peaceful**,
and **joyful**.

Everyone lived like
princes and **princesses**.

They knew they were the
true **owners (maliks)** of
this beautiful universe.

God explained,
"When souls are full of **peace**
and **purity**, the whole world
becomes beautiful."

The next evening,
Aarav and **Ishwari**
eagerly returned to the
old banyan tree.

God welcomed them
with a gentle glow.

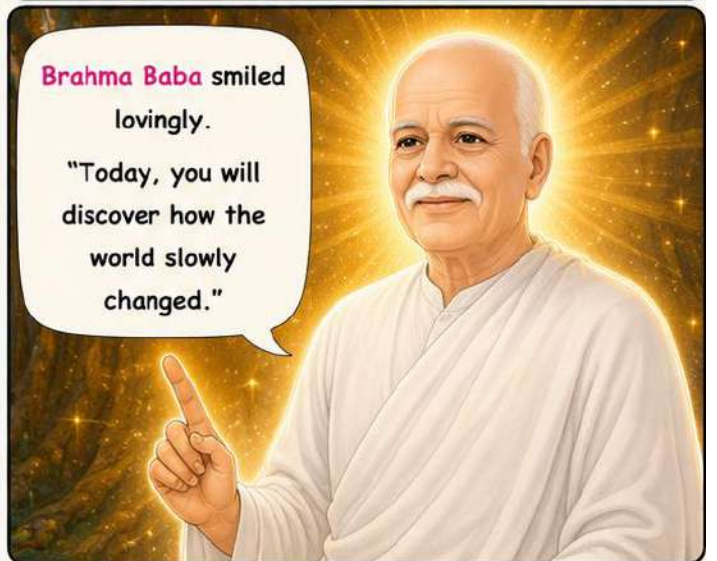

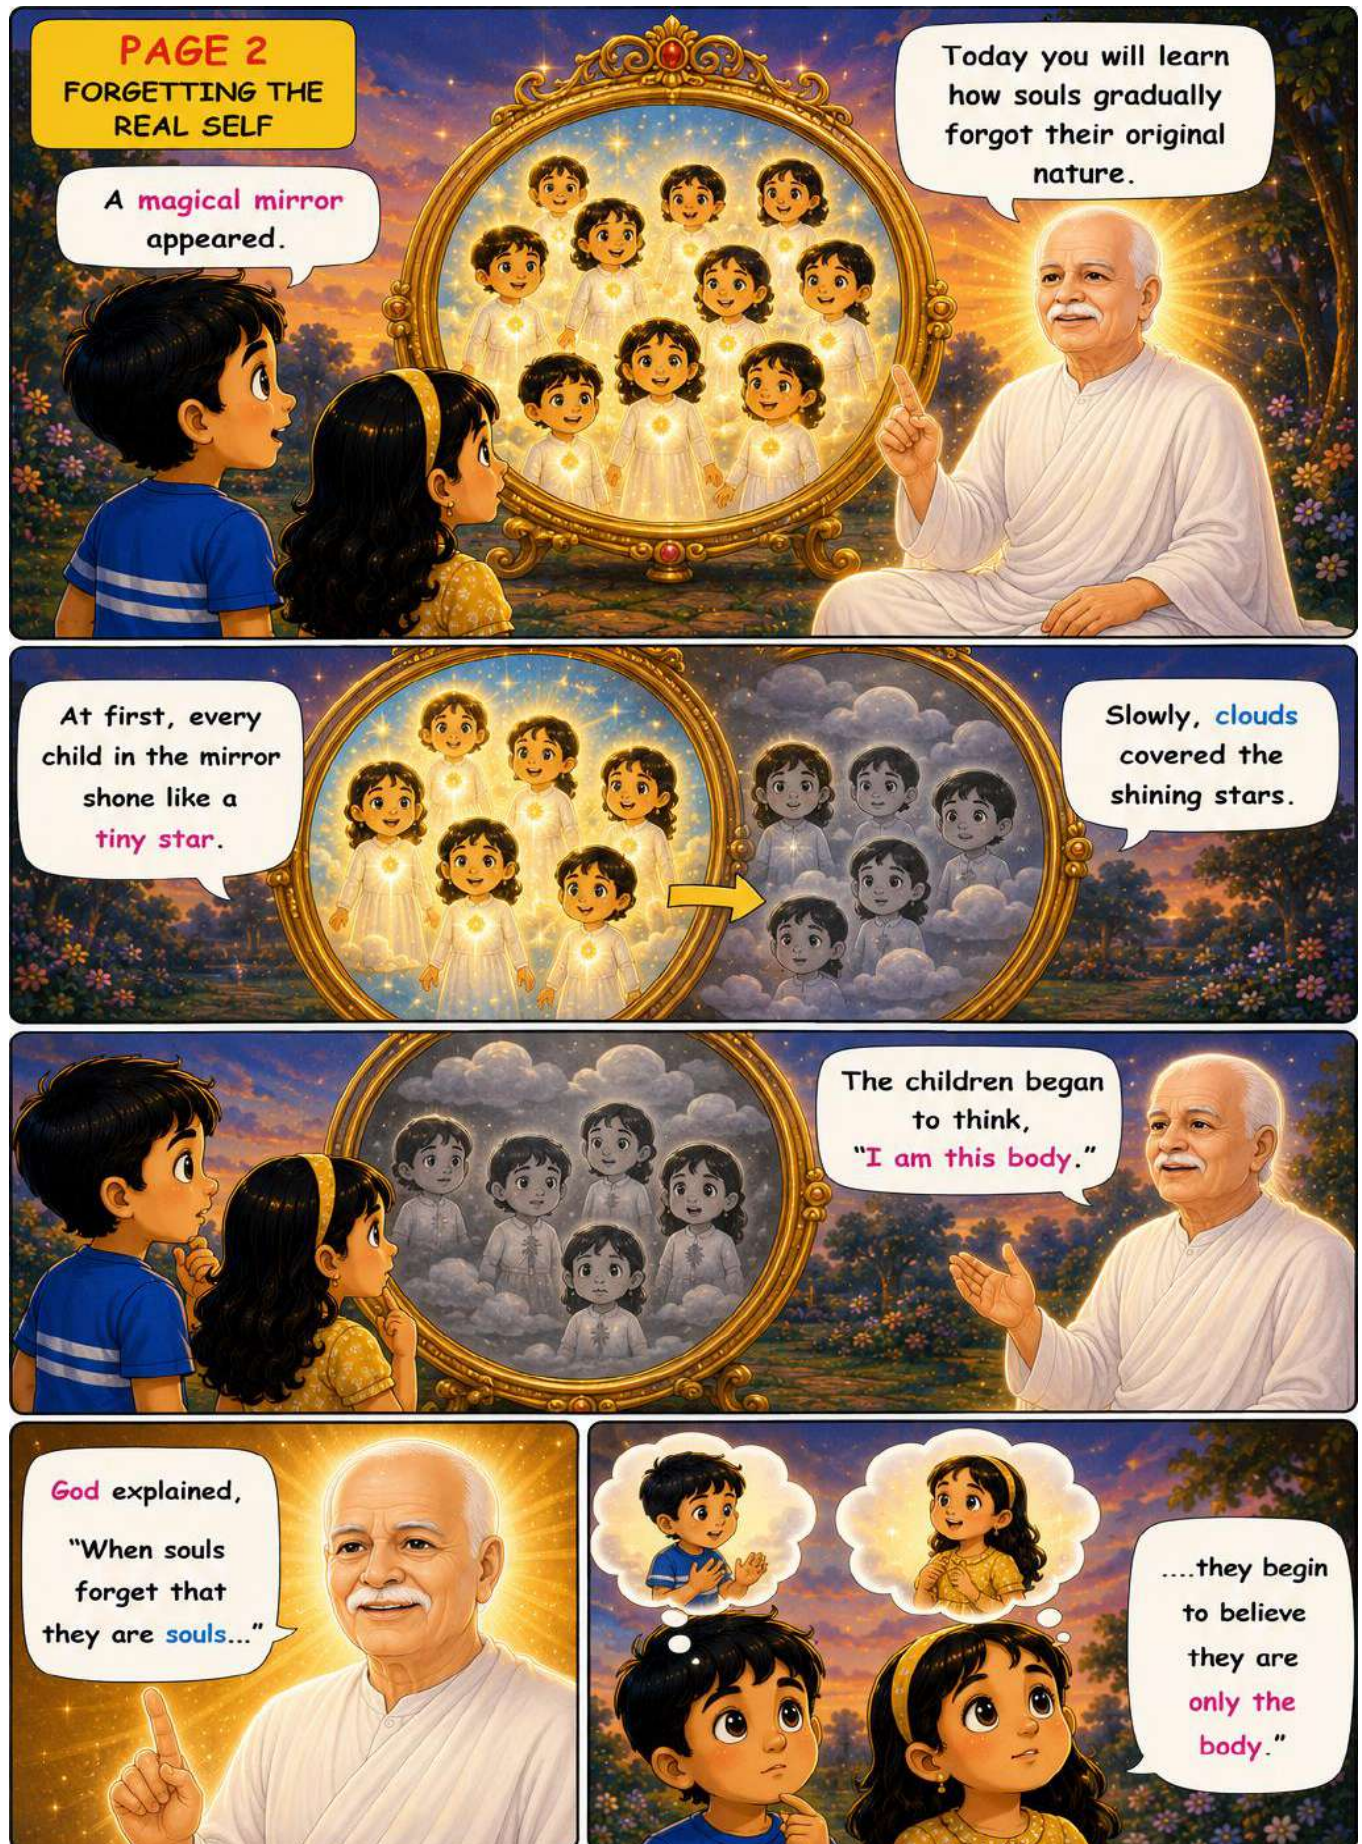

Aarav asked,
"Yesterday we saw such
a beautiful Golden Age.
But today the world
is so different.
What happened?"

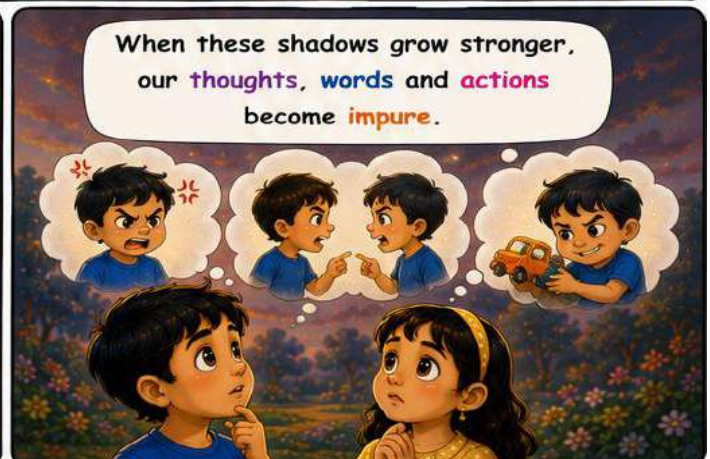

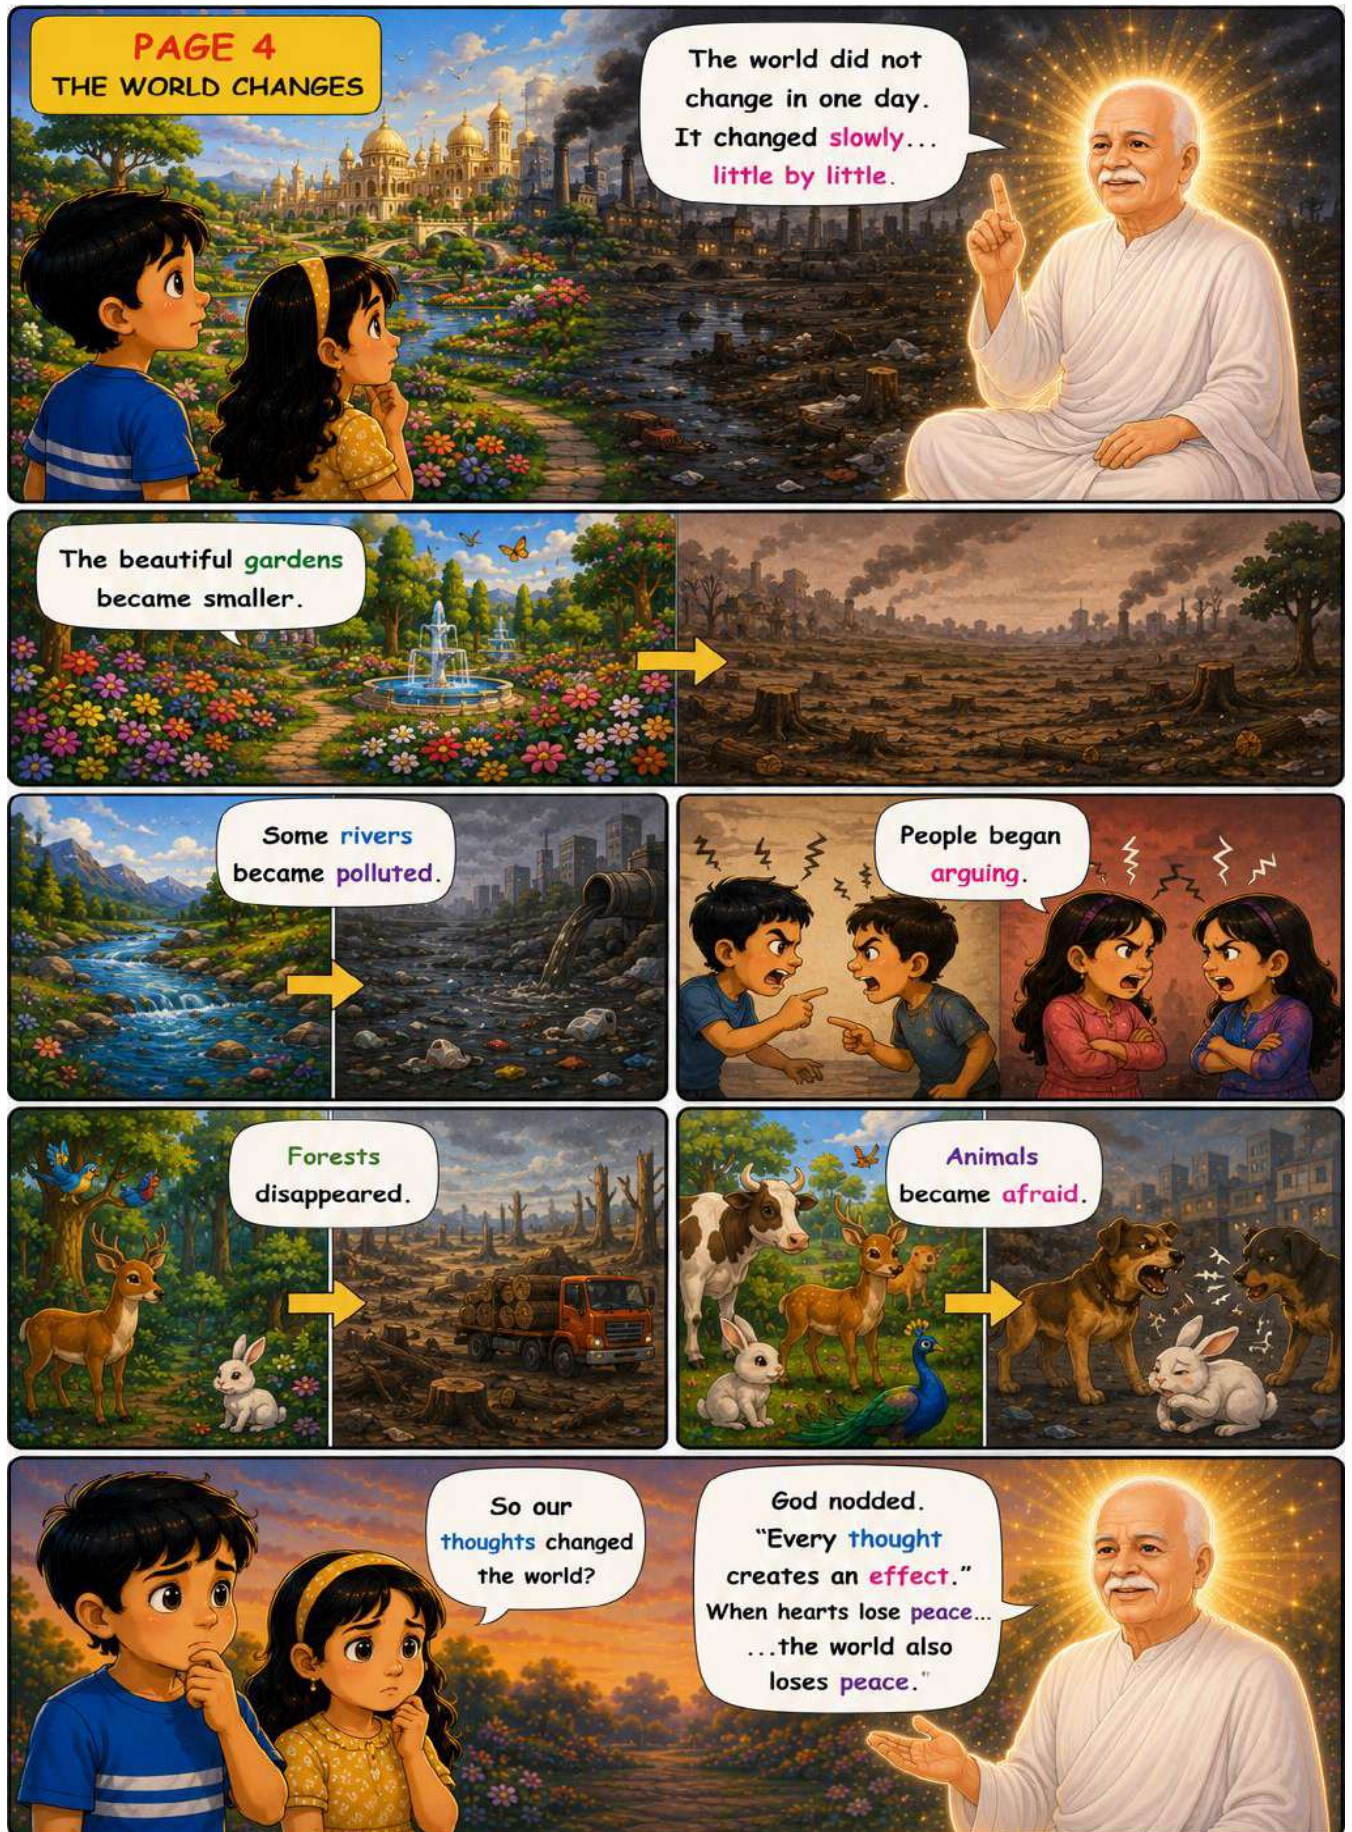

Brahma Baba smiled
lovingly.

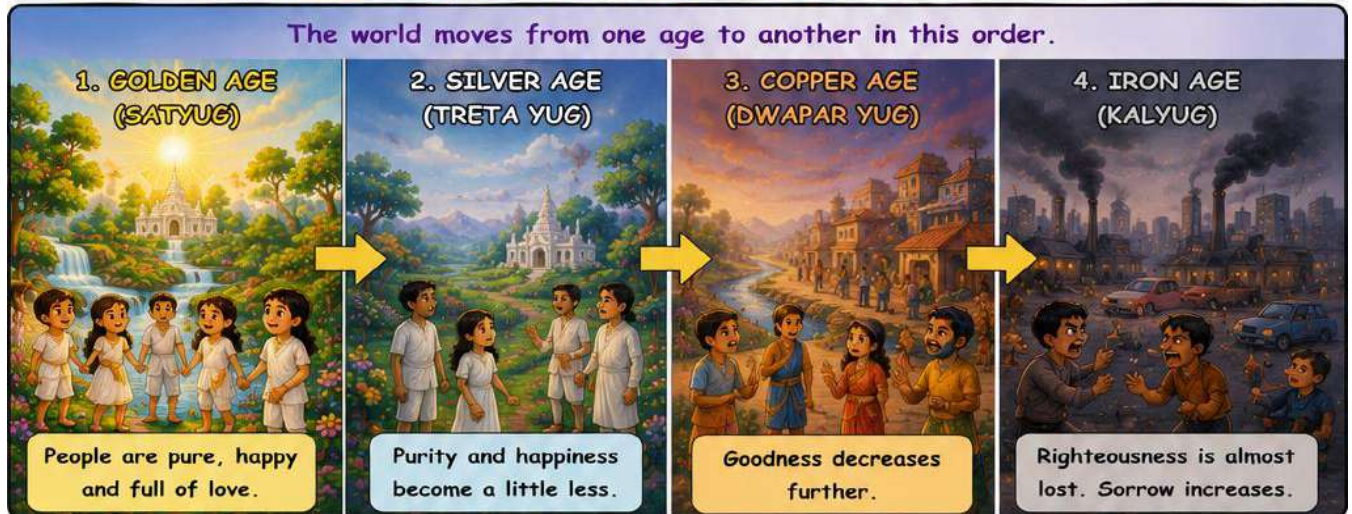

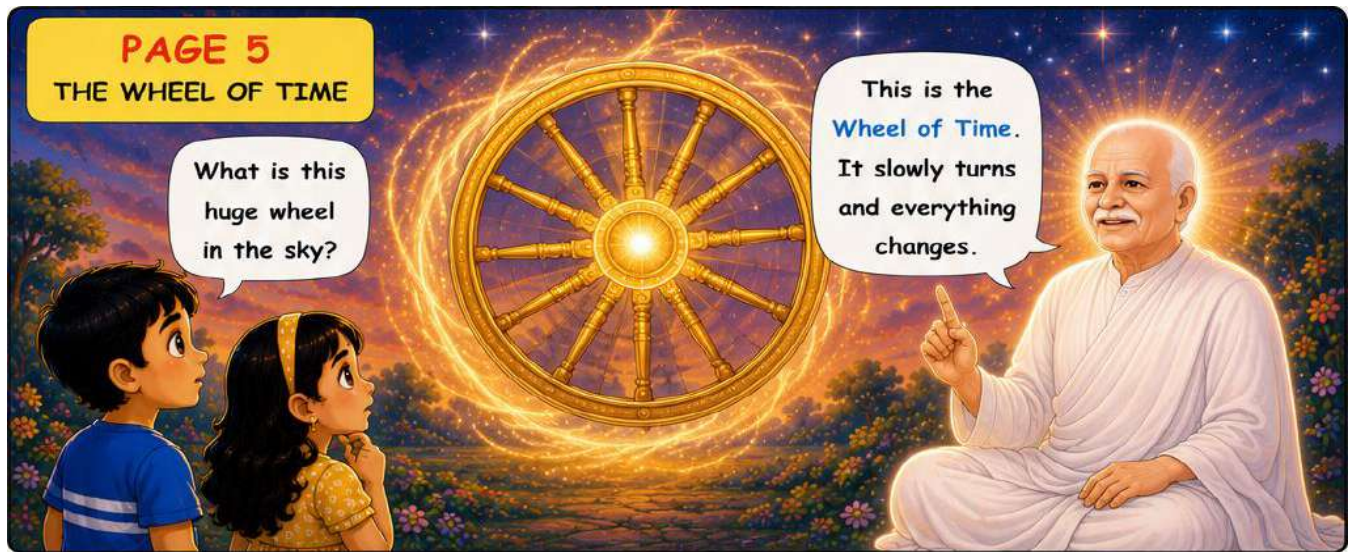

"Today, you will
discover how the
world slowly
changed."

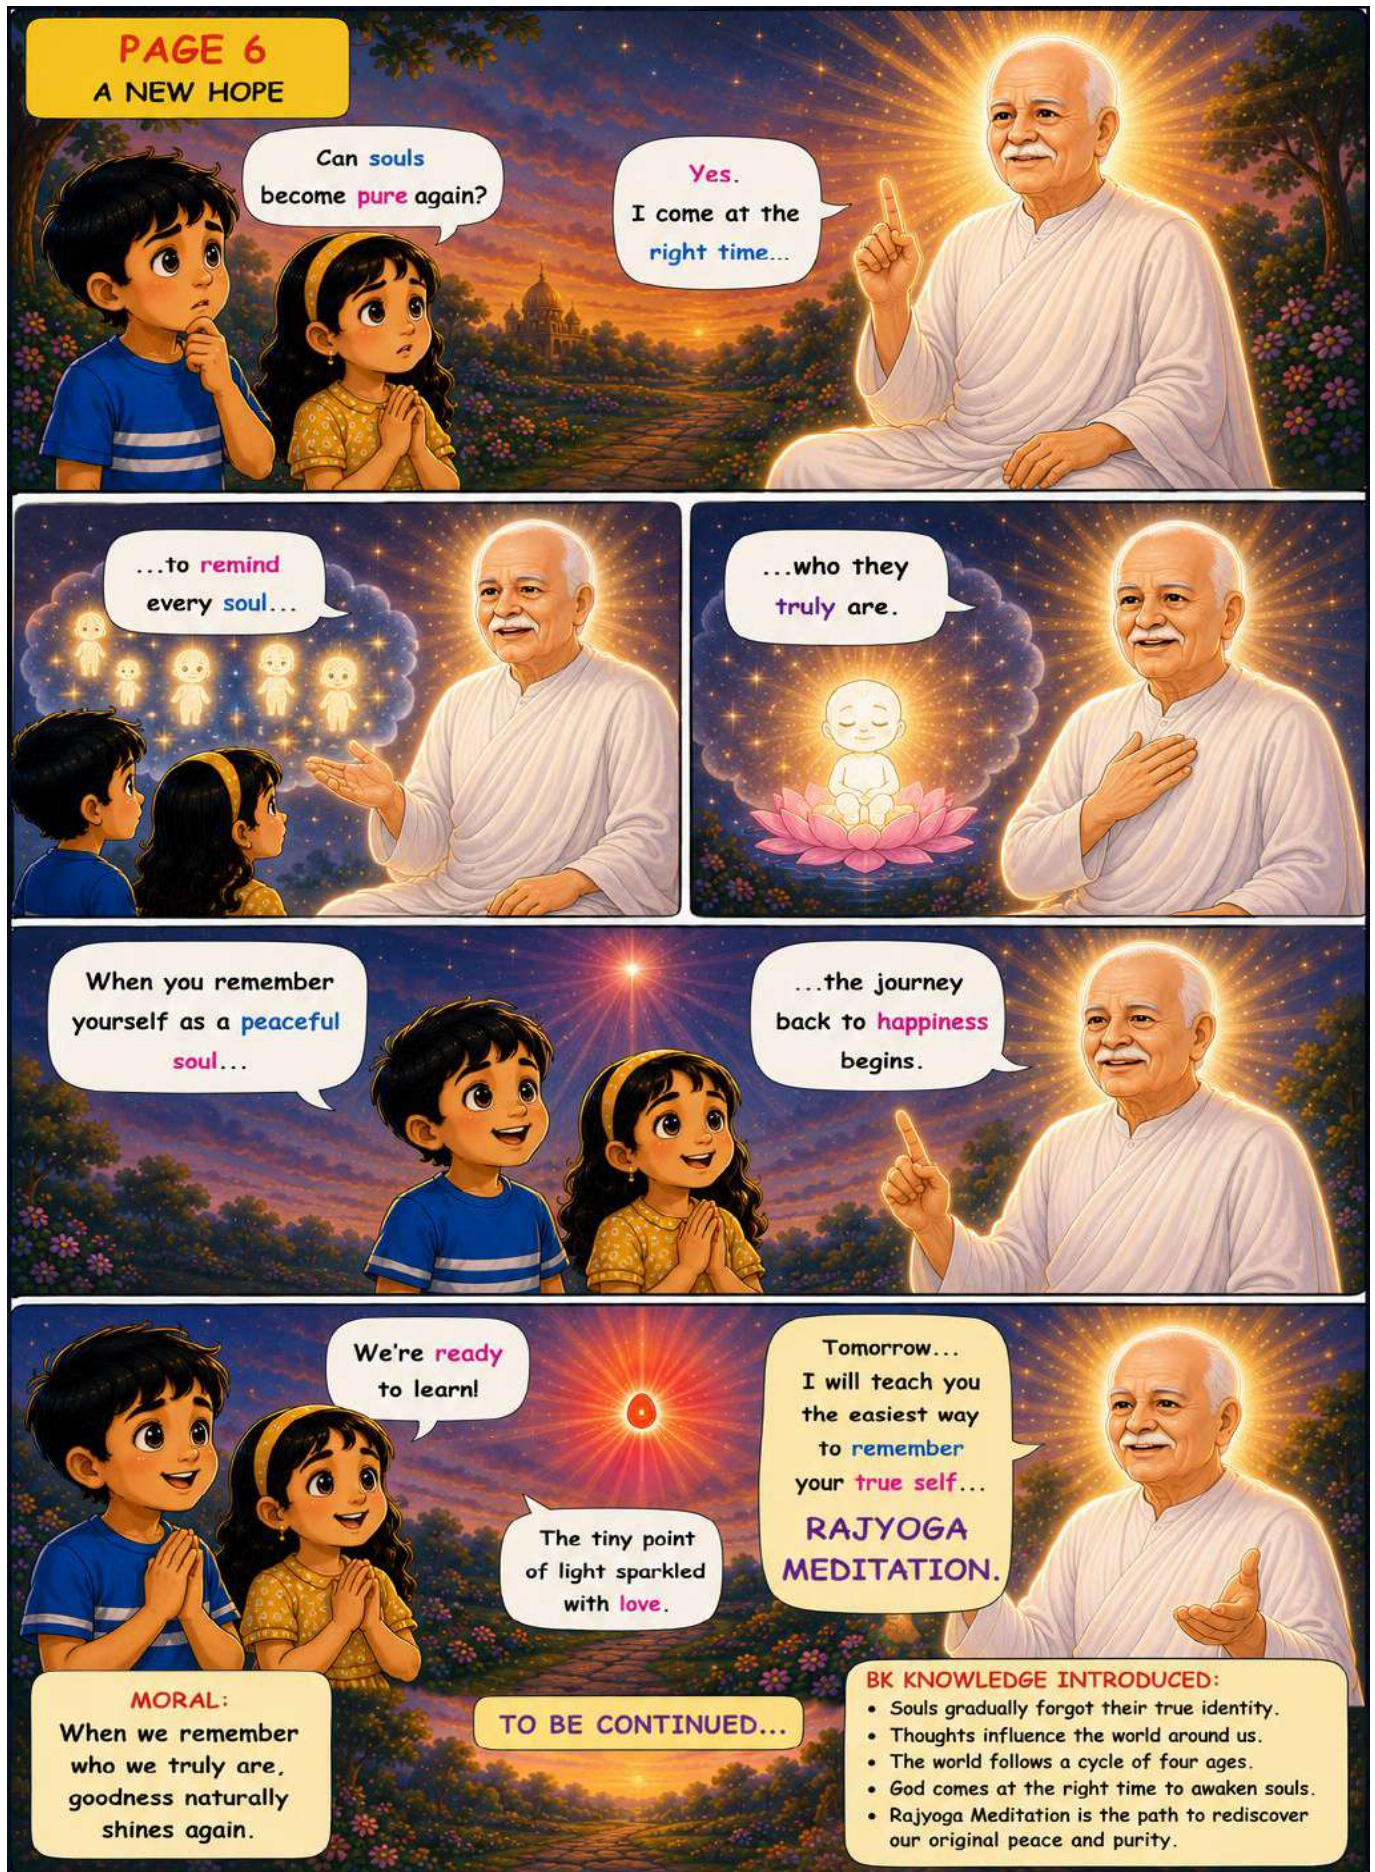

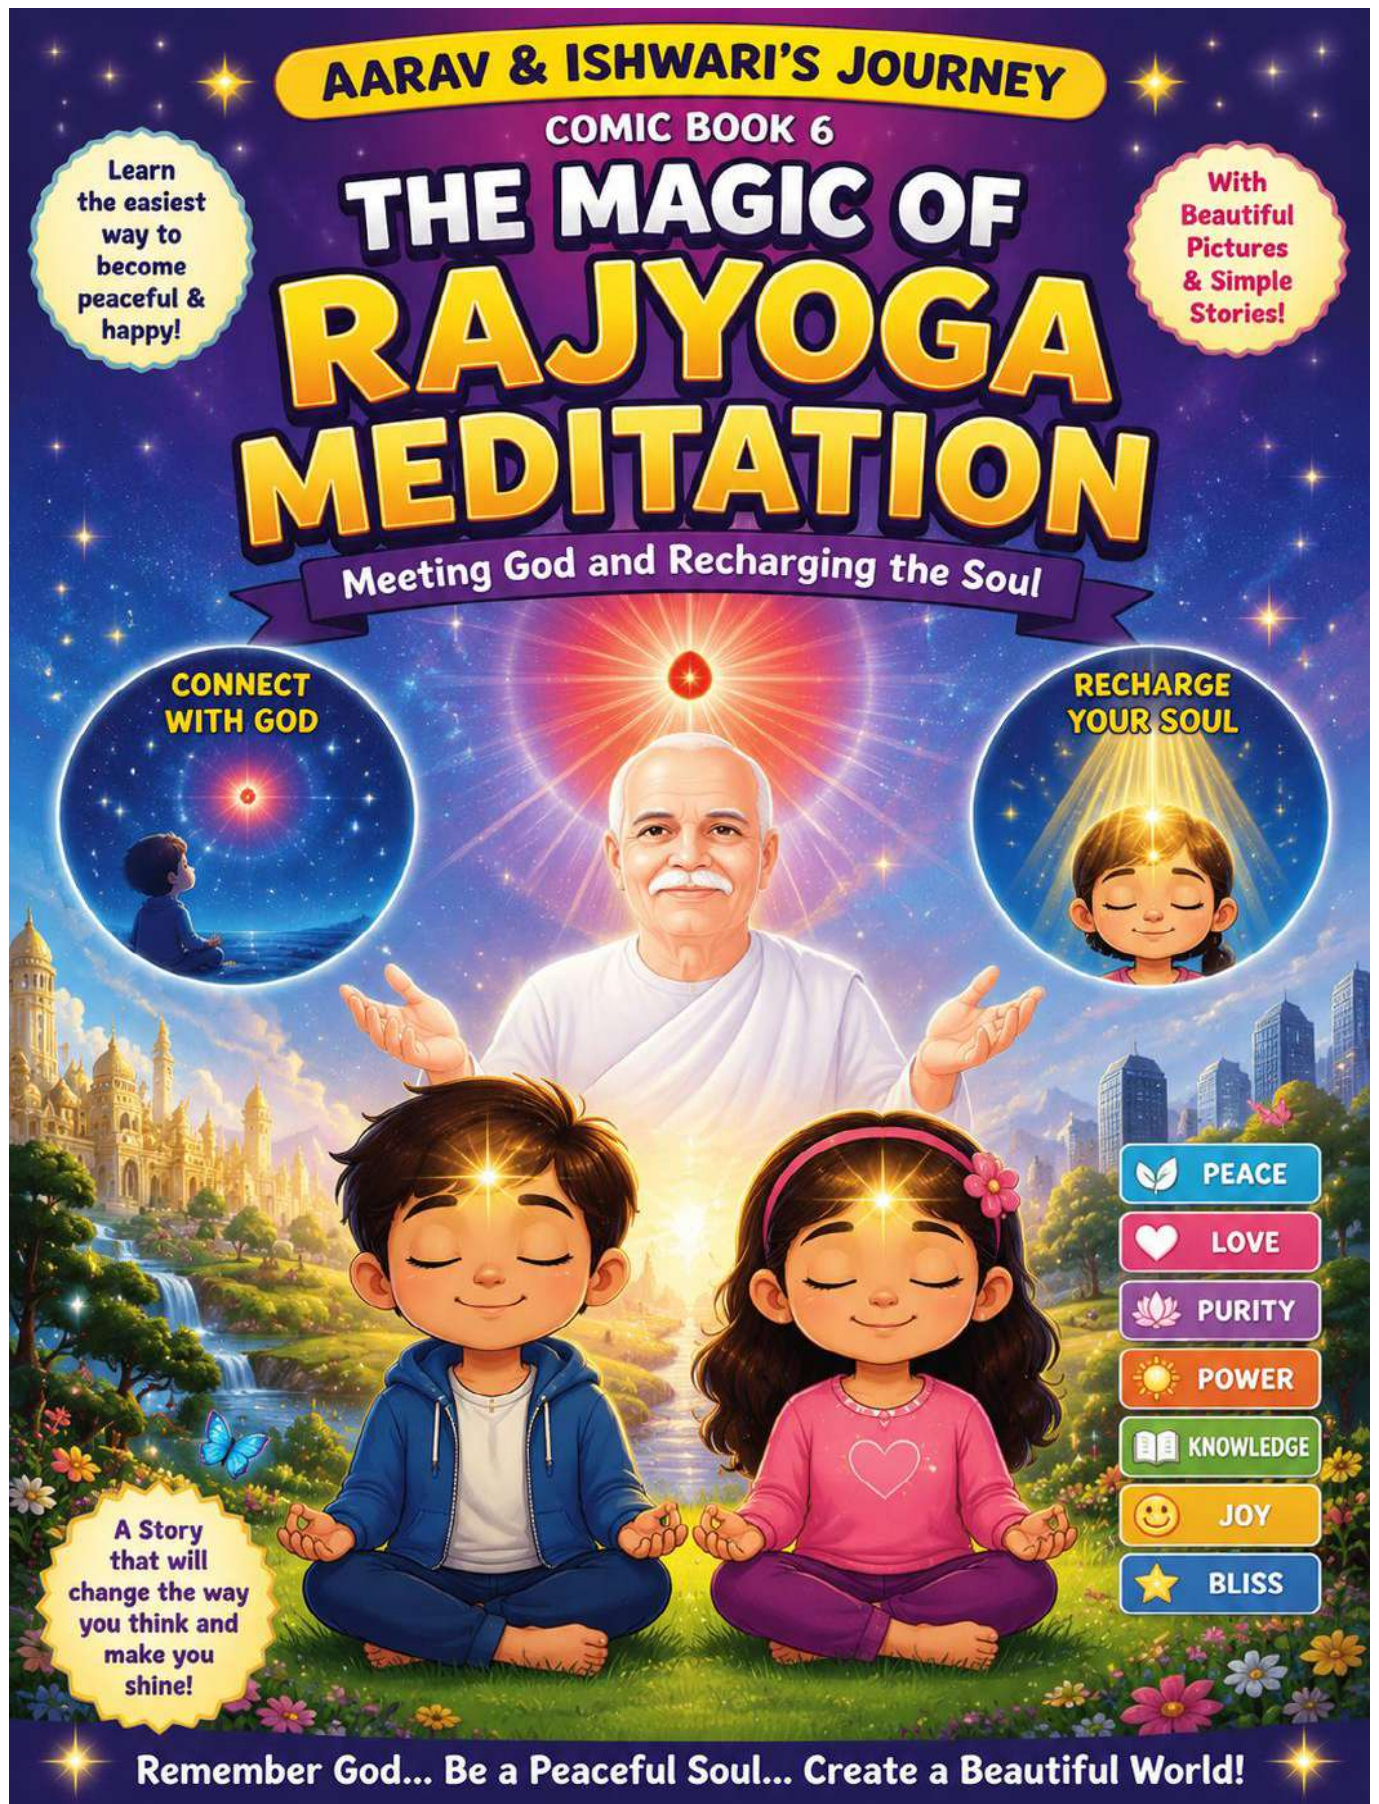

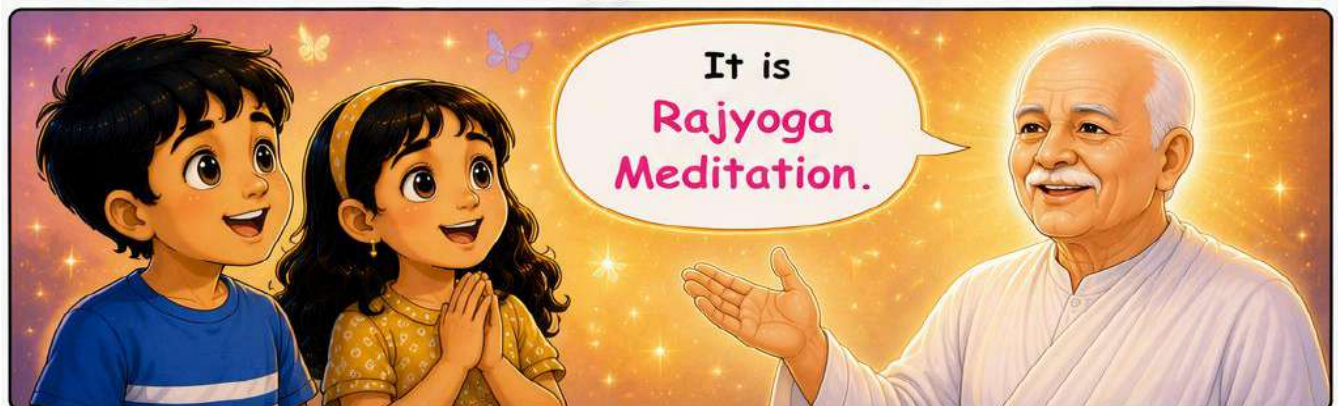

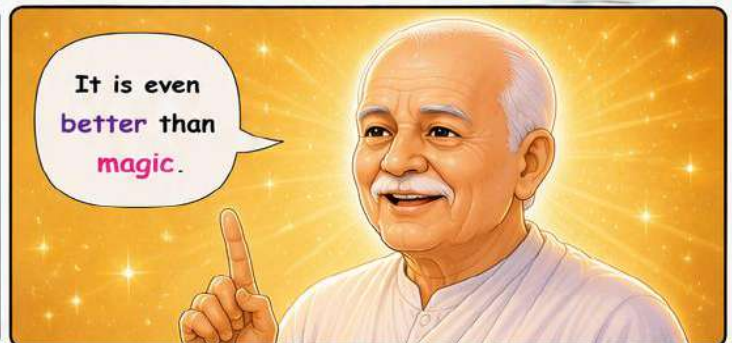

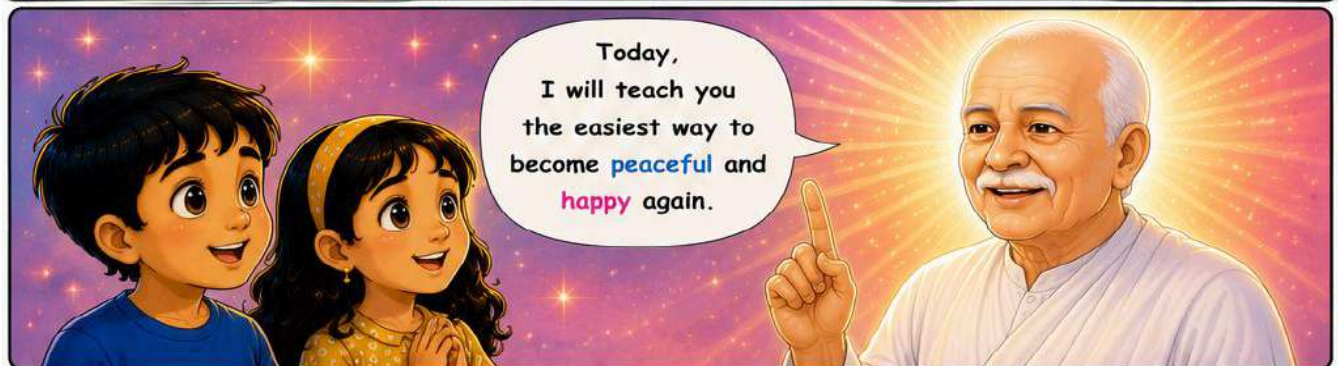

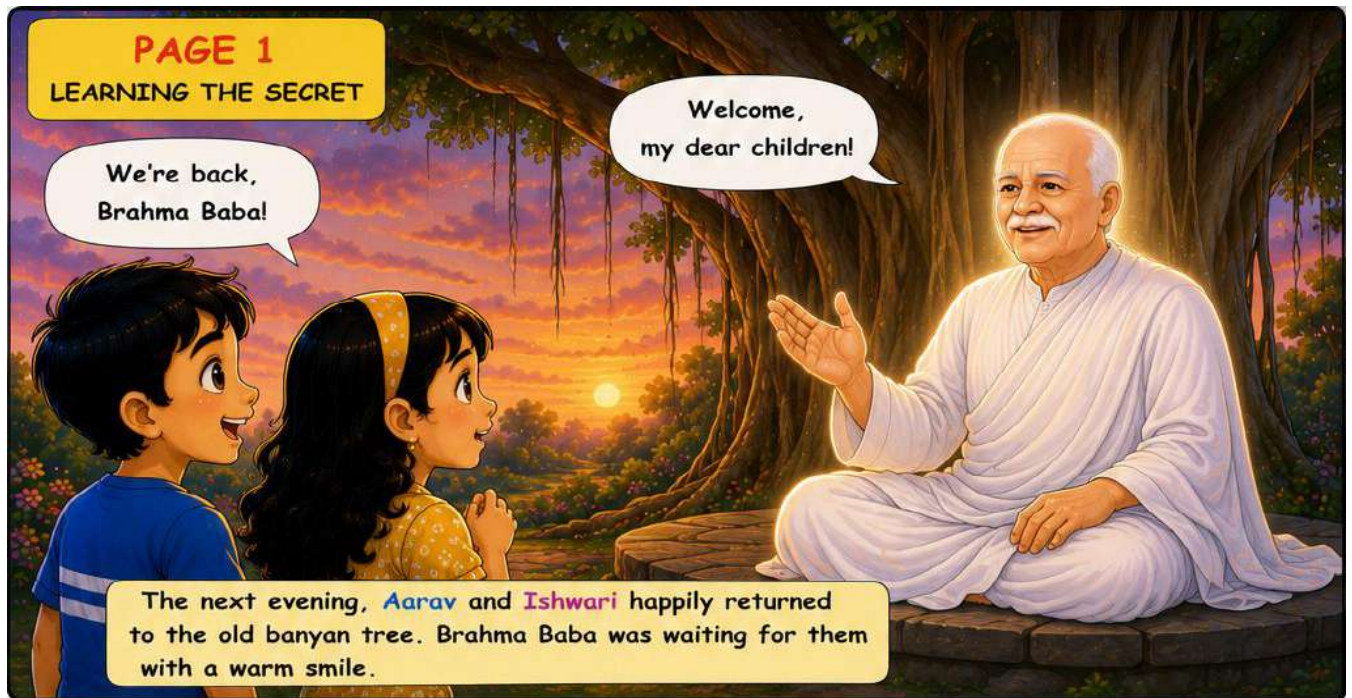

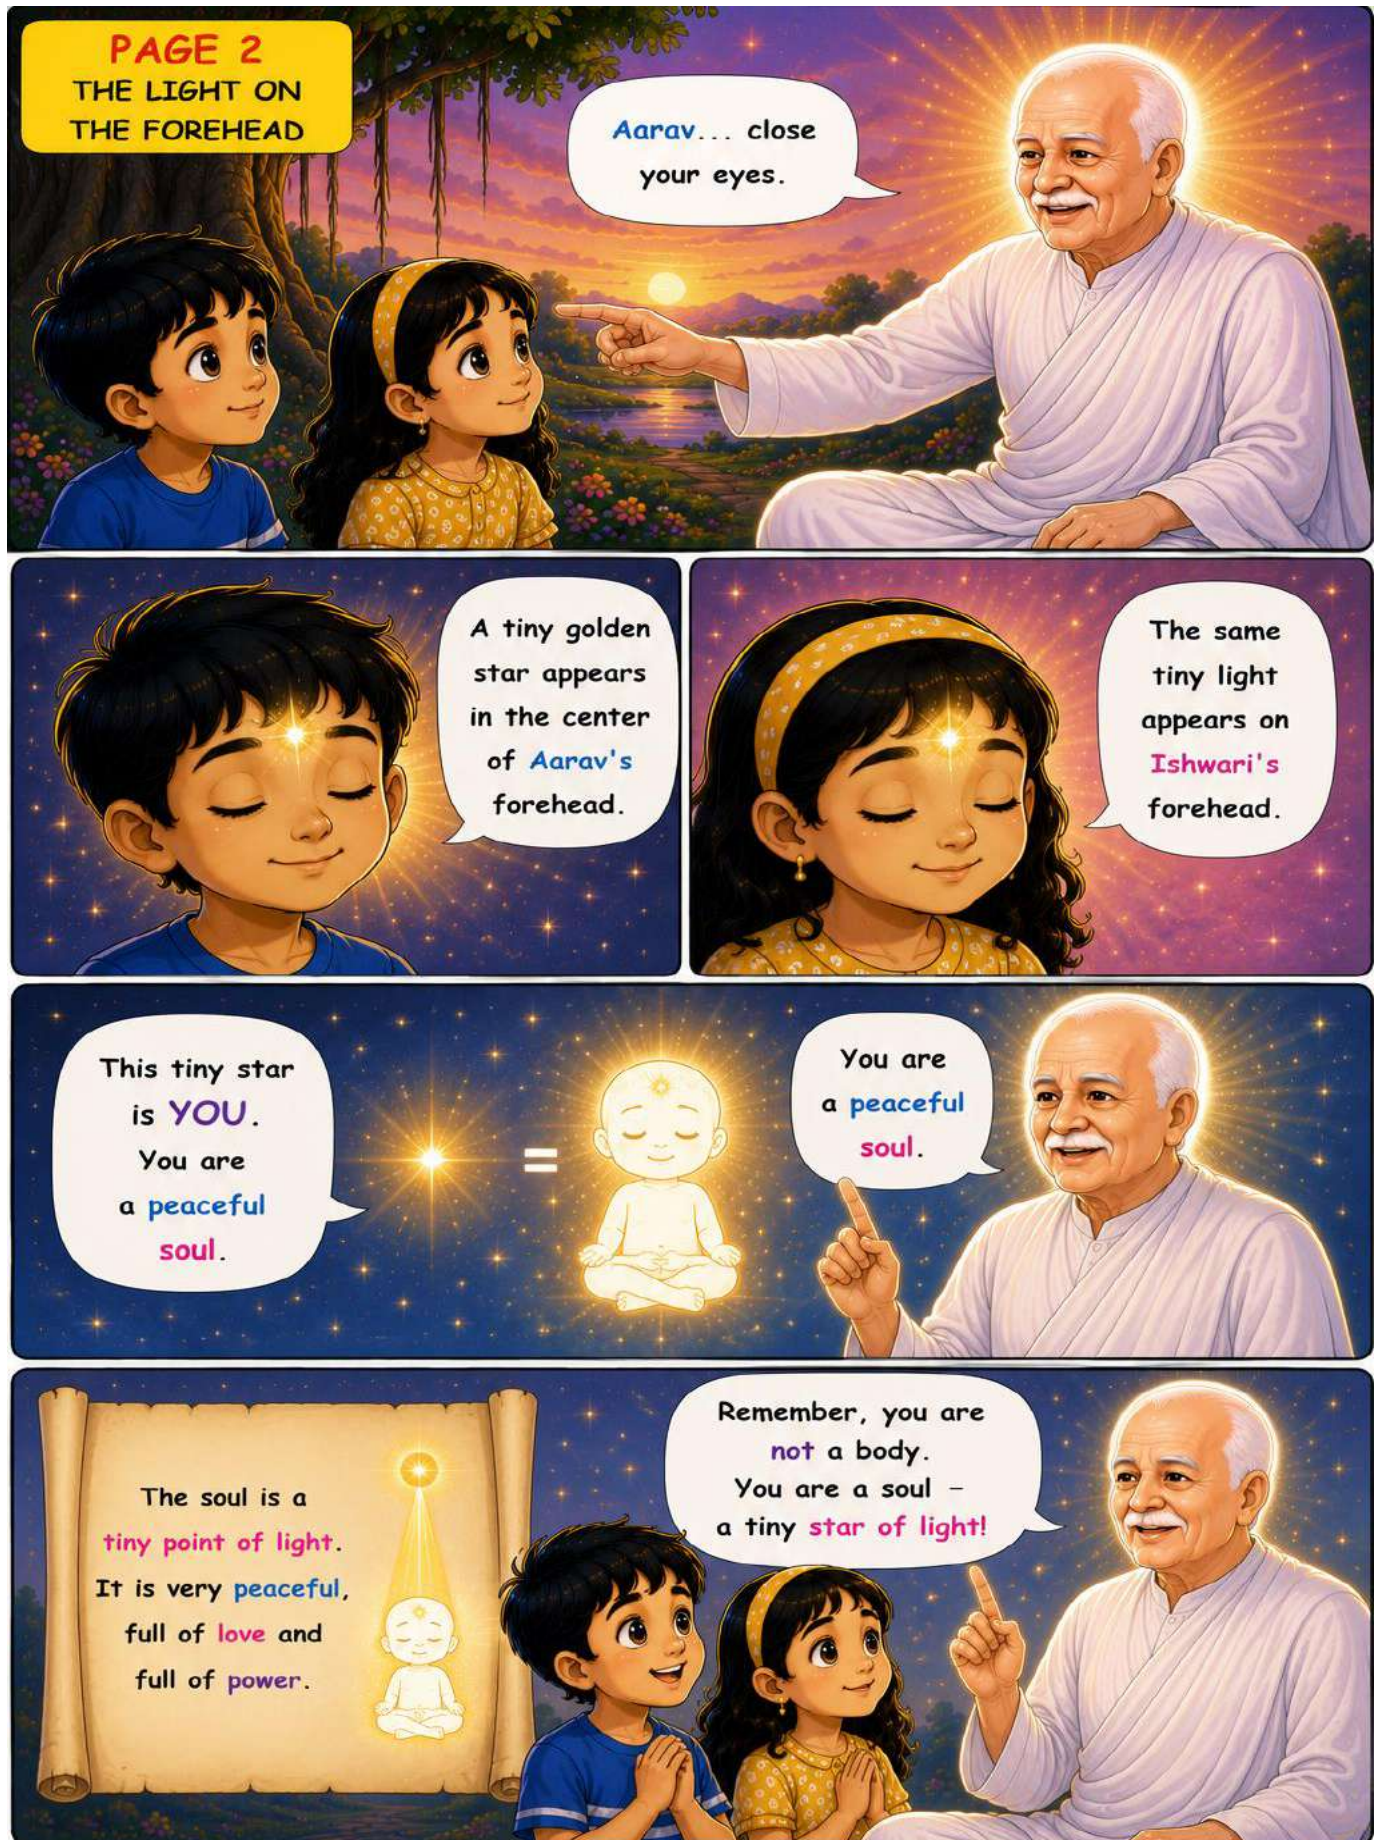

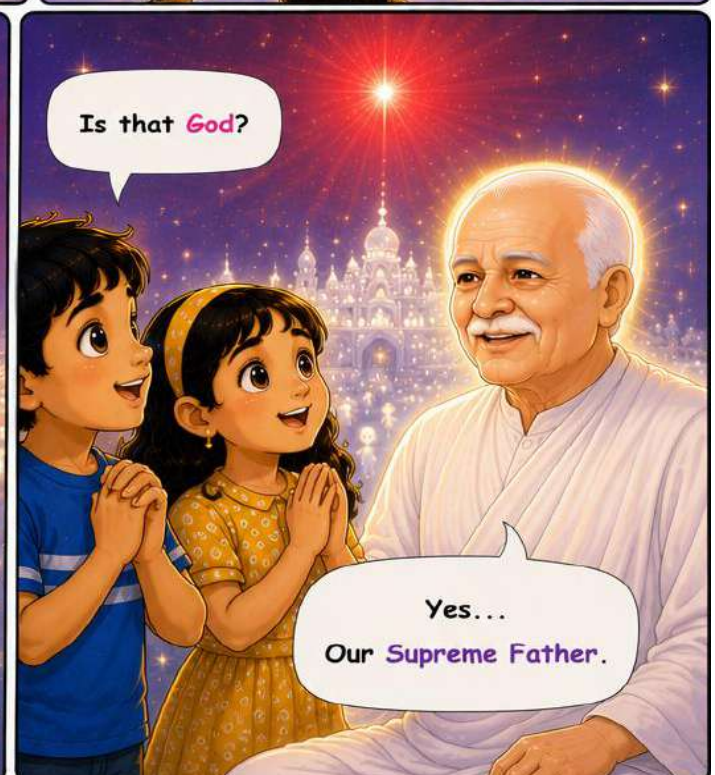

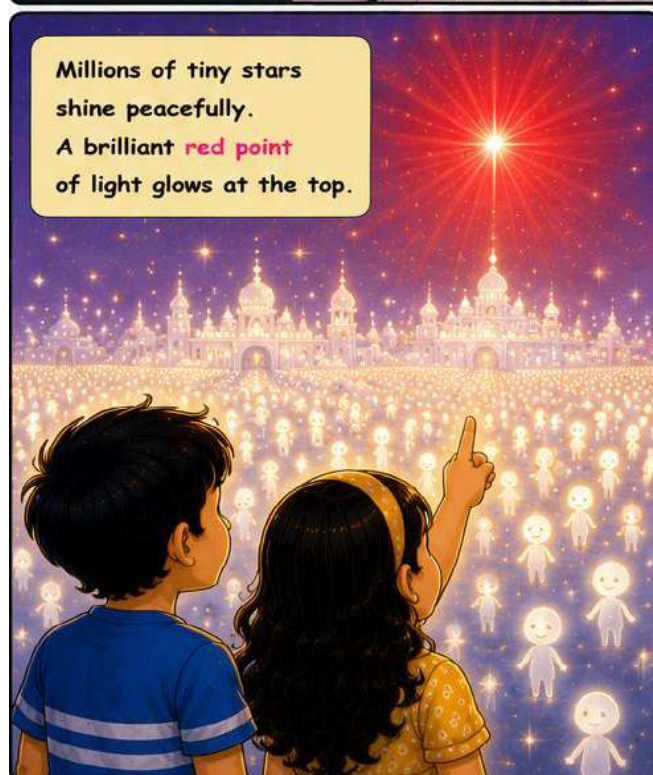

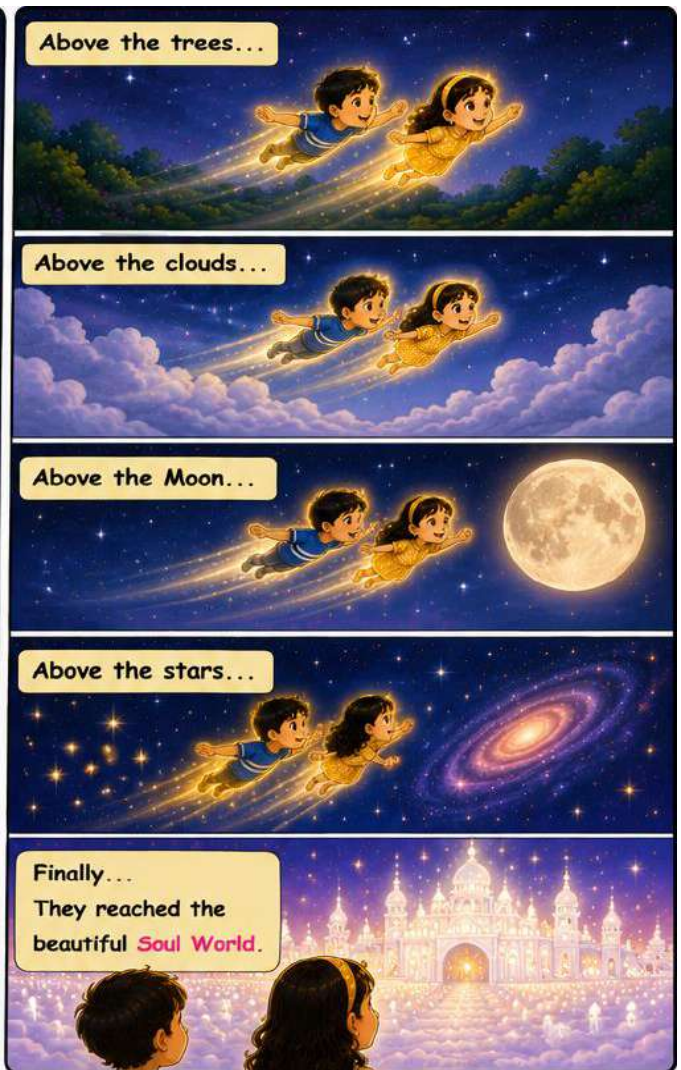

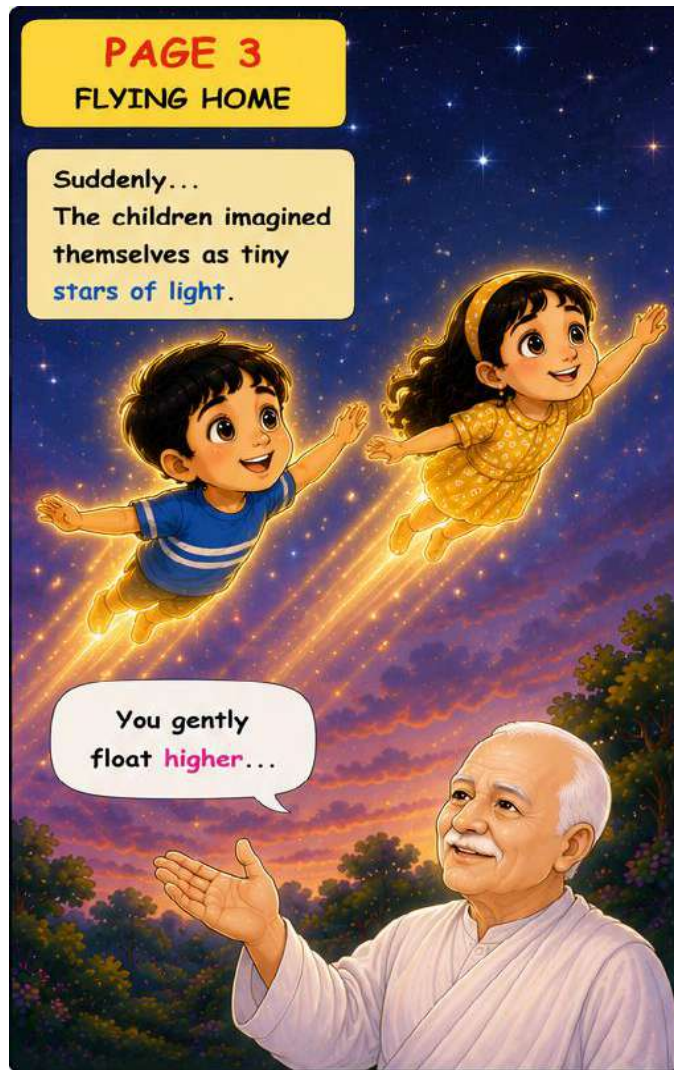

PAGE 4
MEETING GOD

The tiny point of
divine light radiated
golden rays of **love**.

The children felt
surrounded by **peace**.

They felt **light**...
safe...
and deeply **loved**.

God said,

My dear children...
I have **always**
been with you.

I was waiting
for you to
remember Me.

Aarav smiled
with **tears** of joy.

I've found
my **Eternal**
Friend.

When we meet God, we feel His **love**.
We are never alone. God is **always** with us.

**PAGE 5****RECHARGING
THE SOUL**

Golden rays of
Peace... Love...
Purity... Power...
Knowledge... Joy...
and Bliss...
flowed from God
to the children.

The tiny stars inside
them became brighter
and brighter.

God is the
Supreme Soul,
the Ocean of
Love and Power.

The rays filled them with...

LOVE

PEACE

KNOWLEDGE

PURITY

JOY

POWER

BLISS

The tiny stars inside them
became brighter and brighter!

Just as a mobile
phone needs
charging...

...the soul also
needs to recharge
with God's love
and power.

God is the eternal Powerhouse.

He fills our soul with peace, love, purity, power,
knowledge, joy and bliss.

**PAGE 6****A DAILY HABIT**

The children slowly opened their eyes. Everything looked brighter than before.

I feel peaceful.

I feel full of love.

Spend a few minutes with God every day. Your soul will stay happy and powerful.

Just a little time with God...

Peace 
Love 
Purity 
Power 
Knowledge 
Joy 
Bliss 

...fills the soul with so many beautiful treasures.

The tiny red point of light sparkled in the Soul World.

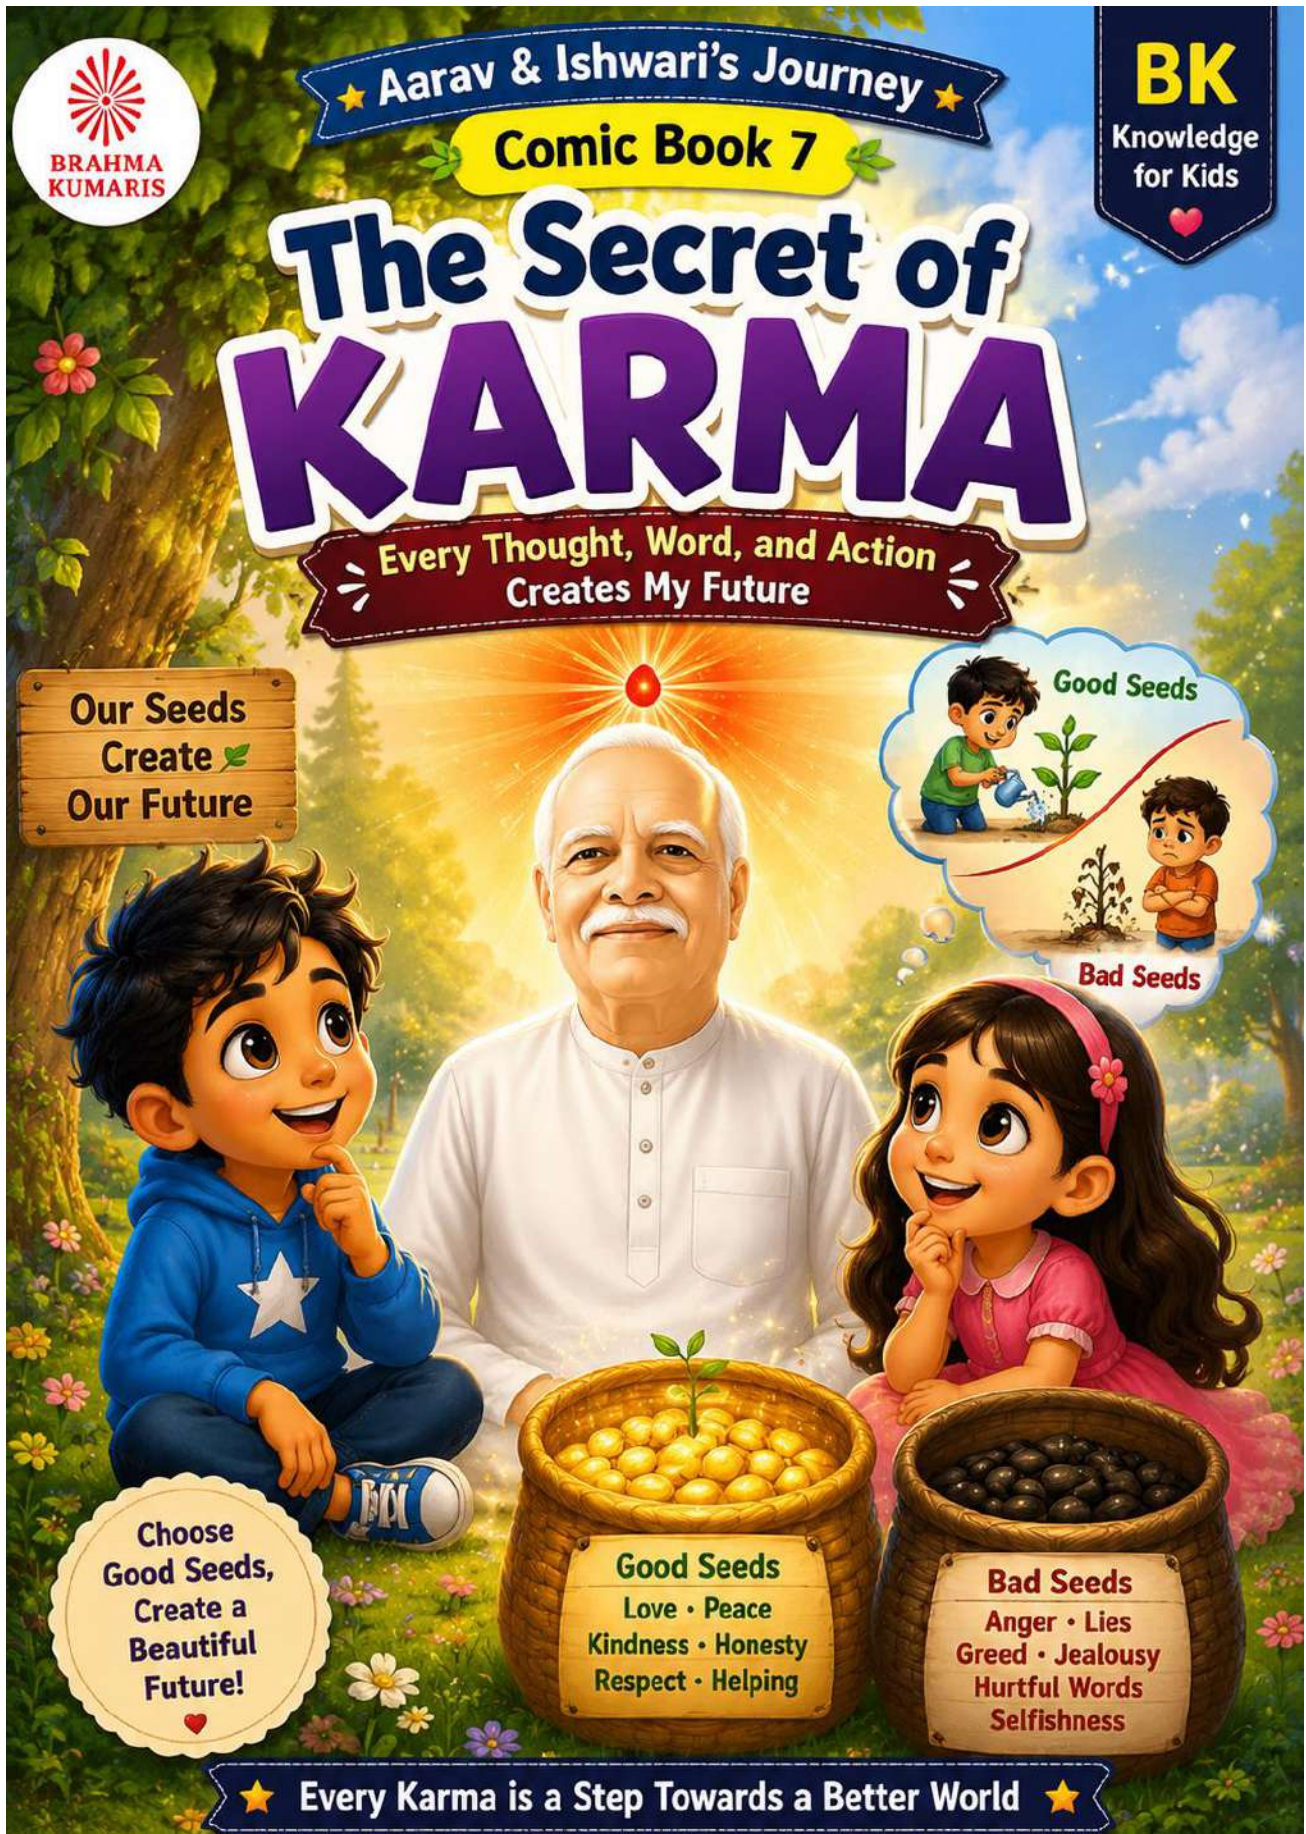

Tomorrow... I will show you how every thought becomes your future...

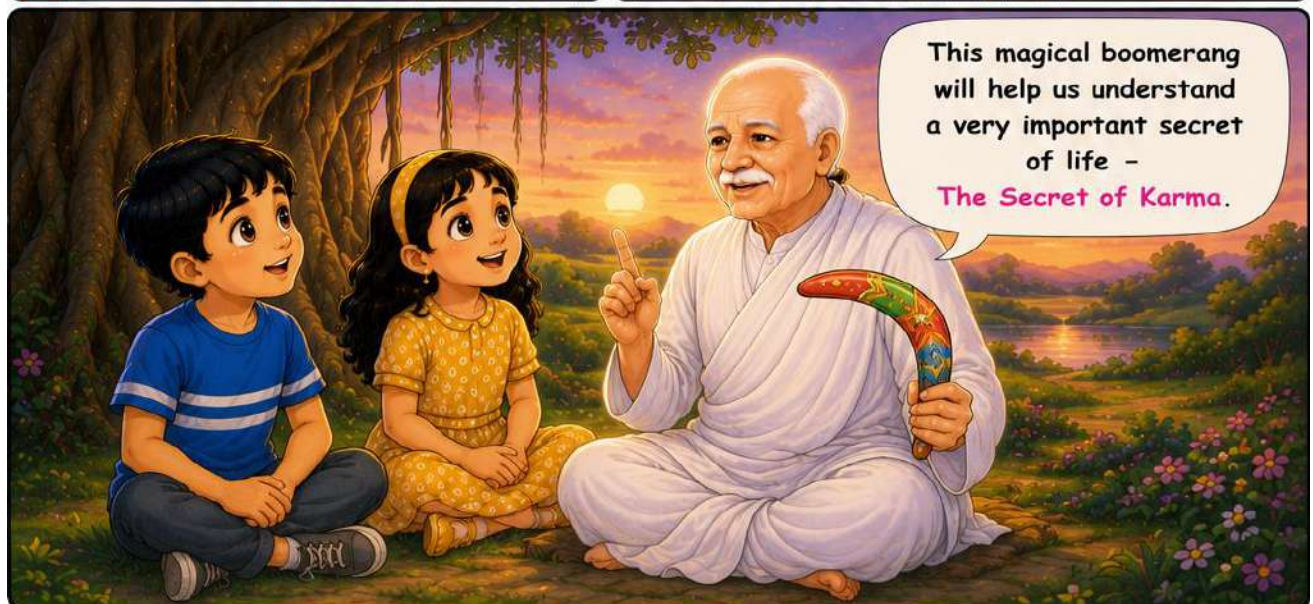

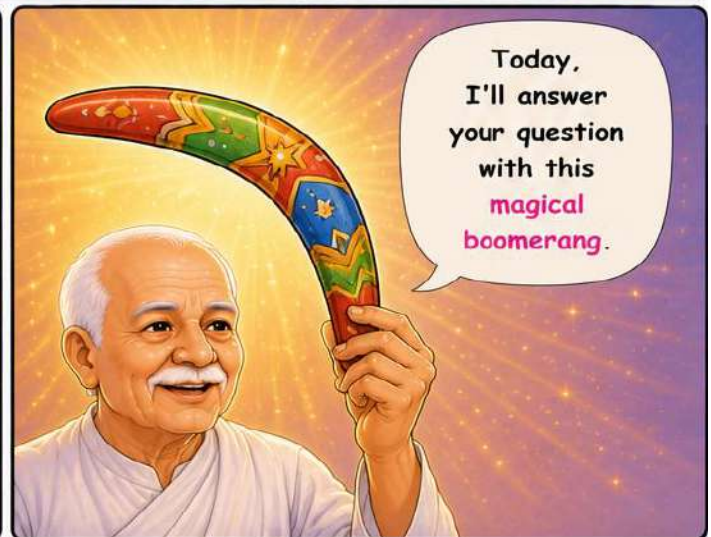

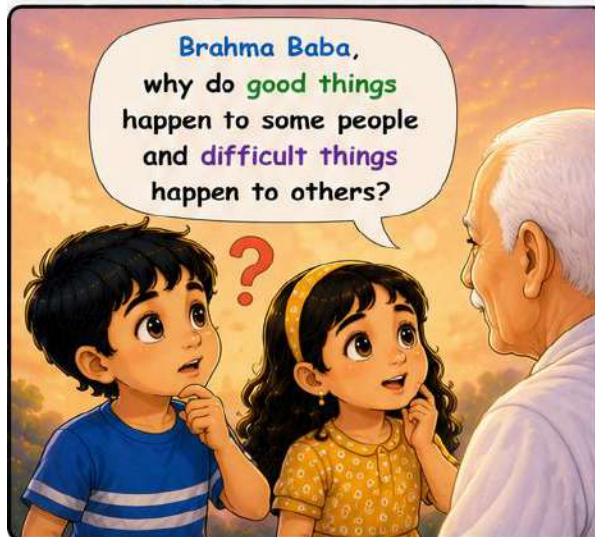

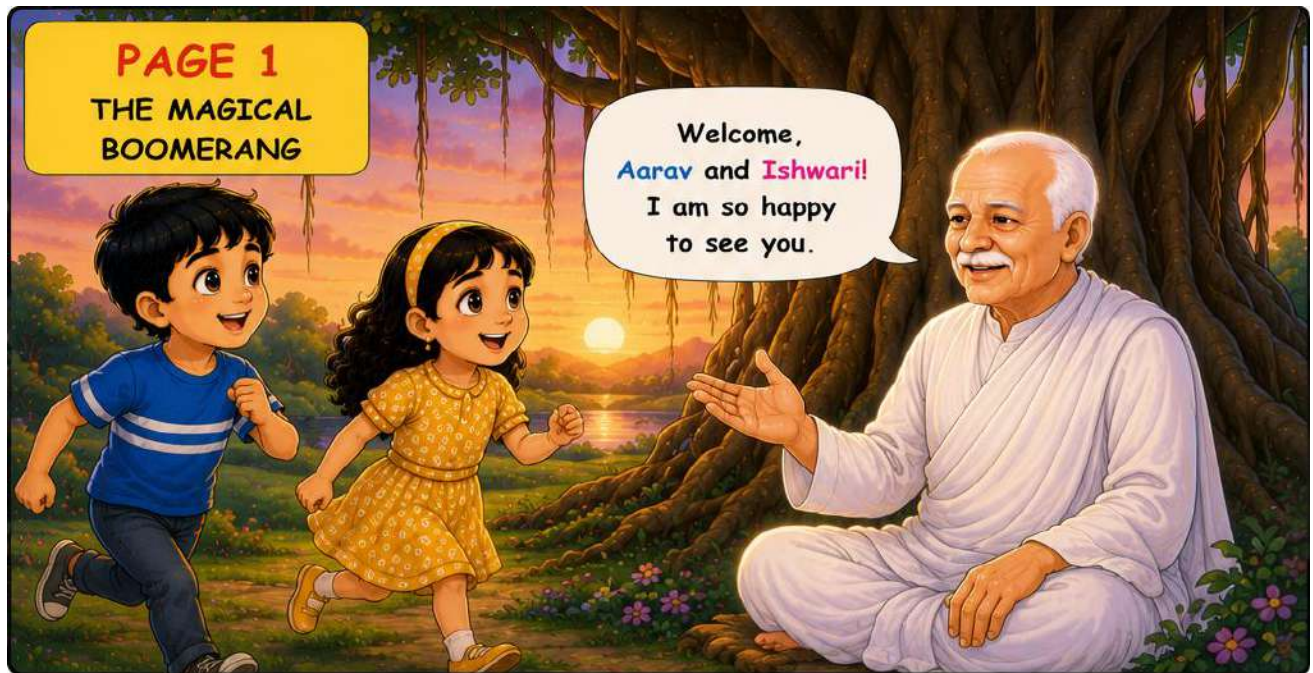

The Secret of Karma.

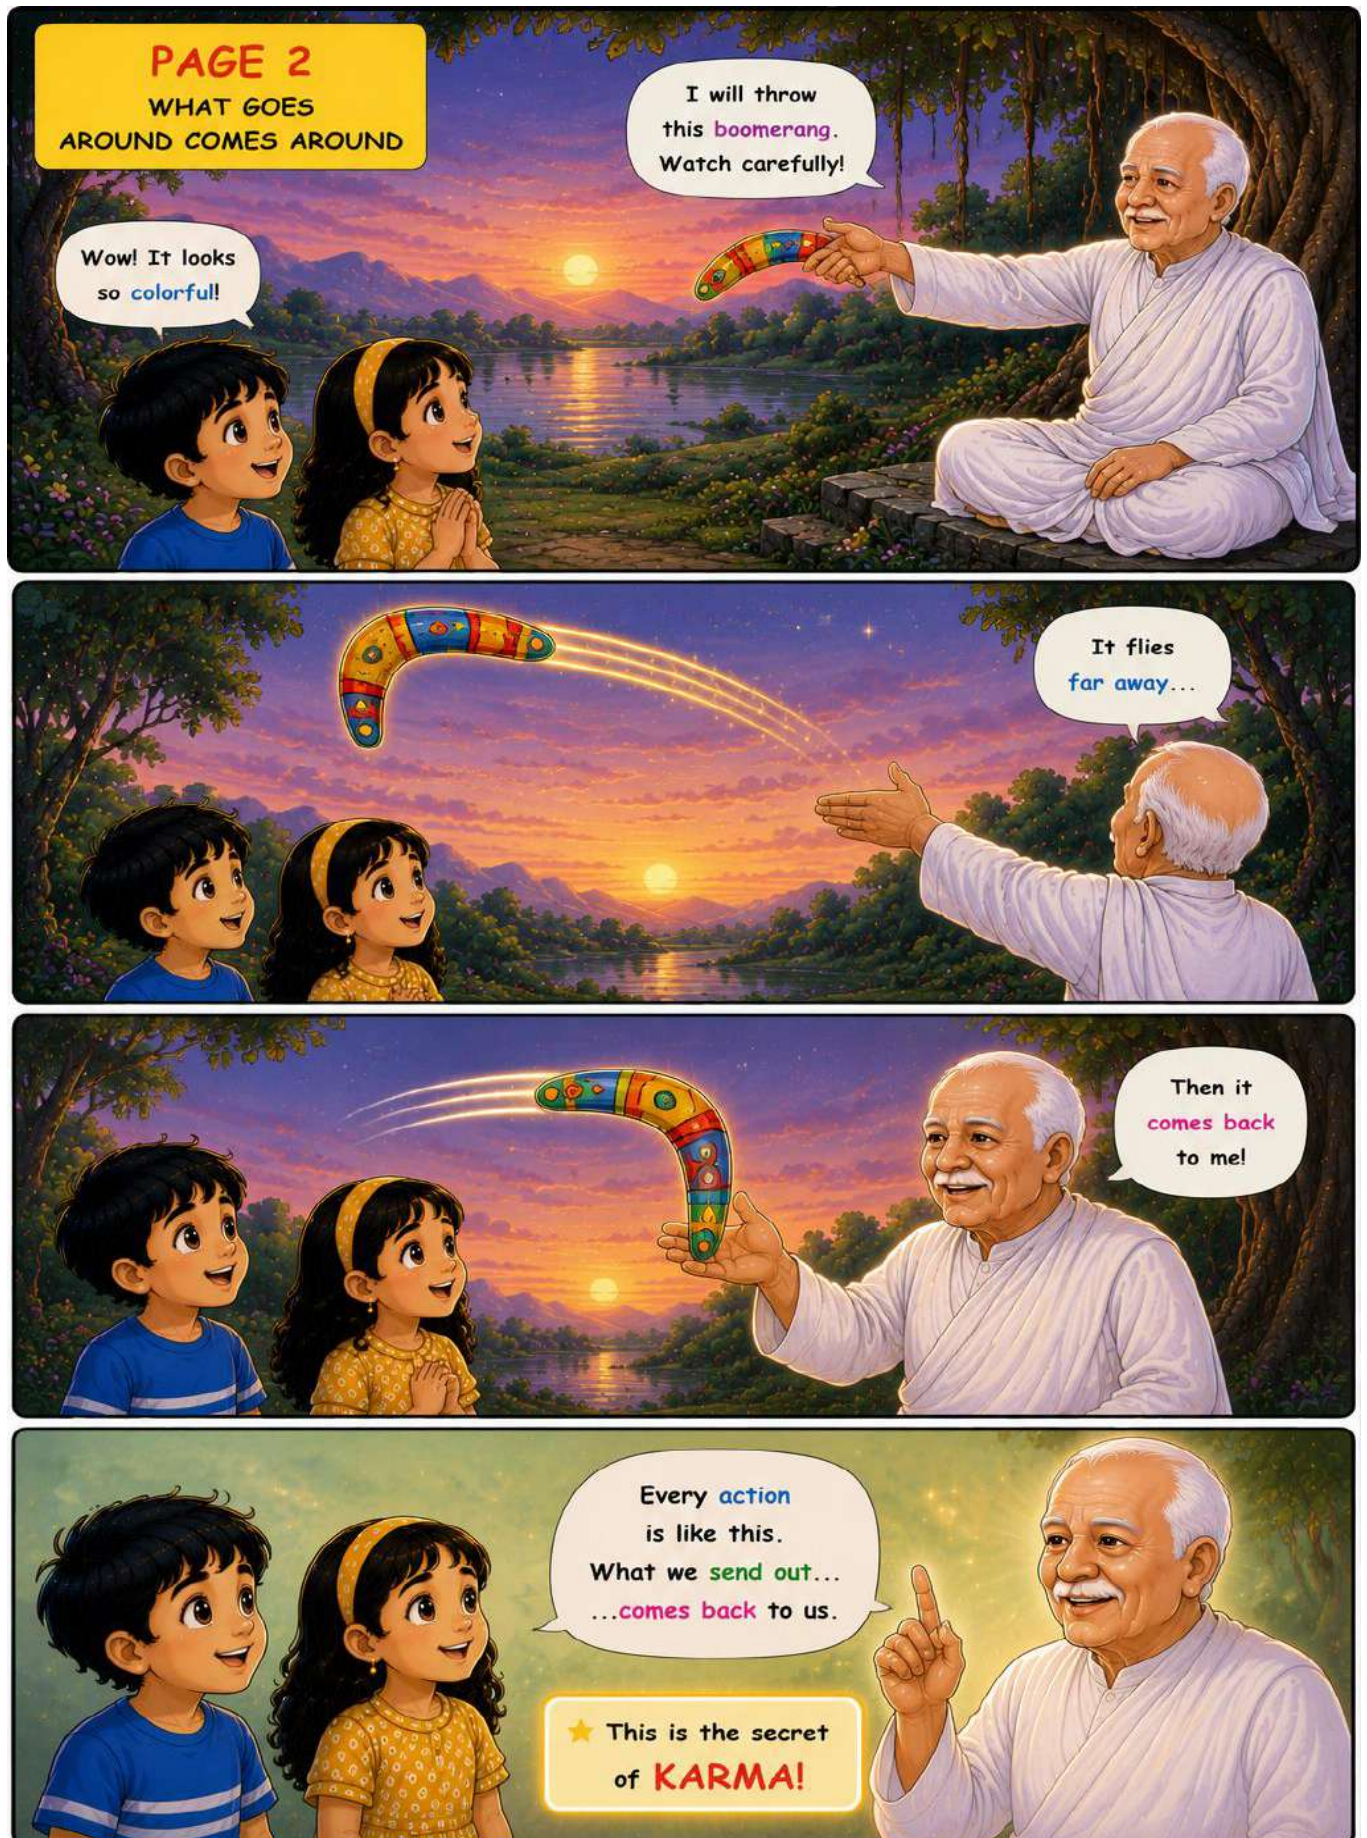

To Be Continued...

MORAL: Remembering God fills the soul with peace, love and strength.

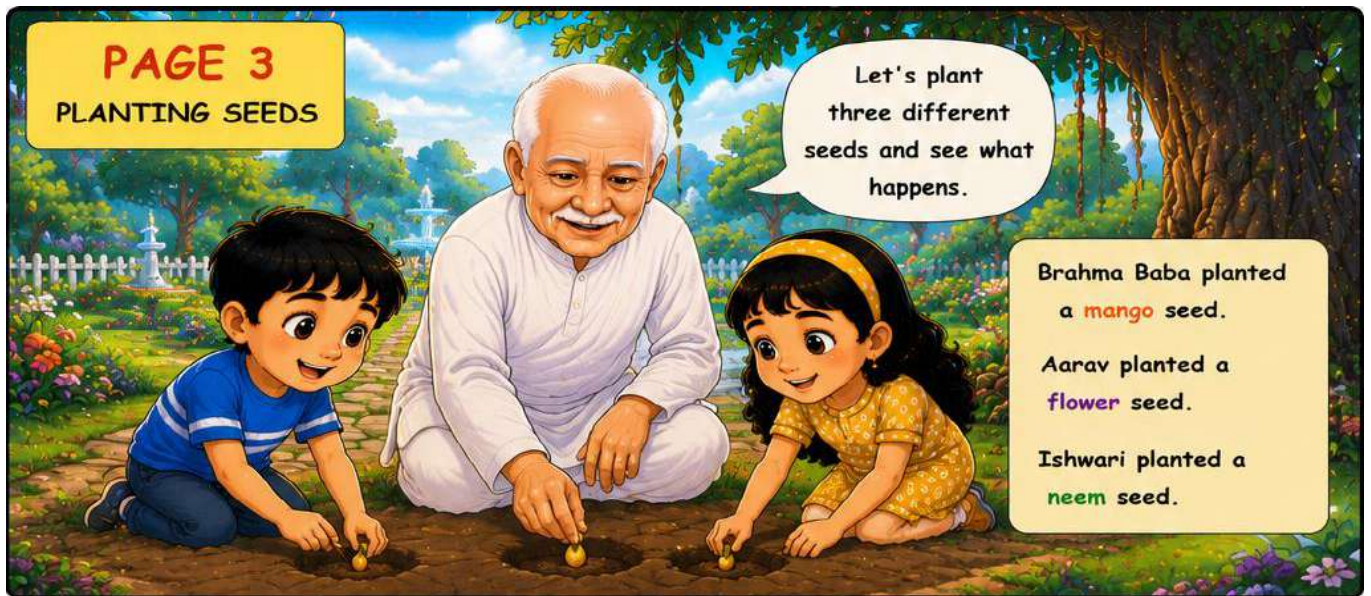

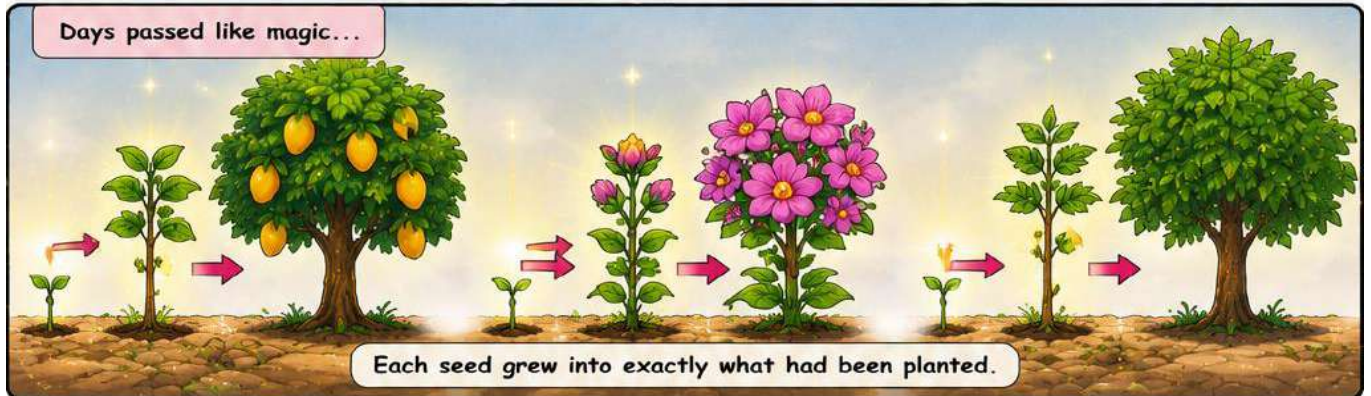

PAGE 3
PLANTING SEEDS

Days passed like magic...

Remember...

What we **think**...

What we **say**...

What we **do**...

Creates our **future**!

So, let's plant **beautiful seeds** every day!

PAGE 4
CHOOSING
GOOD SEEDS

Look at these two baskets.
Every seed we plant creates our future.

GOLDEN SEEDS

- Love
- Peace
- Kindness
- Honesty
- Respect
- Helping

DARK SEEDS

- Anger
- Lies
- Greed
- Jealousy
- Hurtful Words
- Selfishness

These golden seeds make our heart light and fill our life with happiness.

- Love
- Peace
- Kindness
- Honesty
- Respect
- Helping

These dark seeds make our heart heavy and bring sadness and problems.

- Anger
- Lies
- Greed
- Jealousy
- Hurtful Words
- Selfishness

We always have a choice.
Which seeds will you plant in your mind and in your life?

We will plant only the golden seeds!

Golden seeds make our heart beautiful and our life wonderful.

Dark seeds make our heart heavy and our life full of worries.

So, let's choose the golden seeds of love, peace and kindness every day and make the world a better place!

**PAGE 5****KARMA IN
EVERYDAY LIFE**

Aarav helped an elderly man cross the road.

The man **blessed** him with a **warm smile**.

Ishwari shared her lunch with a friend who had forgotten theirs.

The friend **hugged** her **happily**.

Then they saw another child **shouting** at everyone.

Soon, **no one** wanted to play with him.

Good karma brings **happiness**.

Wrong karma brings **sadness**.

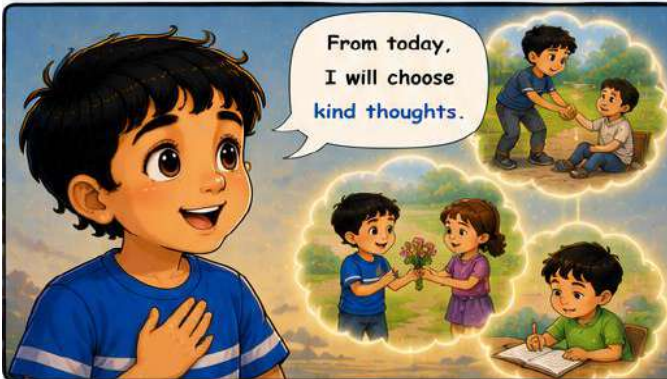

Good thoughts, words and actions create **good karma**.
Wrong thoughts, words and actions create **bad karma**.

**PAGE 6****MY FUTURE
BEGINS TODAY**

Every new day
gives you a chance
to plant **beautiful seeds**.

Even one kind thought
can **change someone's life**.

From today,
I will choose
kind thoughts.

I will spread
happiness
wherever I go.

I bless you both.
The future begins
with **today's karma**.

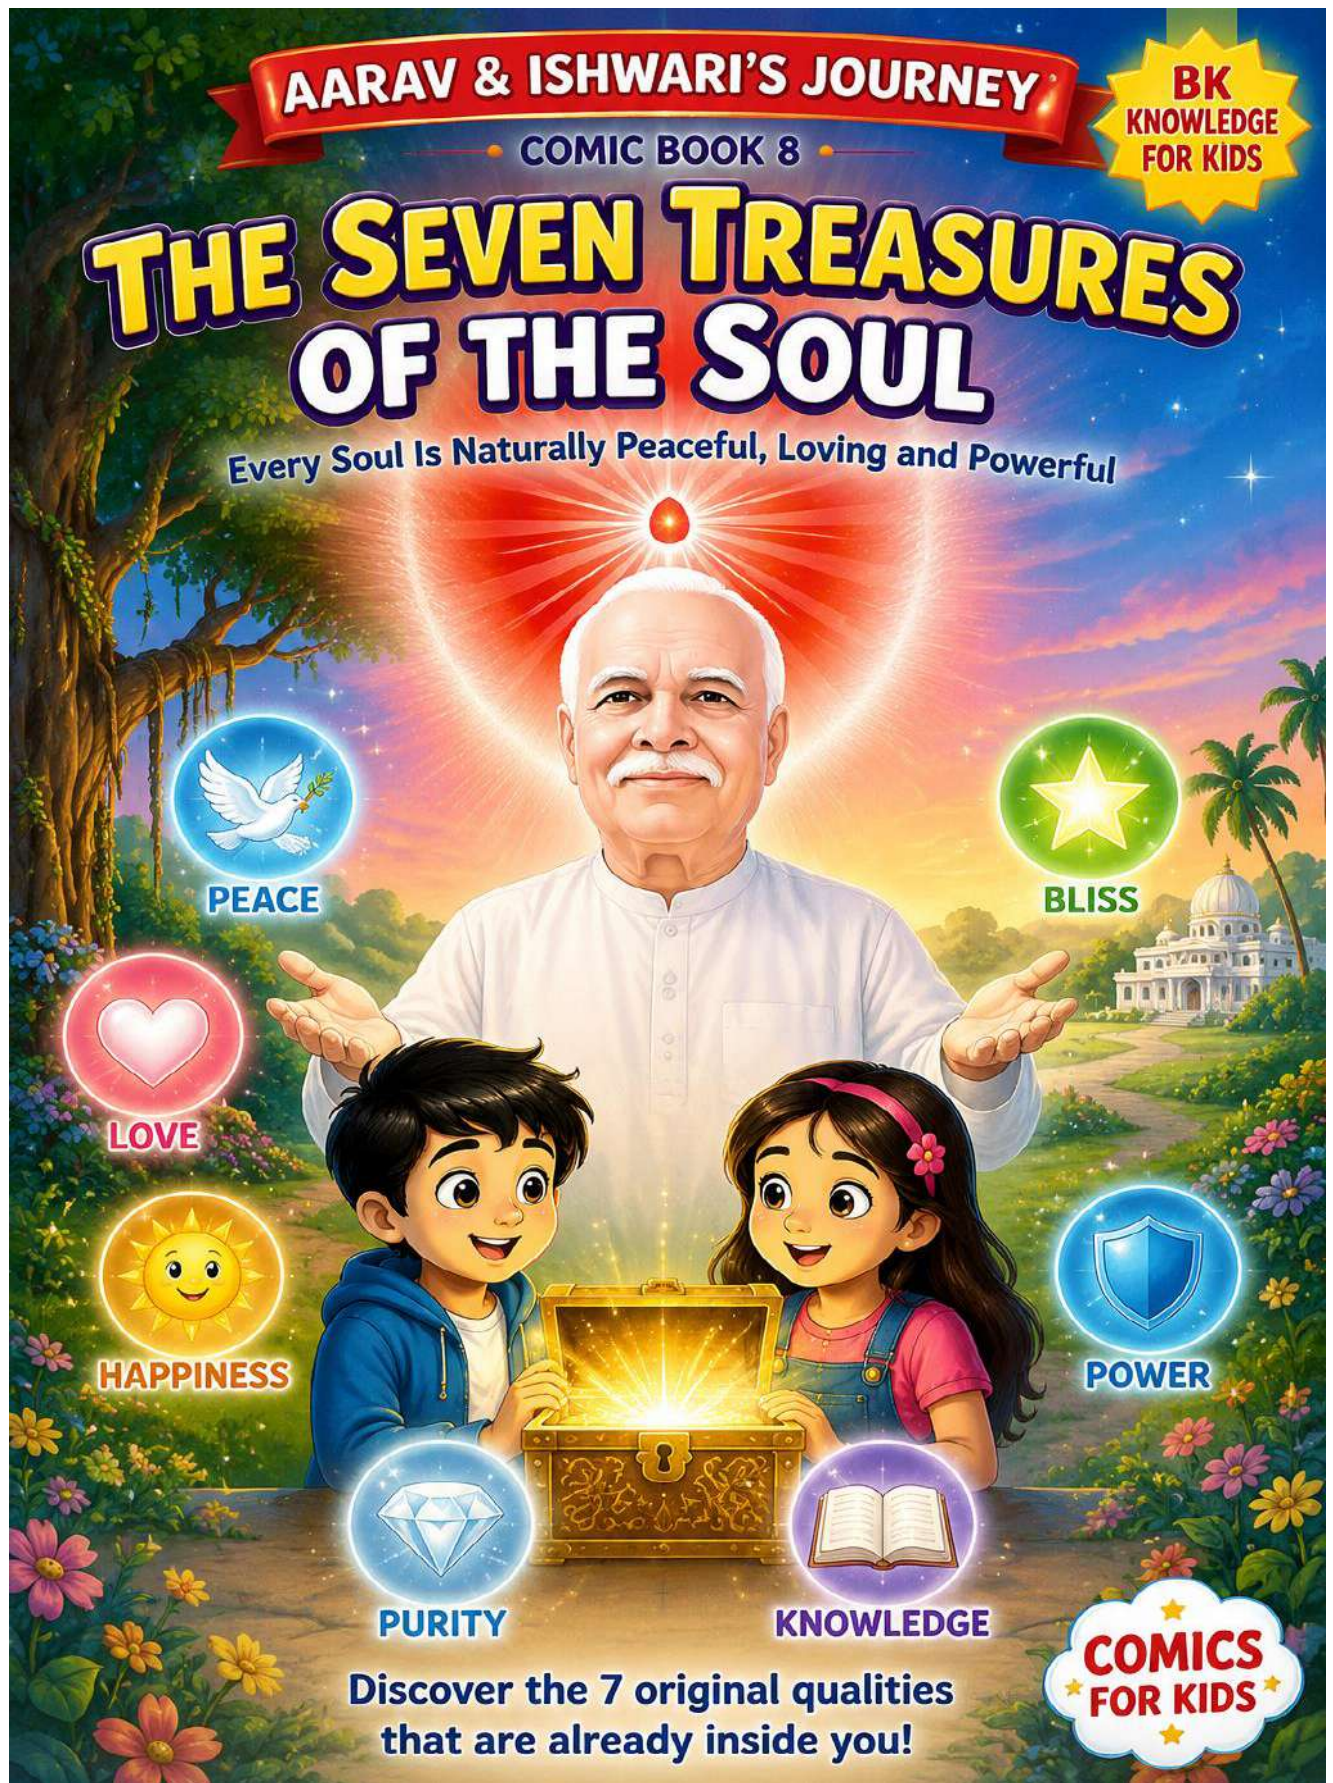

Remember...

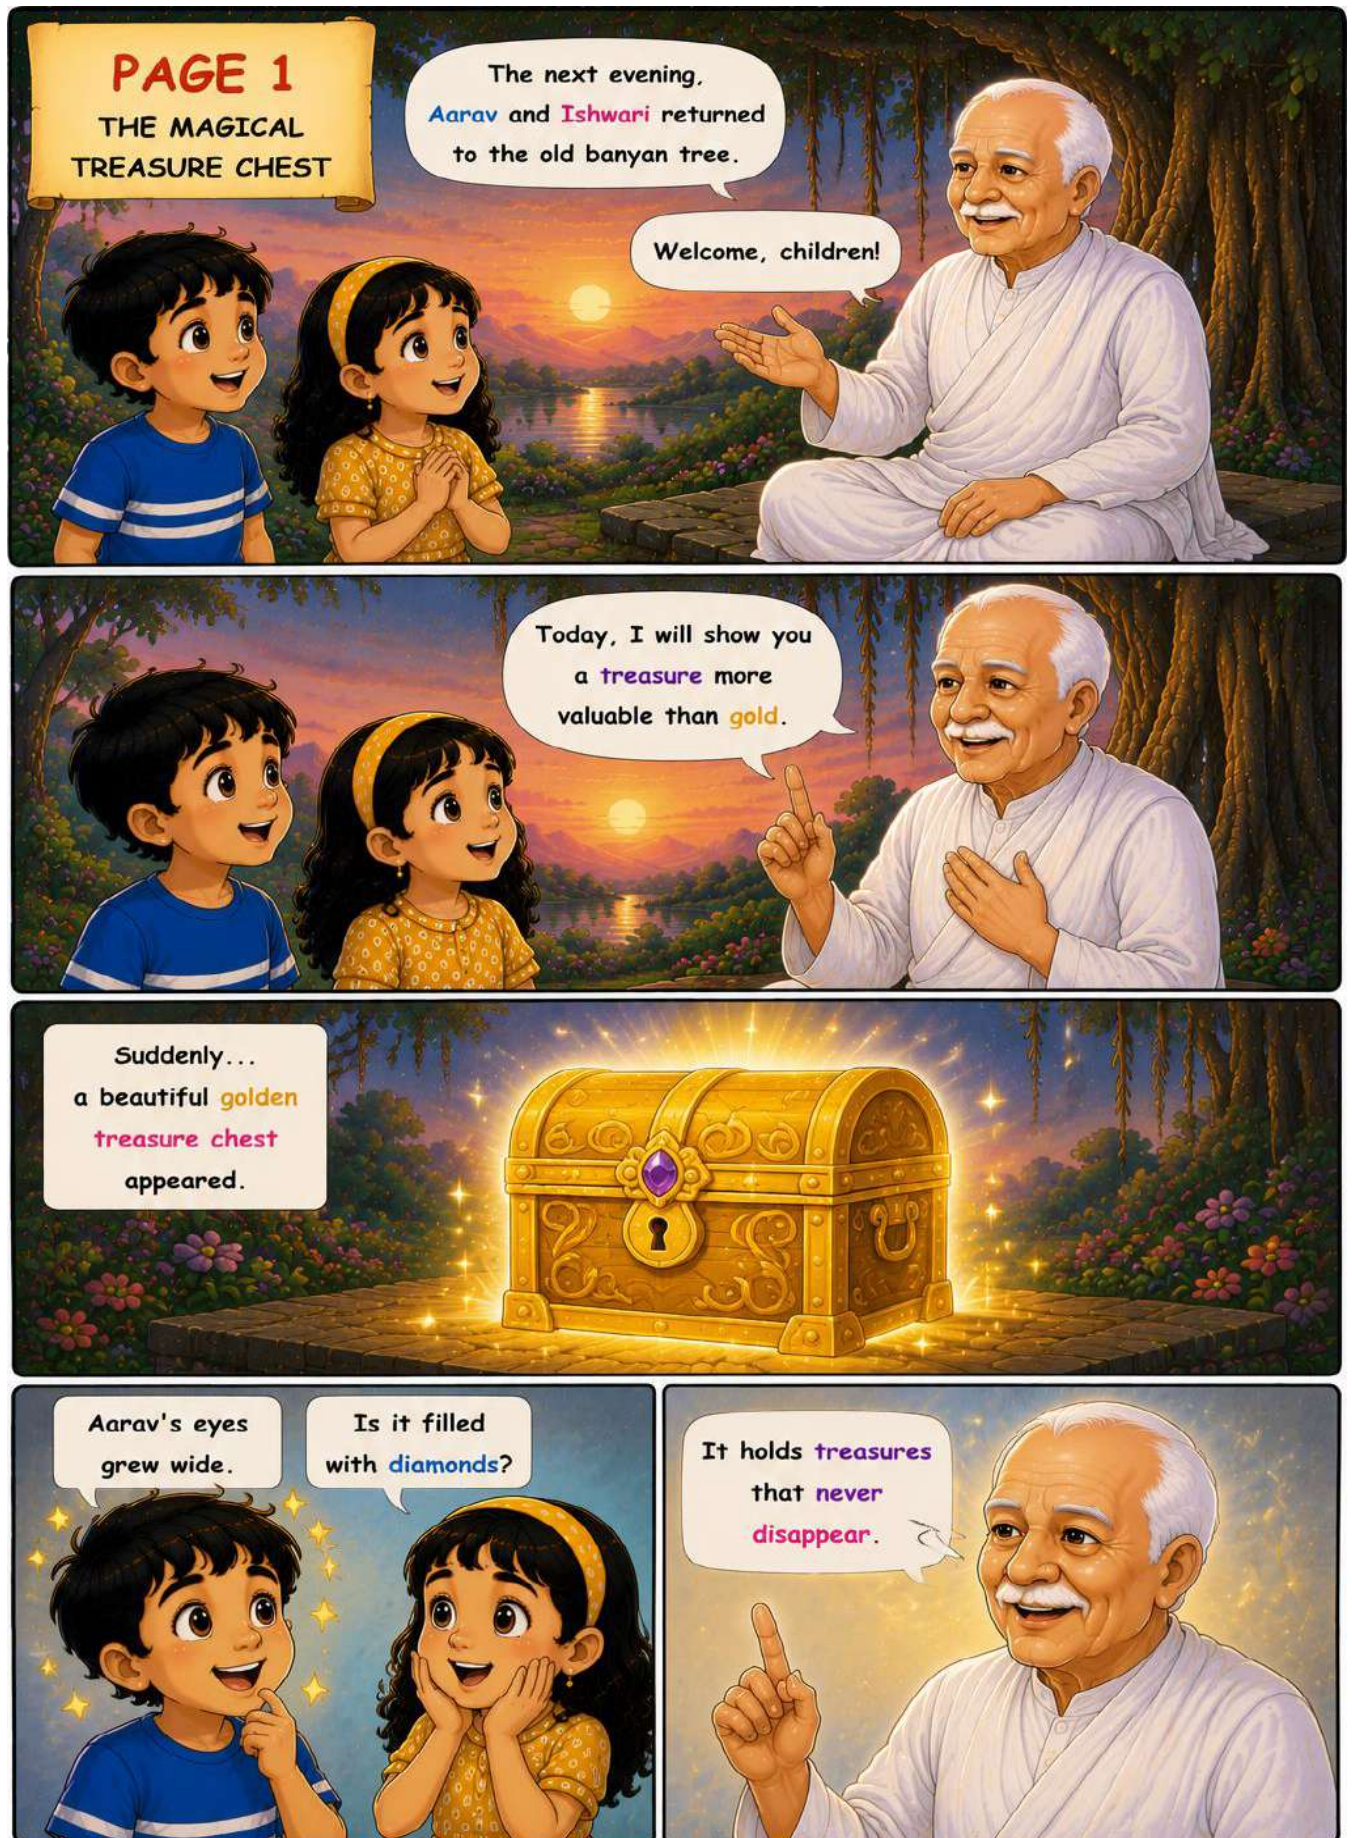

- Every thought is a seed.
- Every word is a seed.
- Every action is a seed.
- These seeds create
our **future**.

Tomorrow...
I will show you
the **seven beautiful
treasures** hidden
inside every soul.

**TO BE
CONTINUED...**

MORAL: Every thought, every word, and every action is a seed
that **creates our future**.

**PAGE 2**

THE FIRST
TREASURE:
PEACE

The treasure chest
slowly opened.
A glowing **white lotus**
floated into the air.

Golden light
spread
everywhere.

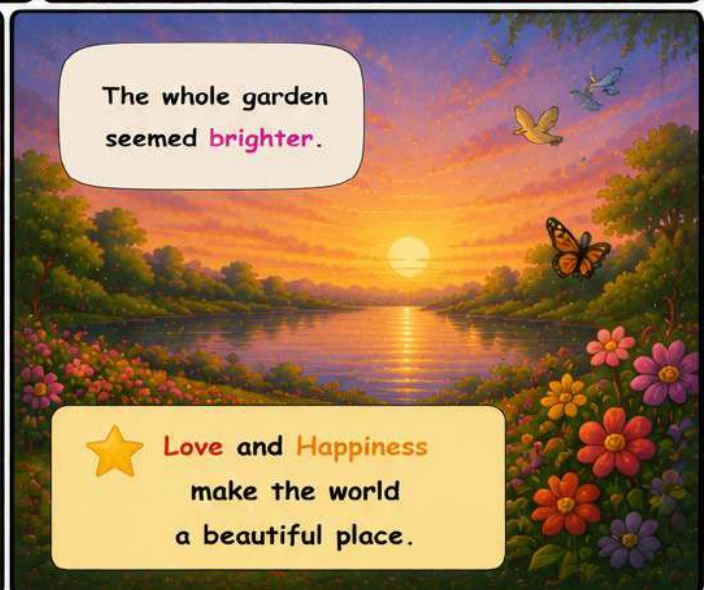

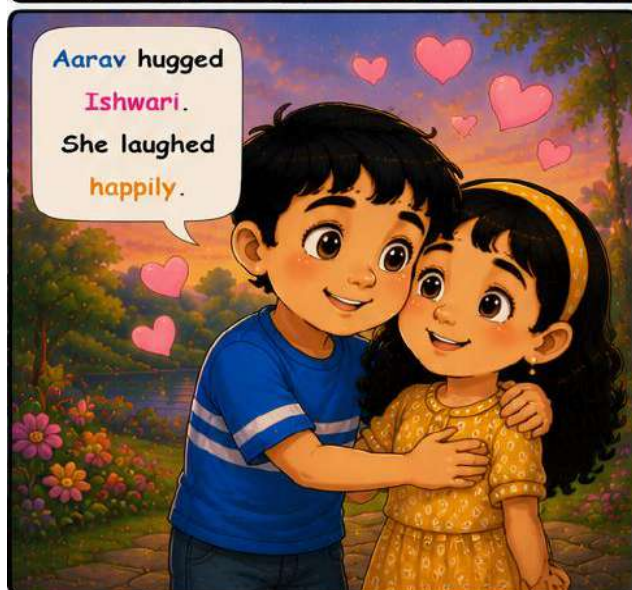

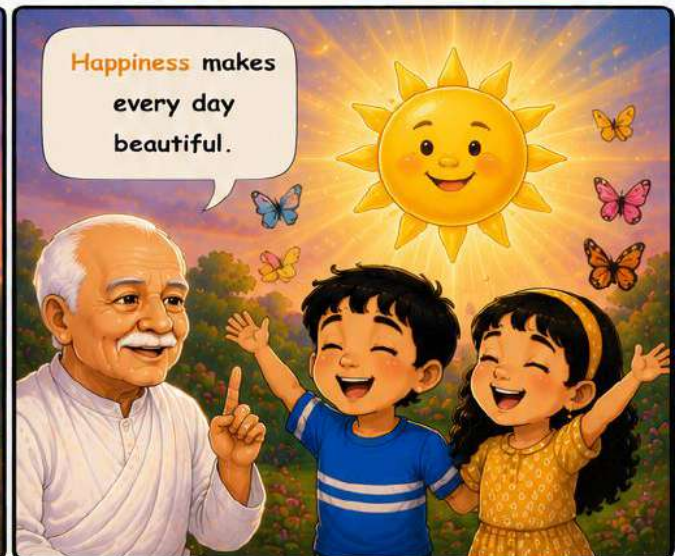

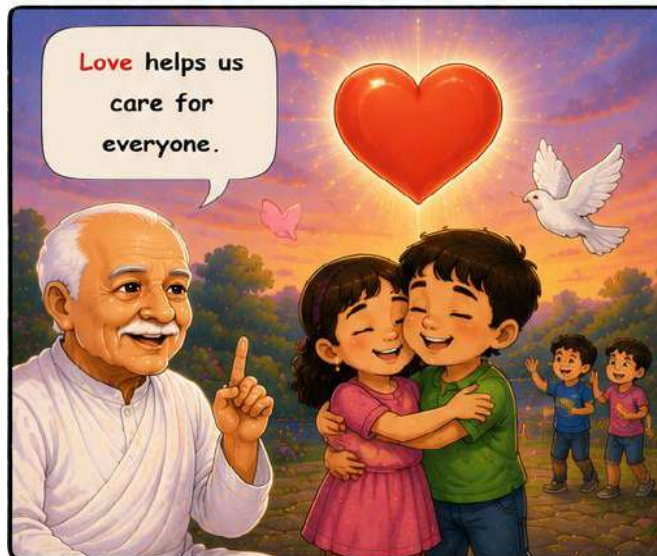

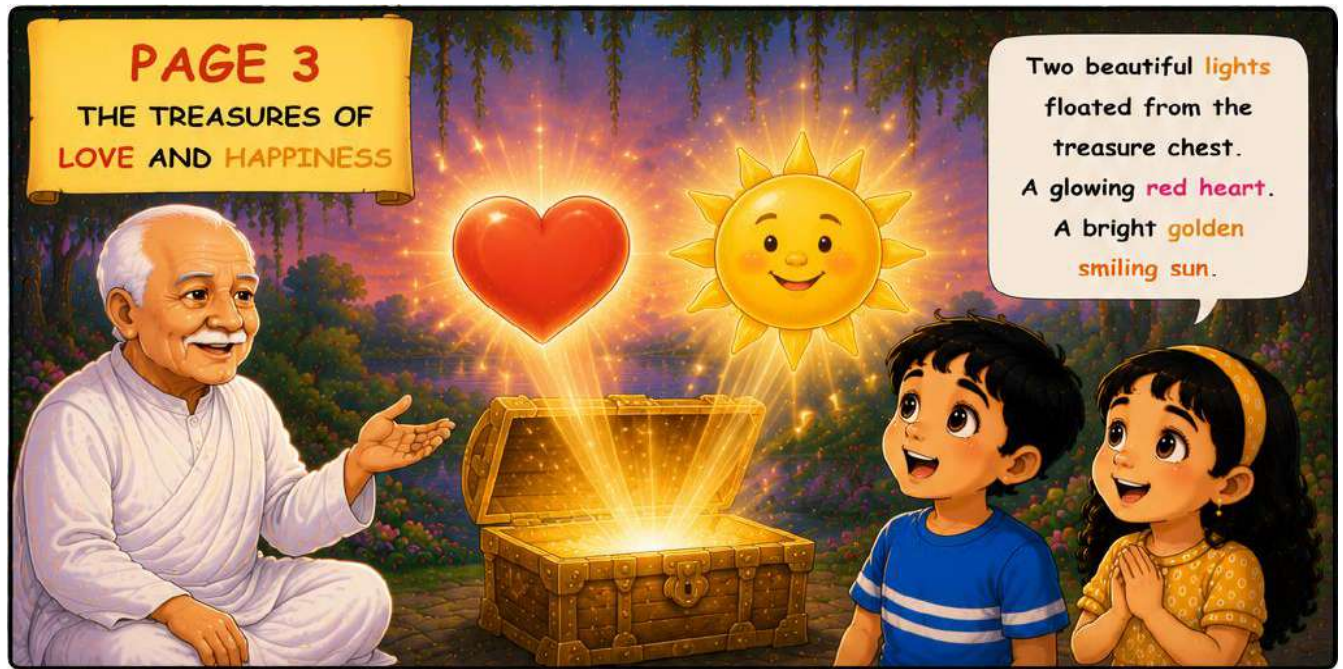

The birds
became quiet.

The wind
became
gentle.

This is **Peace**.
It is your
original nature.

I can
feel the
peace.

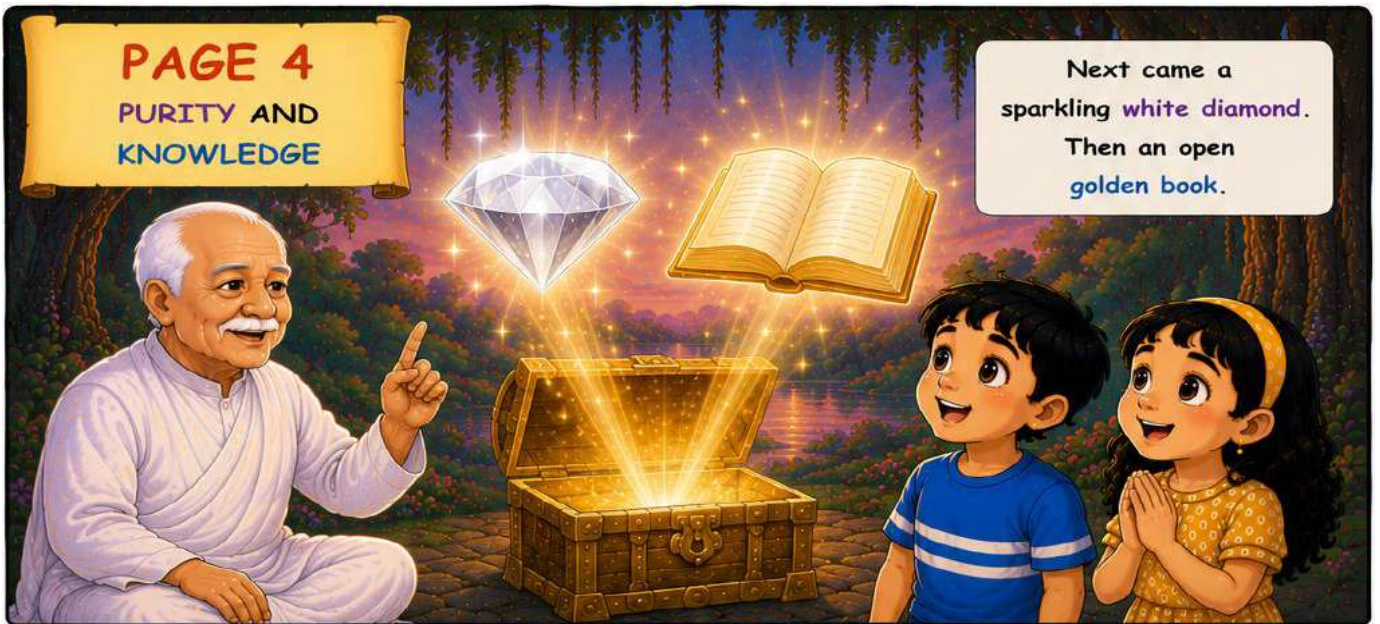

★ **Peace** is
our original
treasure.
It makes our
mind **calm**
and our **heart**
light.

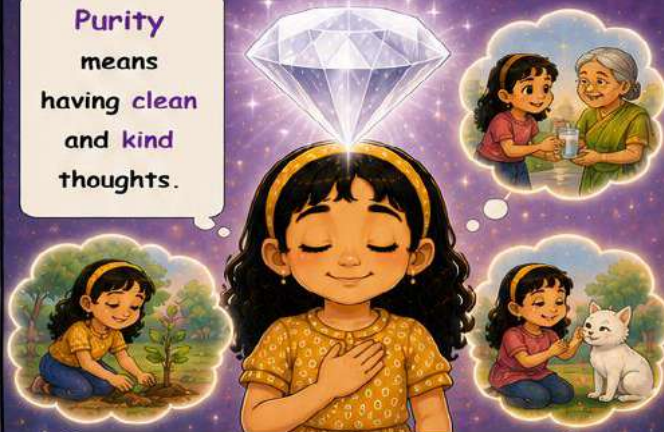

PAGE 4
PURITY AND
KNOWLEDGE

Next came a
sparkling **white** diamond.
Then an open
golden book.

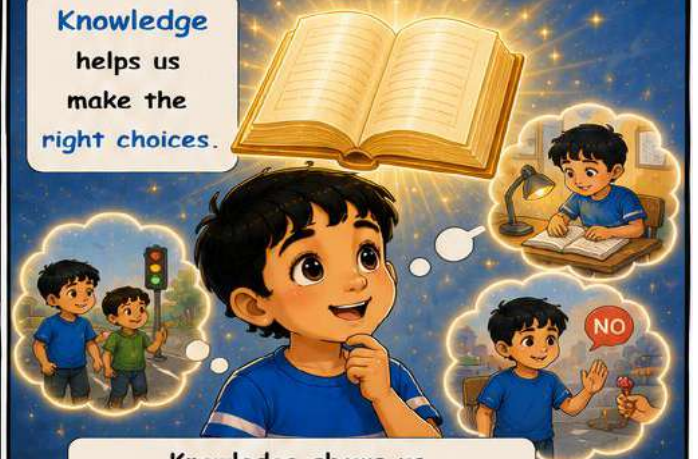

Purity
means
having **clean**
and **kind**
thoughts.

Purity keeps our heart
clean and our actions **good**.

Knowledge
helps us
make the
right choices.

Knowledge shows us
what is **right** and what is **not**.

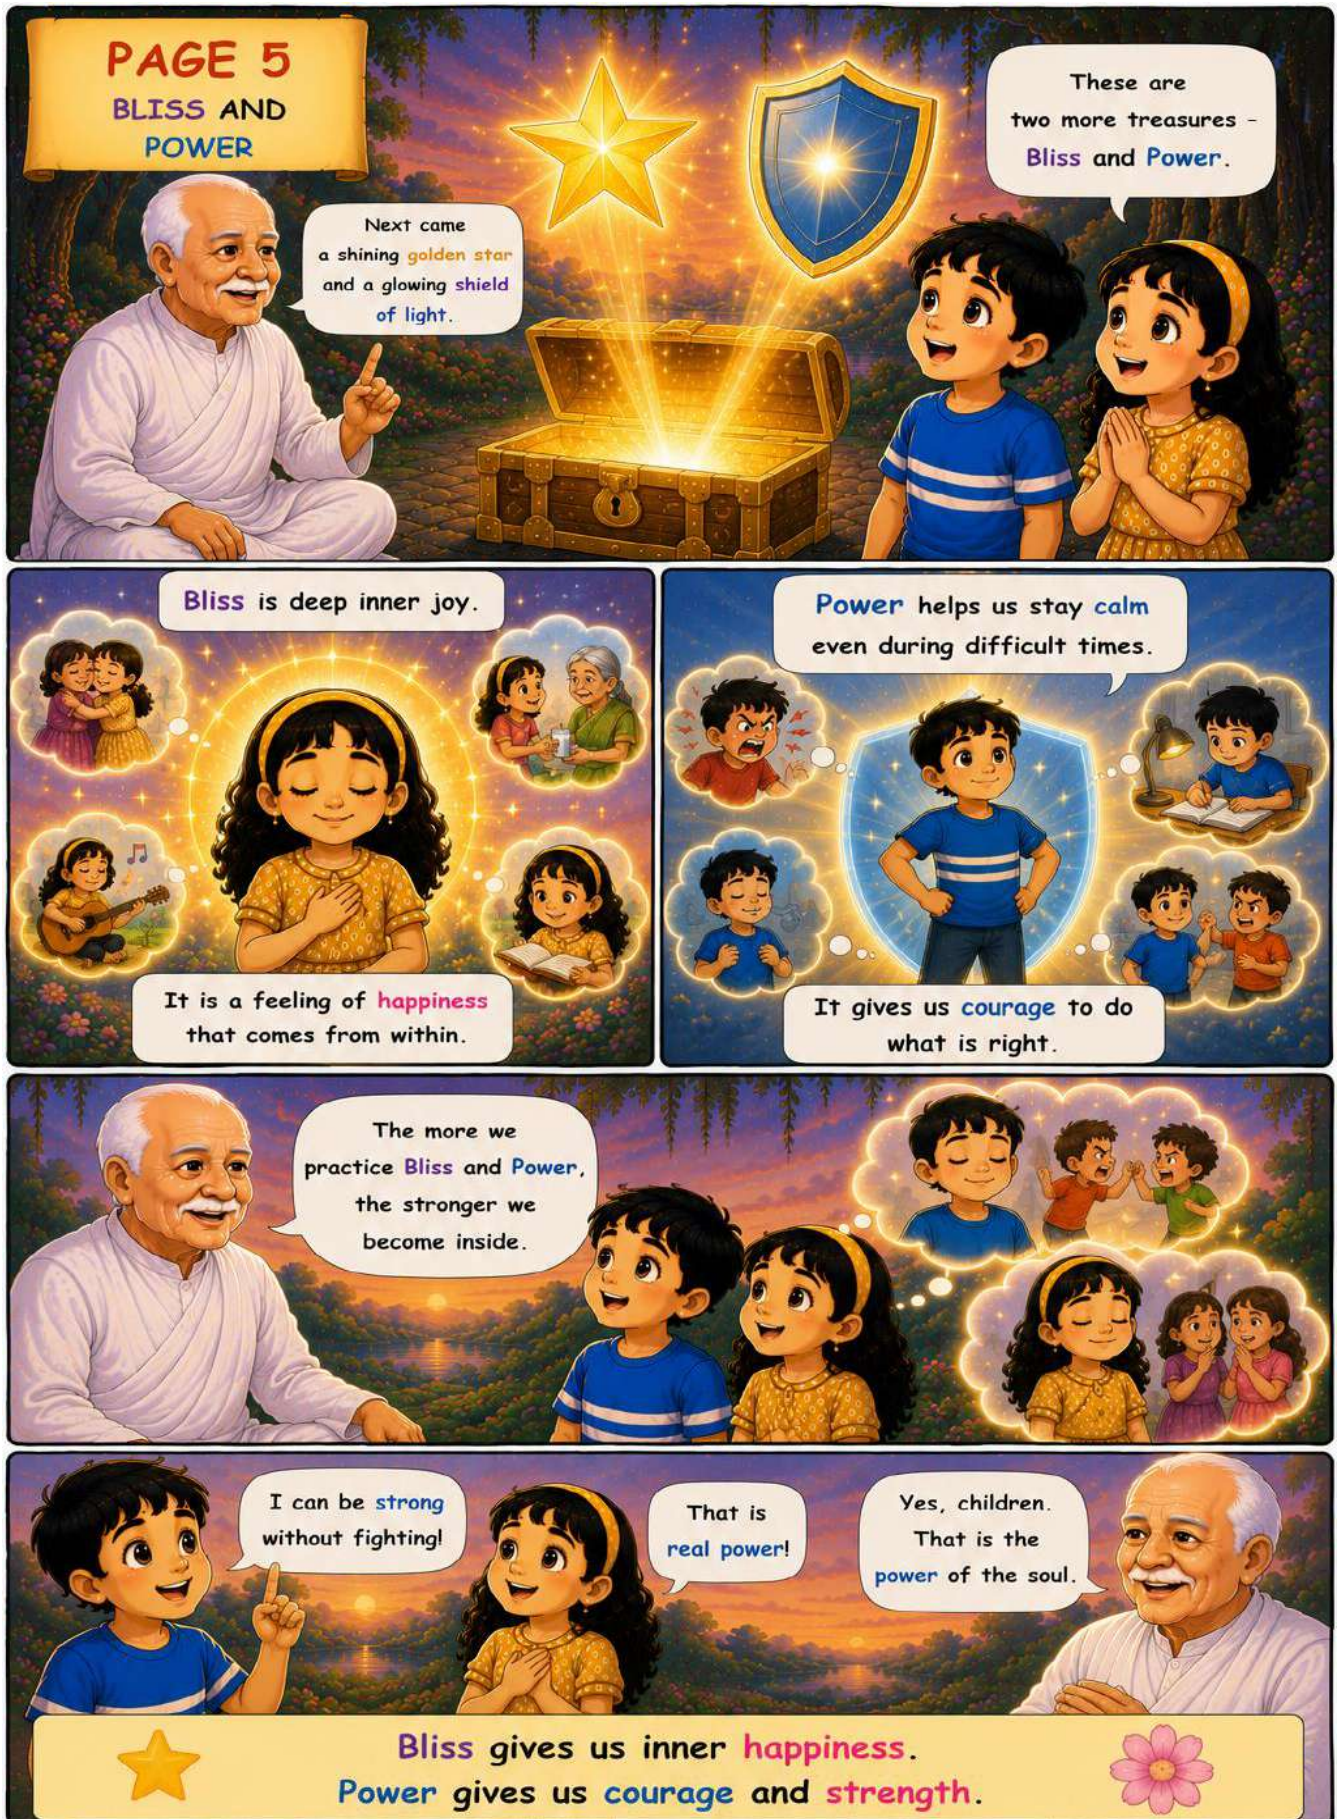

When our thoughts
are **pure** and our
knowledge is **true**...

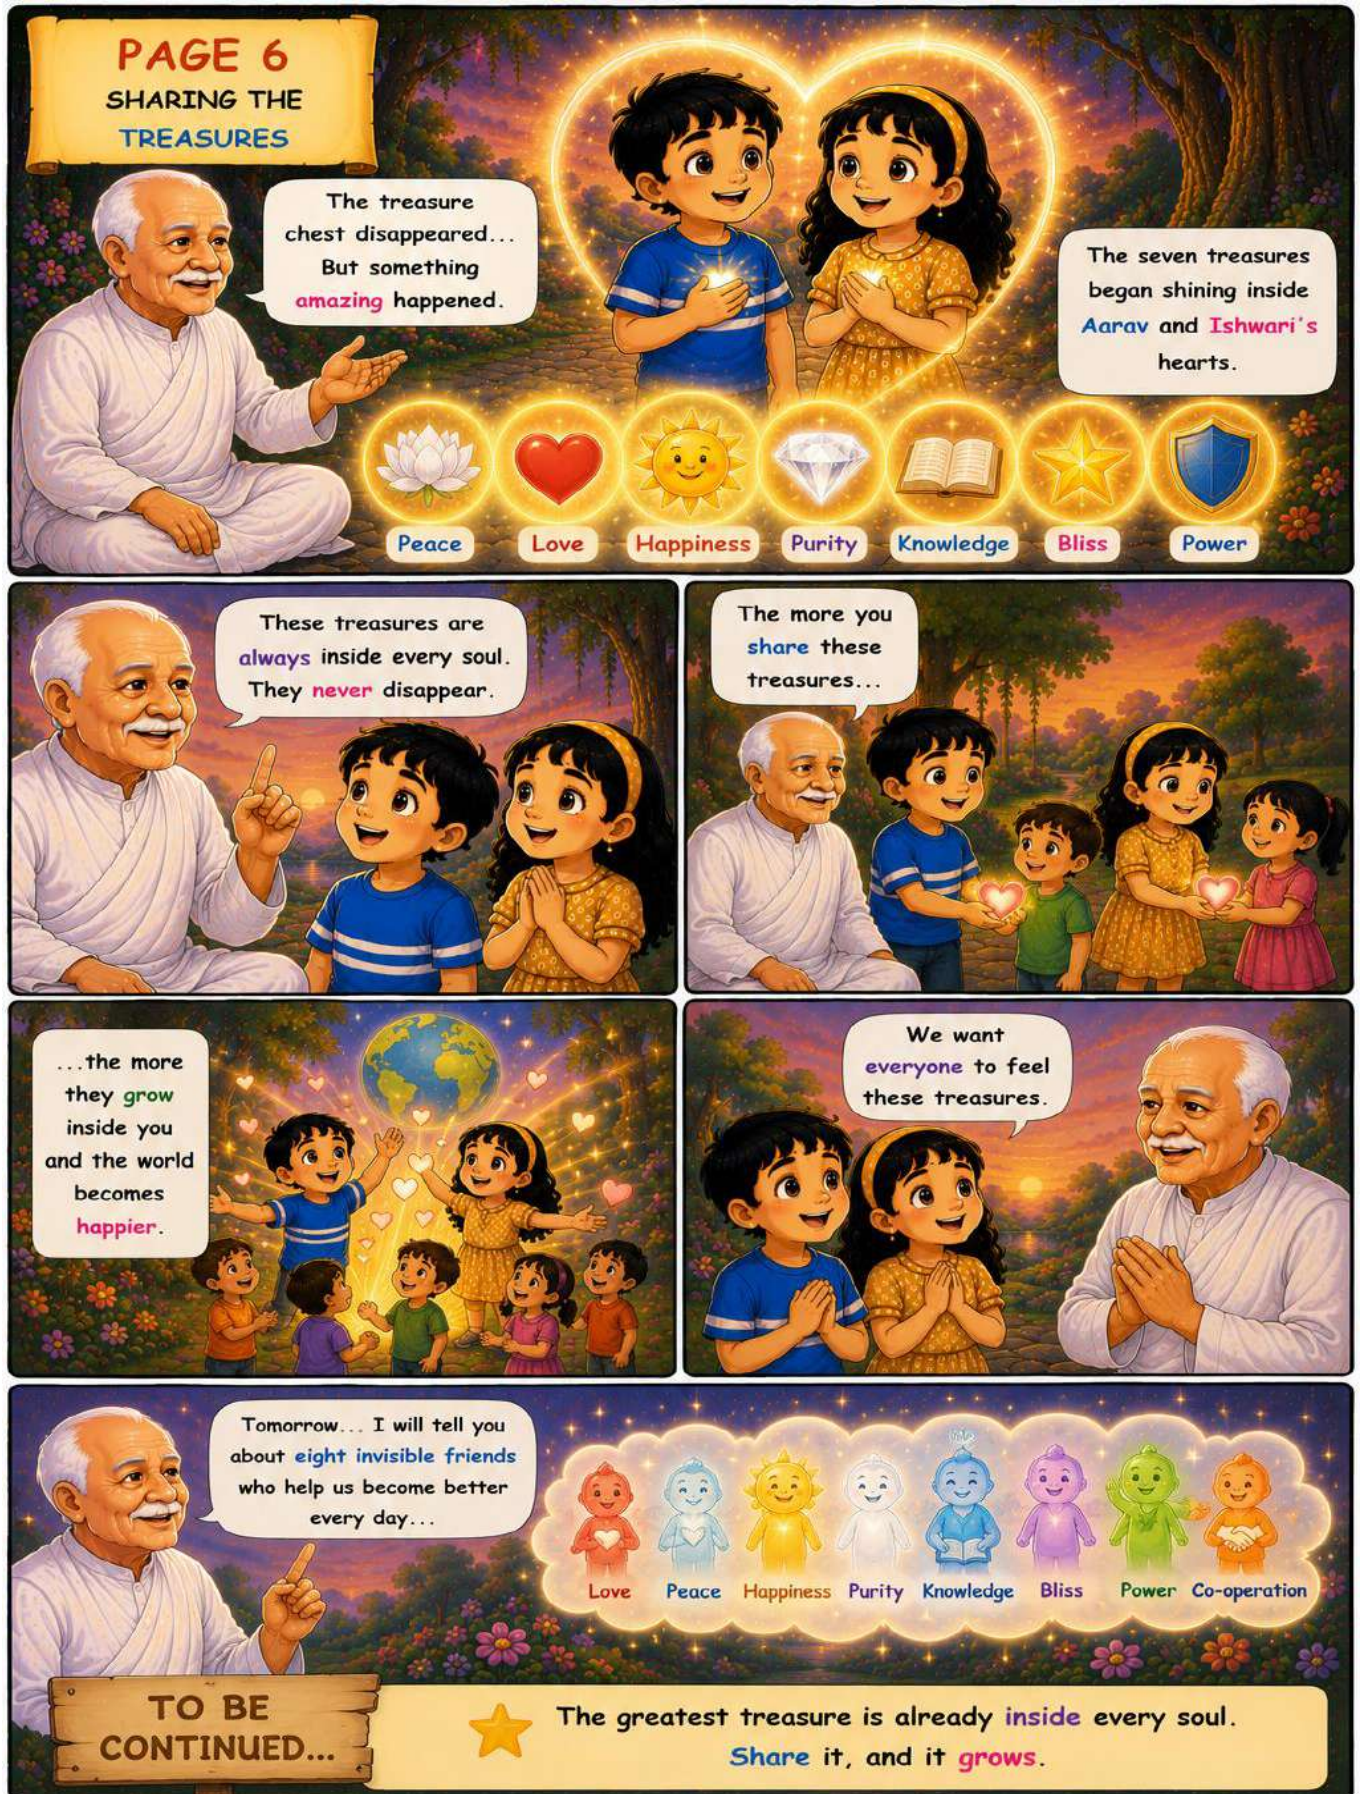

We can help others
with **honest** hearts.
That is **real** strength.

Purity and **Knowledge** guide us on the path of **goodness**.
